## Run Report 2244 – Virgin Hare Mental Disorder - Bayswater

### Preamble:

The Virgin Hare for a Hamersley run, **Mental Disorder**, picked a right night for a Run down by the river at Baywater. It was 33 deg C at 6pm and the 37 MOH who turned up were all feeling the heat. It was good to see that the New Year's Resolutions were mostly being taken on board by members as far as depositing cans/bottles into the barrels were concerned. Thanks for your cooperation with this.

### The Run:

The Hare sends off the running pack but keeps back the walking pack as the runners were doing a long check back over Garret Road bridge. The walking pack proceeded along the river pathway. Coming to the first check around FWB's **HardCase**, **Baron** and **Squirt** look for the trail in three separate directions and Baron is the winner. Luckily the trail that I followed was a long cut and I re-joined the pack behind **Rooted** just as the running pack came through. Lucky that as the running pack managed to find the next FT just before the running and walking trails split. Rooted was obviously a man with a mission and continued on the running trail while I led along the walking trail until I came across SCB's **Voodoo** and **Flasher** who appeared in

front of me. No calling from them of course and they took another short cut through a school and across Gibbney Reserve while I now joined by my fellow FWB **Mother** carried on and joined the runner's trail. Catching the cute FT at the top of the hill we can honestly say that we were the only 2 walkers who did the complete walking trail. We came across some of the remaining walking pack just as we crossed Garret Road to the Drink Stop located at Alf Brooks Park. It was 4.8Km for me and **Mother** and 9.86Km for the runners according to **Bravefart**. A bit shorter than the promised 11.5Km by the Hare **Mental Disorder**. Good effort by the virgin Hare who did tell us about the length of run and long check backs at the beginning of the run.

### Circle Up & Visitors and Returniks:

#### Returniks:

- **Screwdriver** - reckons his long absence from H4 is due to him having sinned doing that 4 letter word!
- **Pumpkin** - after a few hits with his wee mate **Mullaway** he has been going downhill a lot!

#### Visitors:

- **Snot** - Mackay Hash, Queensland
- **Ziggy** - a mate of **Pumpkin's**

#### General Business:

**GM Donka** advises that the Song Master **ELF** is still in home quarantine but he has brought his understudy "wee ELF" tonight who will be given to fill-ins for the down down songs.

**Rooted** produces not one but two jokes to allow the physically challenged to be seated and somehow drags the Coffee Club into the first joke. He obviously did not get a new joke book for Xmas!

**GM Donka** calls the Interhash Sec, **Screwdriver**, forward to give him his Tartan Army Committee shirt - only 8 runs into the new Hash year!

**Cookie** is champing at the bit to address the New Years Resolutions with regard to the cans/bottle's issues. He reckons the new Committee are acting as dictators like Stalin who killed over 40 million people [it should be noted that the self proclaimed Smartest Man in Hash has overestimated this number by 100%!]. **Cookie** took objection to be told what to do and I think that I can now diagnose what his problem is. He obviously has "HHS" - Head Honcho Syndrome! He needs to be reminded though that although he is still a head honcho [or thinks that he is] he is not head honcho of Hamersley Hash!

**HardCase** is prompted into action to set the record straight. He advised that he had received emails of support for the cans/bottles New Years Resolutions from **Stir**, **Dags**, **Popeye** and **Assassin** in Canada.

Even **Gasman** was honest to admit that he could not guarantee to abide by NYR#1 all of the time! **Cookie** on the other hand sends me a 190 word email. The gist of it was that he is prepared to pay A\$30 per week to the Club to ignore the suggested New Year's Resolutions. Of course he made no mention of how he was going to pick up the cans and bottles each Monday night and had obviously not discussed this with his car pool either! When quizzed upon this in the circle it was

evident that he had no intention of doing this so he did not really propose a viable solution on dealing with the recycling of cans and bottles. Why are we not surprised!

**Bravefart** ends up on Ice for disruption of the circle proceedings followed by **Cookie** for being a non conformist [no not a Communist!] and trying, unsuccessfully, to breed revolution within the Club!

**Screwdriver** says something that **GM Donka** deems to be insulting to him so he then ends up on Ice.

**Sheepthrills** reckoned that **Cookie** was a disgruntled Greenie who did not want to re-cycle.

**Wimpy** asked why the Coffee Club had been mentioned 3 times tonight and how many of them were going to Hash Lunch on Friday - it's a Coffee Club **Wimpy** not a lunch club!

**Mausei** on a more serious note told us about poor **Halfway** suffering from diverticulitis and being MIA from the Hash for the past few weeks.

**Rooted** also told us that old Member, **Sgt Bilko**, is back in Joondalup hospital for the second time but remains in good spirits. On behalf of the Hash ! wish both **Halfway** and **Sgt Bilko** speedy recoveries.

**Screwdriver** assuming his role as Interhash Sec for the first time this year tells us that the following upcoming events appear rooted:-

- Nash Hash in Adelaide in March 2022 - today 3,247 people in South Australia have tested positive with Covid so good luck for those H4 men in travelling to Adelaide in late March! Booster shots, cling film, bronze headed diving suits might be needed!
- Pan Asia in Pangandaran, Indonesia now rescheduled for October 2022
- Interhash in Trinidad & Tobago - no one going from Hamersley!

The good news is that Poor Man's Interhash at Cervantes is definitely on over the Anzac Day long weekend in April. Need to register soonest with Mrs Nice Tits aka Small Goods. You kept that quiet **Nice Tits** but we can wait until your next appearance at Hamersley to put on the carton in celebration. Also make your bookings for accommodation/caravan/tent/swag space soonest.

**Voodoo** ends up on Ice for his usual misdemeanour of talking to anyone who will listen to him. He did not like it though and I noticed that he slunk off the Ice when **GM Donka** wasn't looking!

### Charges:

**Mel Adjusted** is first up and charges **Dick Van** for riding a bike on the run without taking photos. Charge was reversed as apparently he was helping the running pack break the loooong checks!

**HardCase** charges **Flasher** for not wearing his WOW shirt next to his skin on the run but rolled up around his neck. For some reason **GM Donka** is in a benevolent mood and lets him off "because it's hot tonight!". **HardCase** is not impressed!

**Mental Disorder** charges 4 of the FRB's tonight for what I have no idea as there were too many people talking! Methinks **RA Kazi** needs to get a bigger stick and be prepared to use it!

**Spud** asks how many road bridges are there across the Swan River and the answer is 10. He charges his driver tonight, **Troppo**, for driving to the wrong run site being a "bridge too far" over Tonkin Hwy.

**Dick Van** then takes a turn on the Ice again for a reason that I could not hear for all of the talking in the circle!

**Rooted** comes into the circle and blows his own trumpet claiming to be the best Historian that the Club has ever had - he must be taking self improvement lessons from **Cookie**! He charges

**Wimpy** and **Mother** for "cooking the books", the Run book that is and also **Precious** as nominee for **Precious Junior** who can't even count past 7! At least **Rooted** is on the ball so no need for any audits!

**Bravefart** charges **Short Horn** for saying that he was going to pay his Subs tonight and become a fully fledged member of the great Hamersley and then reneging as he wasn't happy with the Run - possibly the long checks!

**Cookie** tries to charge **Molly Dooker** as one of the JM's for the worst act of the year at the Mary Xmas run. He reckoned that he was embarrassed at some work [he goes to work but it's the plebs that actually do the work!] Xmas function when he was served by none other than Mary Xmas herself, Della, who **Cookie** claims talked about the Act. It was a failed charge as the Act had nothing to do with the JM's as they were the Committee representatives who only set the Mary Xmas run. **Mental Disorder** commented that he did not think that McDonalds held Xmas functions?

### WOW:

**RA Kazi** takes to the crate and whinges about how long the charges went on for and then proceeds to try and set a time record of his own with the WOW award.

The two incumbent WOW's, **Arseholeo** and **Flasher** present themselves in the circle. Failing to nominate a replacement WOW, RA Kazi asks the members for nominations.

**Sheepthrills** nominates **Flasher** for taking **Precious** on a tour of city and suburbs after the Perth Crankers ride last Sunday trying to find his car at the start point of the ride.

**Screwdriver** nominates **Precious** for falling off his bike at least 3 times at the same ride.

**Spud** charges the bike riding crew who all moved like lightning to move their bikes away for the sprinklers that suddenly came on adjacent to the circle.

**Concorde** has a go at charging **Precious** for wearing a BGC Hat instead of a Hamersley one.

**Replicar** tries and fails to charge **Concorde** for wearing his own Hat that proved to indeed be a Hamersley hat for an Anzac day run some years ago.

**Bravefart** on the BGC theme charges **Cookie** for continually wearing such attire instead of Hash gear on the runs each week.

**Wimpy** also charges **Cookie** for throwing Hash property, namely **Molly Dooker's** yellow member Hat, out of the circle at the Mary Xmas run two weeks ago and he has retrieved it and hands it back to **Molly Dooker**.

Some good nominations there but **RA Kazi** has his own ideas and nominates **Flasher** for trying to avoid wearing the WOW shirt at the joint "Not the Kings Park" run last week claiming that he was told not to do so at Matilda Bay by "a senior Hash member"

**RA Kazi** then nominates the other current WOW, **Arseholeo**, for not wearing his WOW shirt tonight until told to do so and for singing the South of Perth Hash song at last week's run with gusto!

Obviously it is now past **Mother's** bedtime and berates **RA Kazi** for not doing his job and claiming that he sick of it!

Then **RA Kazi** pulls the rabbit from the hat or rather the "partridge from the pear tree" and nominates **Tampax** for inciting **Cookie** to steal and trying but failing to throw the aforementioned rubber partridge up into a tree. **Tampax** is the WOW!

### Run Report:

As one who obviously enjoyed the run, **Short Horn**, is called into the circle to do the run report. While there he was embarrassed about his promise to **Bravefart** about becoming an H4 member and pays up his Subs to Hash Cash **Sheepthrills**. He starts off by berating the length of the run and checks and then mellows when he appreciates the effort by virgin solo Hare **Mental Disorder** and the news that there was indeed food and ends up awarding the run a score of 7/10.

### Next Week's Run:

Fallen Hashmen remembrance. **Dingo** and **Mase** at Neil Hawkins Park, Joondalup on 10 January 2022 at 6.00pm.

### Next week's Van driver:

**Squirt**

### Hash Lunch:

Next Hash Lunch is at Batavia Corner Indonesian restaurant at 312, Albany Hwy, East Vic Park @ 12.30pm on this Friday 7 January 2022. BYO.

### Hares Act:

**Mental Disorder** is obviously new to Hares Acts in Hamersley and they are not the ones that are carried on with Pattaya Hash! He invites 4 then 6 FRB's including **GM Donka** and **RA Kazi** into the circle to share his "home brew" bourbon and coke. That was some act!

### Songs:

The noisy circle disrupter **Voodoo** is called forward to lead us into "Raise Your Mugs" to close the circle.
