Run Report 2253 – C-Man - Blue Dress Run @ Wireless Hill, Ardross

Preamble:

Our car pool driver tonight was **Rooted** and he thought that he would take the scenic route down West Coast Highway to Fremantle and back along Canning Highway. Of course he forgot the old adage - "here comes Ted the lights turn Red!". We arrived at the run site at the top of Wireless Hill with just minutes to spare before the run started.

Kudos to Ex-GM **C-Man** who stepped in to the breach tonight as the Hare after the Perth Harriette's cancelled the Blue Dress Run due to level 2 Covid restrictions. These restrictions are open to many interpretations, but my own view is that we should be considered as Community Sport and should be treated accordingly. Of course, this does not give any of us the right to abrogate our level of care to our fellow Club members and we should follow basic Covid limitation and mitigation measures and use our common sense. Also ANYONE who is feeling the least bit unwell should not be attending any of our Hash runs.

The Run:

The Hare, Ex **GM C-Man** mounts the crate - just like old times says he! The trail is marked with chalk, and picking up on **Voodoo's** example a few weeks ago, shredded incriminating tax records! There is a Walkers/Runners split and there will also be a Drink Stop. I had asked **First Defence** to give me a run down of the Runners trail but got too busy after the Run with selling raffle tickets that I forgot to glean the information from him. Next week?. Off the pack head and we had not gone 100M when first man down was none other than **Voodoo** who took a wee tumble!

The paved pathways on Wireless Hill were well used and some clever FT's kept the Running and Walkers packs pretty well together until we got off the hill and entered the surrounding suburbs. This was where the Runners/Walkers split was and I encouraged "tumbling" **Voodoo** to continue on the Runners trail. FWB's tonight were **Spud** with none other than returning Life Member **Stupid**. **Spud's** pace was a bit off as a result of this but once he was "released" there was no stopping him. Unfortunately, the FWB's inadvertently broke a couple of FT's that were to the Running packs benefit. However, the Runners and the Walkers all reached the Drink Stop pretty much together - quite an achievement **C-Man**!

From the Drink Stop it was an easy climb back up the hill to the run site. I recorded 3.61Km for the FWB's while Bravehart advised that it was 5.6Km for the Runners. A short run and walk that was probably welcomed by most on a hot night.

Circle Up & Visitors and Returniks

Our **Song Master ELF** is rigged for sound tonight by **Blow Job**. He really is ELFtronic now but does not seem to realise that we can hear everything that he says not just the DD songs!

Visitors:

- **Diesel** - Bullsbrook - was coming to the Blue Dress run anyway
- **Mr. Wong** - South of Perth - the Hare **C-Man** asked me to come
- **Meatman** - South of Perth - looking after **Tagg**
- **Tagg** - South of Perth - first run on H4 since the AGM - welcome back!

Returniks:

- None tonight but **Tagg** should have been one as he is still a financial member of Hamersley.

General Business:

GM Donka starts proceedings off with what I thought was a joke about shooting politicians and going to jail - but maybe he wasn't joking! He is immediately followed by **Rooted** who seems desperate to be seated along with his fellow ageing and physically challenged Hash mates. Another joke about a Scotsman/Cloggie/Irishman - some combination!

McClunkie is first cab off the rank with **GB**. He appears annoyed that his fellow car pool member **Bravehart** stole his beloved **BGC** singlet last week and gave it to **RA Kazi** who gave it a good

shredding! **McClunkie** is so upset that he puts on a carton - actually the carton that he put on a few weeks ago. [Scribe note: I wrongly reported last week that **McClunkie** had not paid for this carton but in fact he had and it appears I was given erroneous information].

Rooted did not stay seated for long and he is back on his feet to do a formal 20 Year hat presentation to **Squirt**. **Rads** does the honours with the Ode. **Baron** comes forward to say a few [actually quite a few!] kind words about **Squirt**. It was basically his H4 hash history and commitment on various Committees over the past 20 years. Of course he had to mention the award for the "Shit Run of the Year" in 2007 with **Morphine**. **Squirt** may not be in the purple circle but he is in the Coffee Club. ELF demurs and Precious fills in by talking about the "running of the bulls" [it was actually a buffalo] at Interhash in Chiang Mai in 2006 and **Squirt's** Olympic style dive through a wee hole in a hedge to escape! **Wimpy** than steps up and tells stories about Hash travels and breaks the cardinal rule of "No tales on Tour". Your secrets are safe with me **Squirt** but I can't answer for the other 40 odd Hashers listening in tonight! **GM Donka** formally presents **Squirt** with his 20 Year Hat and a DD.

The good sport that he is **Squirt** puts on a carton in recognition of achieving such a milestone with the mighty Hamersley.

Squirt tells us that his partner in crime [fellow Splash] **Sir Kumsize** is not in attendance tonight as he is in hospital with a fractured vertebrae. Apparently he was mooring his boat with DJ and he seems to have "reached the end of his tether!" [latest news from DJ is that he was due to get out today Tuesday but will need to wear a back brace for 3 months!]. As someone who has suffered a dislocated back many years ago I can empathise with your pain **Sir Kumsize** and we all wish you well in your recovery.

Concorde who seems to forget that we are still on GB brings to attention of **GM Donka** that **Bravefart** seems to have "restless leg syndrome" and is digging a hole where he stands. For this action **Bravefart** somehow ends up on the "Elf on the Shelf" seat.

McClunkie offers some encouragement to **Song Master ELF** by suggesting that he needs a metronome. However, ELF does not take kindly to be referred to as a "MetroGnome".

Screwdriver enters the circle with news on his "necktop" computer repair. It seems to be working well now but he has had problems with his printer. Talking about mental agility somehow translates to **Mental Disorder** being invited to take a seat on the Ice! **Screwdriver** takes **Mental Disorder's** place on the Ice as he reckons it is 46 days until Poorman's Interhash at Cervantes but then gets into a debate with his fellow committee member, **C-Man**, about whether Friday or Saturday is the main day?

Meatman has a go with a joke at **Concorde's** expense.

To close out GB, **On Sec HardCase** steps forward to conduct the much anticipated Raffle.

The winners were:-

- **Rads** - Cap donated by **Sheepthrills**
- **Squirt** - bottle of Ginger Wine - donated by **Coops**
- **Tagg** - Adelaide Nash Hash T-shirt donated by **Sheepthrills**
- **Sir Kumsize** - bottle of Cabernet Sauvignon donated by **Coops**
- **Kazi** - bottle of Glenmorangie single malt whisky donated by **HardCase**

Thanks to all Gentlemen of Hamersley who bought tickets and donated to the good cause of MND [Motor Neurone Disease] . With the raffle and your donations we will be sending A\$533.45 to the Perth Harriettes as Hamersley's contribution to this charity.

Charges:

Short Horn invited all the Hamersley cross dressers with their Blue Dresses into the circle, namely:- **Flasher/Blow Job/Diesel/C-Man/Replicar/Tampax/Molly Dooker/Coops & Stir**. Then charges them for what? It obviously did not stick to **GM Donka's** satisfaction as he ends up with a DD.

Bravefart has a grave charge against one who should know better - **RA Kazi** for not removing his hat during the saying of the Ode during **Squirt's** 20 Year Hat presentation. There is no doubt **RA Kazi** deserves the Ice but **SongMaster ELF** gets the gig instead but relegated to a seat more befitting his stature!

Mental Disorder sympathises with **McClunkie** in the loss of his singlet last week and reckons that **RA Kazi** was a bit mean in shredding this as he has deprived the homeless who shop at the Salvos! Charge is reversed and **Mental Disorder** gets the DD.

Spud charges **McClunkie** for being pretentious - never! On the run he comes across a BGC construction site and waits patiently for **Hash Flash Pole Polisher** to take his photo with the billboard. However, **Pole Polisher** being a real FRB is at the front of the running pack whereas **McClunkie** is at the back! **DD McClunkie!**

Stir offers an accolade to **Concorde** who while passing him on the trail says "excuse me lady" - should have gone to SpecSavers!

Stir next charges his new best mate, **Joint Master Molly Dooker**, for being late in joining the train to the Hash Lunch last Friday and then asking "where is the guy that I buy the tickets from?". **Wimpy** has a go at defending **Molly Dooker DD Molly Dooker** for bringing Hamersley into disrepute.

Concorde then charges one of the old blokes on Ebikes, that drag racing queen - **Popeye**. For losing control of his Ebike and running up the back of **Concorde's** bike at speed! **DD Popeye**.

Wimpy tells a true story and charges **Voodoo** for taking a tumble at the start of the run. **DD Voodoo**.

Meatman reckons on the many Hamersley runs that he has attended, he has never met a whinger - until tonight that is! He charges **Wimpy** who retorted to his question of "how's it going" with a whinge about being stuffed after 4 hours of tennis in the heat of the day! **DD Wimpy**.

GM Donka calls forward **Mr. Wong** to sit on the Ice and have a DD for mumbling instead of singing the Hamersley song at the Drink Stop.

Bravefart says that there were two Hash lunches last week - Hamersley's and South of Perth and he charges **Flasher** for brewing discontent on FaceBook by referring to "splinter groups" and reckons that nobody at Hamersley would put him on Ice - how wrong can you be! **DD Flasher**.

WOW:

RA Kazi calls forward into the circle this week's non-contributor, **Wimpy**.

He is followed by the incumbent **WOW McClunkie** who is asked if he has any nominations to take the shirt from him. He says that he has 3 or 4. First nomination is **ELF** for taking umbrage at being called a "Metrognome". Then he turns to his "mate" **On Sec HardCase** but finding a good deal of resistance there changes tack and nominates **RA Kazi** for not removing his hat during the

Ode. He leaves he best until last and nominates **Squirt** for putting about aspersions on his character by telling **On Sec HardCase** that he had not paid for his long awaited carton when he had. [Scribes note: it was not **Squirt** that gave me this information.]

Screwdriver congratulates **RA Kazi** on last week's award of the WOW shirt and reckons it should be a carry over. **Wimpy** has a go at nominating the founders of the Coffee Club - **GM Donka** and **RA Kazi** - not a good idea and never one that was going to fly!

Now we come to the tragic bit when as always we members fail to understand **RA Kazi's** thinking when it was so obviously a carry over to **McClunkie** he awards the WOW shirt to **Squirt**. Don't expect life to be fair **Squirt** as it never is! DD's to the outgoing and incoming WOW **McClunkie** and **Squirt**.

Concorde earns a seat on the Ice by disrupting proceedings by telling us that **C-Man** is the new GM of Perth Crankers.

Run Report:

Tumbling **Voodoo** is called forward by **GM Donka** to deliver the run report. **Voodoo** reckons that apart from his fall it was a pretty good run and a good effort from the stand in Hare **C-Man**. The pack was kept together pretty well until the Runners/Walkers split when of course he followed the Runners trail. Not too long on such a hot day and that was appreciated. He gives the run a score of 9/10 as he obviously likes pork sausages!.

Next Week's Run:

Arseholeo at Woodford Park, Lynwood. SOR.

Next week's Van driver:

No news from next week's Van driver **XYZ** who is MIA so first **Precious** then **Popeye** volunteers to drive the Van next week.

Hash Lunch:

Wimpy gives the report of last Friday's Hash lunch. We had a turnout of 7/8 including **GM Donka** and he asked where the rest of the Committee members were - we were there the times that you weren't! Overall it was good and the food was good and pretty cheap too but no evidence of big tips did he see! Several rocked on to another venue under the bridge - no not where the winos congregate!

Hares Act:

C-Man with a little help of his SOP buddies **Hippo** and Mr **Wong** delivers his own rendition of Old **McDonka** had a farm! DD to the Hare and his helpers.

Song:

Popeye leads us into the perennial favourite H4 song "Raise Your Mugs" to close the circle.
