Run Report 2254 – Arseholeo @ Woodford Park, Lynwood

Preamble:

As my two fellow car poolers were MIA tonight I managed to cadge a lift with the **Mausei/Mullet/Kazi** car pool. Thanks **Mausei!** We had an amazing clear run through the city at rush hour and then debate started with whether we should take Roe Highway or Leach Highway as I as an ex-Taxi Driver would have done. At this point **Kazi** felt a bit threatened and as he was in the front seat he took over directions to the run site at Woodford Park. Me and **Mullet** kept quite in the back! Best stick to the Toasted Cheese sandwiches **Kazi** as I don't think that you would make the grade as a Taxi driver!

We arrived in good time and I was keeper of the run book this week. The only one not signed in that I noticed was **Stupid** as he got there late but I have signed in for you - you can give me a token next week! We had a good turnout tonight of 43 members and 3 visitors.

The Run:

Stand-in GM tonight **C-Man** mounts the crate and it fits him like a glove! He calls the Hare **Arseholeo** forward to stand on the crate and to tell the assembled crowd that we are mostly on chalk with some paper in the Bush. There will be a Drink Stop says he - more on that later!.

I had a "spy" in the Running Pack tonight who told me that the FT's were a bit light on - I found plenty of them though! No one got their feet wet crossing the creek and more importantly no one got mugged considering the area we were in.

I was the sole FWB tonight for about half the run with **C-Man** keeping new member **Fast Eddie** company while he is nursing his rotator cuff injury. **Baron** was champing at my heels though and managed to catch up after a few FT's slowed me down. One FT in particular really slowed me down and this allowed the whole Walking Pack to catch up. Most of the Walking Pack did cross the creek except guys like me with open wounds on their feet - well I had at least! Eventually, the Walking Pack find the Drink Stop sign just before 7.00pm BUT No **Arseholeo** and No Drink! At least we were within sight of home at this point.

However, Hares should note that without any Walkers short cut or separate trail there will be a gap between the Runners and Walkers arriving.

Bravefart recorded 6.05Km for the Runners whereas I had 6.08Km for the Walkers - 30 Metres more than the Runners - it has to be a first!

Circle Up & Visitors and Returniks

Our **Song Master ELF** is also MIA tonight so Stand-in **GM C-Man** nominates **Popeye** as his stand-in Song Master and hands over the microphone and song sheet to him!

Visitors:

- Alby aka **Captain Awesome** - a mate of **Arseholeo's** and co-hare tonight
- **Mr. P** - Ex Member H4 - has been slack and idle
- **Raymond** - who everyone knows and is a mate of **First Defence**

Returniks:

- **Mullaway** - been catching bones - I think that he meant fish!
- **Delicate** - been down South in the country with Dad!

General Business:

GasMan can't wait and ends up first on Ice tonight as directed by stand-in **GM C-Man** for talking and disrupting the circle proceedings. He also earns himself a DD.

In **Rooted's** absence **Mullet** tells a true story but it was actually a joke to allow the physically challenged to take their seats in the circle.

Haberdash Precious comes into the circle with a complaint that **On Sec HardCase** did not inform him of a new paid up member - Eddie. As **On Sec HardCase** was accepting his reprimand his mate **McSnookie** could not keep quiet and talks himself into a seat on the Ice for interrupting the stand-in **GM C-Man**. **McSnookie** reckons he was taking a seat on Ice for his mate **On Sec HardCase** but actually that was not the case, hard or otherwise! He reckons he takes his DD too! **Boof** is next to take a seat on Ice for talking with **Concorde** - his choice according to stand-in **GM C-Man** - big block or cubes! DD to him.

Intercourse Screwdriver says that he has done his research this week and confirms that Friday 22 April 2022 is in fact the first day of PoorMan's Interhash in Cervantes. Only 39 days to go. **Haberdash Precious** noting his son **Delicate's** whinge about not having a hat duly produces a new Yellow one and presents this to him. **Delicate** then whinges that his name has been spelt wrongly on the hat but lucky for him **RA Kazi** did not pick up on it, otherwise he would be keeping the new name for good!

Bravefart makes the comment that stand-in Song Master **Popeye's** tone it too much of a tune! **RA Kazi** enters the circle and says that it is **DAGS** 83rd birthday today and he was given A\$100 by him to buy the boys a drink for this birthday. Good onya **DAGS**.

Another birthday boy today is **Voodoo** but in the absence of any intention of buying the boys a drink he receives a birthday "shampoo" by **RA Kazi** instead.

Wimpy steps forward and advises that to maintain H4 traditions he asked if anyone wanted him to organise a classic Black Friday lunch on 13 May 2022.

Meanwhile, **GasMan** ends up back on the Ice for another misdemeanour. DD to him.

Charges:

Pole Polisher is first up with a charge tonight on **First Defence** who reckons with his actions tonight that he forgot that the Hash is meant to be non-competitive. Somehow, **Popeye** comes to **First Defence's** "defence" and manages to get the Hare **Arseholeo** to take the charge and the DD.

GasMan lays a charge on **First Defence's** visitor "everybody loves Raymond" for signing the run book outside the Visitor's place. DD to both.

Screwdriver reckons that **GasMan** has been unfairly targeted tonight as he brought his own drink that **Bravefart** tripped over and spilt it. This charge backfires and results in **GasMan** ending up back on the Ice and given another DD!

Short Horn charges his fellow car pooler **McSnookie** for being the "NOT the smartest man in hash" who did not know what a Pelican's Neck consisted off and he also took a dig at him for "short arm deep pocket syndrome"! DD to both.

WOW:

RA Kazi tells us that the current **WOW Squirt** is MIA tonight as he has had to return to the UK to visit a dying school friend.

McSnookie is called forward as a candidate for **WOW** for continuing to wear his non Hash T-shirt on the run. Like a magician he disappears - not not really - he produces not only **Squirt's** **WOW** shirt but also his 20 Year hat! Like Cinderella, **McSnookie** believes that if the hat fits then the **WOW** shirt should do also and he nominates **First Defence** for a series of misdemeanours tonight.

RA Kazi nominates **Baron** for selling bags of green leaves on the Hash and bringing H4 into disrepute. I did witness **RA Kazi** being the first one to grab one of these little bags from **Baron** and in case a copy of this Rag gets into the wrong hands they were actually curry leaves!

RA Kazi in his inimitable manner awards the **WOW** shirt this week to **First Defence**. Sometimes I think that I am wasting my time as the Covid protocols that I have previously advised members of with regard to **WOW** shirts are being totally ignored!

Run Report:

Molly Dooker is given the honour of doing the Run report tonight. Someone mentions that there were 16 runners tonight but it is probably near 6 with 10 pretenders! **Molly Dooker** says that there was no comparison with last week's run hared by **C-Man** [he is only on the crate for this week and the main man that you need to suck up to, **GM Donka**, is back next week **Molly**]. Good run - well maybe - nearly got attacked by a crazy man. A bit sort but made the Drink Stop.

Molly Dooker gives it $5\frac{1}{2} + 2$ for the food - less 2 for abandoning the Drink Stop before the Walking Pack got there so $5\frac{1}{2} / 10$ total. The food was good but some members thought that they could do better and brought their own!

Next Week's Run:

Kazi at MacDonald Park, Padbury - St Paddy's Day Run

Next week's Van driver:

Pole Polisher

Hash Lunch:

Munch Master **Mel Adjusted**, newly returned from Barrow Island, steps forward and says that it is in hand and he should make it to next month's Hash lunch. Venue and directions TBA.

Hares Act:

Arseholeo brings his co-hare **Captain Awesome** [I think that name must have been a self nomination!] into the circle and entertains us with a couple of jokes.

Song:

Tagg is given the honour of closing the circle with "Raise Your Mugs".
