[Run Report 2256 – HardCase and Sir Tom Arse @ Glengarry Park, Duncraig](#)

Preamble:

It is **HardCase's** 70th Birthday Run tonight - "who stole all the years says he!". As the Hamersley boys arrive **HardCase** gives each of them a token for a drink on him for his birthday that he celebrated last Saturday.

GM Donka invites **HardCase** onto the crate to tell the boys about the run. Run of the Year claims **HardCase** but then again every Hare will say that! The trail is all on chalk and he thanks **RA Kazi** for keeping the rain away. There will be two Walkers short cuts and a Drink Stop.

The Run:

I engaged a couple of spies this week as I was the Hare and not on the trail. From the Runners perspective it was said that they did not know that there were so many laneways or hills in Duncraig! **Replicar** took a tumble but like a Kiwi Meerkat he managed to land on his feet!. **Spud**, **DV8** and **Barrelina** were the first to arrive at the Drink Stop as they were the only 3 members who saw and took the first Walkers short

cut. They were closely followed by **Voodoo** who reckoned that discretion was the better part of valour and took the Walkers trail at the second shortcut. The Running pack all came in pretty much together and then we waited for the brave Walkers who missed the first shortcut but found the second one. It was good to see ex-members **HaBB** and **Wort** at the Drink Stop. Song #2 was sung with gusto before the Running pack took the longer trail home while the Walking pack took the shortcut with the Hare. Bravefart said that it was 8.37Km and "a mint run pal" - high praise indeed. **Rooted** for the Walking pack who made the drink stop did about 5.5Km.

Circle Up & Visitors and Returniks

Visitors:

- **SOG** [Son of GOD] - waiting for Dad to pay his membership Subs!
- **Sir Tom Arse** - Perth and SOP Hash - helping HardCase as Co[hare tonight.
- **Inspector Gadget** - Friday Hash On Sec - come to support his old Jakarta Hash mate HardCase.

Returniks:

- **Shit Scraper** - been spreading the word - where we may ask?
- **Fartin' Sphincter** - been doing that dreaded 4 letter word - work!

General Business:

Rooted is in an obstreperous mood tonight and is the first, but not the last, to spit the dummy tonight when he gets interrupted trying to tell a joke for the physically challenged to be seated in the circle. **Stir** the interrupter tries to tell a joke in his stead but **GM Donka** trumps him with his own joke about the "clock back" and allows those members with dispensation to be seated. This kicks **Mase** into gear with his own doctor joke and eventually **Stir** gets to deliver his own joke about sex and cataracts. Not to be outshone **Rooted** eventually manages to get in his own joke about "car owner virus!".

HardCase steps up with his first matter of GB in that missing member **Squirt** arrived back from the UK on Saturday after visiting a dying school friend and sent a message earlier that he was not feeling so good so being cautious he would not be joining us tonight. The latest message just received from **Squirt** has just confirmed that he is Covid positive! Good call to miss tonight's run **Squirt** and get well soon. A lesson for the future in that anyone else who may be also feeling in the least bit unwell take heed and avoid coming to the Hash and potentially infecting your mates! The next matter is to advise that the Perth Harriette's advised that they donated A\$1,900 to Motor Neurone Disease after their Blue Dress event and Hamersley contributed 33% of that from their own Blue Dress run. Good effort lads.

Bravefart questions which school **RA Kazi** went to when he was asking members to form a circle and then sidles up to Bravefart and his merry men and refers to them as the "chatty corner"! **RA Kazi** reckoned that such a comment was not worth responding to!.

Fartin' Sphincter advised that he and his bro' **Concorde** will be heading up Broome way soon and will be attempting to cycle the Gibb River Road for charity. They have pledges/donations of A\$23K committed so far and looking to reach A\$30K so any contributions from fellow Hamersley club members would be welcome.

RA Kazi pre-empts proceedings by sitting **HardCase** on the Elf on a shelf seat for his birthday "shampoo". **HardCase** attempts a vehement protest claiming that not only had he provided a Drink Stop tonight he also gave everyone a token to have a drink on him and felt he did not deserve the shampoo. He manages to get his "mate" **McCookie** to sit with him but unfortunately the only other seat available was on the Ice! It seems that **RA Kazi** was only teasing as he then produces a one candle cupcake and a sparkler and wishes **HardCase** a happy birthday. **Song Master ELF** comes up with a song to suit the occasion.

Charges:

Mental Disorder is quick off the blocks tonight and charges **Bravefart** for some far fetched tale about having to share a double room with **Arseholeo** on the Indochina Mekong Hash in Cambodia in November 2022. **Wimpy** tries to offer up a defence involving haircuts but actually the real interest seems to be in one's wallets! DD to **Bravefart**, **Arseholeo** and **Wimpy**.

Pole Polisher is next up with a charge on the usurping of H4 Committee roles - namely his as Hash Flash. He charges **Delicate** for trying to undermine his job by taking photos on the Run tonight. This time it is **Concorde** who springs to **Delicate's** defence and immediately does off script talking about 4 Amigos? [Scribe note: the only Amigos that I know about is a pub in Kemang in Jakarta]. At this point, **GM Donka** intervenes and asks who took the most photos of him leading the Running pack and unfortunately for **Pole Polisher** it ends up as a reverse charge! DD to him.

McCookie then enters the circle and starts talking about a subject that knows a lot about - the abuse of H4 gear! He spins a story of how he and his better half are now the fitness junkies of Maylands and end up talking to a barmaid at the Maylands Golf Club. He then produces an H4 yellow hat that he accuses **Tampax** of trying to barter this for the barmaid's favours! However, the name on the hat is that of **First Defence** and he ends up with the DD for supposedly losing his hash gear.

Stir jumps off his seat - actually he stands up slowly - and reckons that he does not want to be seen to be picking on the Joint Masters But, he then charges **Molly Dooker** for relating a story from Friday Hash last week where some unnamed unmentionable [that's what we used to call them on Batavia Hash in Jakarta!] thought that his hash name was pretty poor for a Hamersley man and that he should change it. **Molly Dooker** ends up on the Ice for thinking seriously about this and **Stir** then proceeds to offer a suggested new name that made no sense to anyone and that's when he lost the attention of the crowd!

Inspector Gadget gives Hamersley a taste of one of classic jokes using his T-shirt as a prop. **Molly Dooker** then gets off the Ice with a DD to boot - no name change for you!

Coops comes into the circle with what looked like an oversized Doctors bag. He charges **HardCase** for giving misleading information at last week's circle when giving the location of his run he said to bring your "Bowls" so he did! Might be more appropriate to bring these next week at **GM Donka's** run at Sorrento Bowling Club!

WOW:

RA Kazi takes to the crate and tells the members that there were 17 runners tonight! He then gets **McCookie** to stand in the circle as a fall back WOW should no better candidates be found. The current WOW, **First Defence**, is called into the circle and is asked if he has any WOW nominations. He offers **Mental Disorder** as a candidate for besmirching the **Bravefart's** good name earlier in proceedings.

Delicate then nominates **Tampax** for bringing the Club into disrepute with his antics down at Maylands Golf Club. **First Defence** says that he can't say a bad word about his fellow government official and anyway he believes that **McCookie** was telling porkie pies and that he had somehow snaffled his yellow hat.

Wimpy who is the driver of his car pool tonight charges **Baron** for rerouting him and adding +/- 4Km on to their journey to check if/why **Squirt** was coming or not tonight?

However, **RA Kazi** proves once again that he is his own man and nominates his fellow car pooler **Mausei** as WOW. He says at the Coffee Club last Tuesday that **Mausei** berated him for not cleaning up properly as the Hare after the circle closed and that **Mausei** himself helped **Replicar** clean up and load the Van. **RA Kazi** claimed that he checked with **Replicar** that all that he needed to do was done and that he could leave. Then **RA Kazi** made the fateful decision and awarded the WOW shirt to **Mausei**! The blue touch paper was lit and then **Mausei** erupted and was not a happy camper. You had to be there! After much ranting and raving **Mausei** eventually accepted that he would have to wear the WOW shirt - warranted or not! DD's to the outgoing WOW, **First Defence**, and the incoming WOW, **Mausei**.

Run Report:

Boof gives the run report for the Running pack. **Boof** said that it was Run of the Year until **GM Donka** reminded him who the Hare was next week! Run of the alleyways with good checks. Fantastic drink stop and best of all great food. [Scribe note: the Rendang curry was not cooked by **HardCase** but by his better half **Dynamo**]. **Boof** gives the run $9\frac{1}{2}$ / 10.

Spud steps up to add to this from the Walking pack perspective. He was one of three who found the first walkers' shortcut and chased down the FRB's - athletes he called them!. One little hill in particular where **McCookie** was skulking waiting for someone to find the trail. **Spud** also gives the run $9\frac{1}{2}$ / 10.

Next Week's Run:

GM Donka at Sorrento Bowling Club car park, Percy Doyle Reserve, Duncraig. He says to bring a plate.

Next week's Van driver:

XYZ.

Hash Lunch:

With all the goings on with **Mausei's** "act" we missed calling the **Munch Master Mel Adjusted** into the circle to remind us that the next H4 Hash lunch will be on this Friday 1 April 2022 at Northbridge Chinese Restaurant, 26, Roe Street, Northbridge @ 12.30pm. BYO.

Hares Act:

Firstly, **HardCase** asks permission to use his mobile in the circle to check on the status of the food delivery. Permission given by **GM Donka** and it is confirmed that the food on it's way! **HardCase** delivers a version of a song to the Beatles tune of Yesterday to commemorate his birthday titled "Seventy".

Song:

HardCase as the birthday boy is given the honour of closing the circle with "Australia's Hash".
