[Run Report 2258 – Mel Adjusted @ Huntingdale](#)

Preamble:

I am MIA this week due to being a close contact of **ELF** who tested positive for Covid last Thursday. **Rooted** is also MIA but for other reasons so the sole remaining car pool member, **GM Donka**, manages to cadge a lift with the **Mullet/MauSei/Kazi** car pool.

Many thanks to **Squirt** for agreeing to fill in on Monday night and take the notes for the Rag. Thanks to **Mel Adjusted** for filling in as the Hare for **Blow Job** at short notice. Also thanks to **Sheepthrills** and **Replicar** for helping out in the Van.

We had 31 MOH [Men of Hamersley] turn up for the run in Huntingdale. **Troppo** is stand-in Song Master for **ELF** and **Bravefart** is the stand-in Hash Flash for **Pole Polisher**.

Unfortunately, the Hare **Mel Adjusted** had picked the smallest car park in Huntingdale that just about accommodates the Van and 3 cars! He also failed to notice that a Yoga and Meditation class was on at the same time in one of the adjacent Units! They were not amused!

The Hare **Mel Adjusted** takes to the crate to instruct the hounds on run directions. **Barrelina** interjects with some important news about **McCrookie's** house being robbed this week and several valuable books were stolen but the real bad news was that **McCrookie** had not coloured all of them in yet! With that **Mel Adjusted** sets the Running pack off but holds the Walkers back for short cutting instructions.

The Run:

The Runners did 7.3Km tonight and **Bravefart** was first back to the run site tonight. It was mentioned that he was being a wee bit too competitive!

The Walkers went over Corfield Street and into a wooded area that looked like there was a stream flowing through it. It was a short walk of 2.4Km for them.

After the Runners and /Walkers returned **RA Kazi** [should have gone to SpecSavers!] steps on a retic valve box and breaks it making the circle a dangerous place until **Troppo** puts on his HSE hat and cordons off the area with witches hats.

Circle Up & Visitors and Returniks

Visitors:

- None tonight

Returniks:

- **C-Man** - says he was rowing his boat but that must have been on the Yarra!
- **Squirt** - caught Covid in the UK and did the right thing by his Hash mates by staying away!
- **Gasman** - reckoned that he has been blowing things up! Balloons?
- **RADS** - derogatory comment that was ignored! He might have been on holiday?

Even though he had only been absent 1 week and therefore not technically a Returnik, **McCrookie** came into the circle to grab himself a free drink!

Troppo led the Returniks into song.

Covid Report:

The hits keep on coming as Tom Cruise used to say in the movie "A Few Good Men".

Latest news from our members who have succumbed to Covid is:-

- **Dick Van** - all good just catching up at work
- **Short Horn** - all good now, just some ongoing fatigue
- **ELF** - I'm pretty much over it. Seems that his Unmentionable is worse off than him!
- **Precious** - on the mend and hopefully be free of isolation sooner than planned.
- **Biggles** - going OK but get tired from time to time. Headaches come and go but should be up and about before too long.
- **Hard Case** - tested negative but still isolating as a close contact of **ELF's**. Fingers crossed!
- **Donka** - tested mild positive Tuesday morning. Getting a PCR test to confirm!
- **Arsehleo** - received a positive Covid result on Tuesday from yesterday's test. Feeling better than yesterday but got to isolate for 7 days.

General Business:

In **Rooted's** absence, **MauSei** steps up and delivers a joke to allow the physically challenged to be seated.

Barrelina follows on with a joke of his own but in **Squirt's** own words "all too fast for my shorthand"! Not easy is it?

McCrookie interrupts proceedings as does **Wimpy** before **C-Man** steps forward and updates us all on Poorman's Hash on 22-24 April 2022. He asks those going if they want the offshore registration spent on food or on beer?

GM Donka reiterates the message from the email sent out a few days ago by **On Sec HardCase** that if you feel ill at all please don't come to the Hash and get yourself tested.

Stir pleases the circle with one of his jokes.

McCrookie tells the circle that it is customary to have an interpreter at offshore run and the run in Cervantes is no different. Also we need a suitably qualified RA. **RA Kazi** is nominated as RA [he needs the experience!] and as **Pole Polisher** will be MIA, **Bravefart** qualifies as an interpreter.

It was mentioned by a little bird that **C-Man** had a song and dance in the circle about losing money as his advert did not appear in last year's H4 annual. Upon investigation it appears that this is a false claim as his advert is indeed in **Donka's** Tartan Army H4 annual. **Gasman** also had a whinge about his advert not appearing either but investigations reveal that he paid for this advert on 6 December 2021 well after printing had started and the annual was about to be issued to members.

Charges:

Straight up **GM Donka** calls out the Hare **Mel Adjusted** for having a run site in direct sight and sound of a Yoga and Meditation class requiring him to have a skewed circle. DD **Mel Adjusted**.

C-Man charges the person [nobody owned up!] who brought Gage Roads zero alcohol to the run and left all the empties on the Van Bar. **Screwdriver** defends and said it was an advert for quality beer that could be a welcome addition to the Hash Splashes "specials". [Scribes note:- only if the price comes down or that Members are willing to pay more than 1 token for it!] Charge reversed DD **C-Man**.

McCrookie seizes his opportunity and says that he has only been away 1 week and the Club has gone to shit! He charges **Screwdriver** with trying to bring in more zero alcohol beer to the circle. DD **Screwdriver**.

WOW:

Apparently there are two incumbent WOW's, **Squirt** and **Mullet**, and they are brought into the circle by **RA Kazi**. [Just because you have been MIA for a few weeks **Squirt** we had not forgotten that you remained a WOW].

RA Kazi brings forward **Troppo** as a non-contributor [a bit harsh I would have thought!] and asks him for a WOW nomination fast!

Squirt bravely nominates **RA Kazi** and he thinks it will help his case by calling him "the esteemed RA"!

Mullet [obviously looking for payback] nominates his pool car driver last week - **RA Kazi**. He reckons that **RA Kazi** wanted to leave and go home before Fat Cat went to bed last week even though as the Co-hare, he was supposed to help clean up! **RA Kazi** swiftly moves things along. The long knives are out tonight as **Wimpy** also nominates **RA Kazi** for being a tight arse and the only person not to tip at the Hash Lunch last week.

RA Kazi, obviously feeling the pressure, nominates **RADS** for trying to be a lookalike country singer with his new mullet!

Troppo by now has no idea who he could nominate as **WOW**, so by default he is awarded the **WOW** shirt. DD to outgoing **WOW's Squirt** and **Mullet** and incoming **WOW Troppo**.

Run Report:

McCrookie is determined to reassert his authority on proceedings and somehow manages to convince **GM Donka** that he should do the Run Report. I was only joking last week when I said "come back all is forgiven"! **McCrookie** said it was a good run with trail through a fine wooded area and a good Runner/Walker split. Nice location if you are in to small places and Yoga and meditation. Snacks and BLT Rolls were good so he awards the Run 7 / 10 but then decides to deduct -1 for serving pork during Ramadan. So the self proclaimed smartest man in hash ends up giving a final score of 8 / 10! Go figure!

Next Week's Run:

Sheepthrills on TUESDAY 19 April @ Mellor Park, Bibra Lake.

Next week's Van driver:

Blow Job

Hash Lunch:

Next Hash lunch will be on Friday 6 May 2022 at a location **TBA**.

Hares Act:

The Hare, **Mel Adjusted**, brings out his little helpers - **McCrookie**, **Replicar** and **Troppo**. They had to guess the H4 hasher's name that was written on a piece of paper stuck to their foreheads. They had 1 question to ask and move along if they got their guess wrong. **Replicar** was first to guess **Dingo** [3 questions in]. Next was **Troppo** to guess **Slops** [5 questions in]. Lost count of how many clues that the self proclaimed smartest man in Hash, **McCrookie**, was given before he finally managed to guess **HardCase**. Good game and DD to the Hare **Mel Adjusted** and his little helpers.

Song:

Gasman leads us into "Raise Your Mugs" to close the circle.
