Run Report 2259 – Sheepthrills @ Meller Park, Bibra Lake

Preamble:

Lucky I knew the way to the Hash site at Meller Park in Bibra Lake tonight as I was our car pool driver the last time we were at this site! Something was mentioned about short straws!

The Run:

Sheepthrills tells us that it was the 133rd birthday of someone who should not be mentioned who caused so much chaos for Germany. No, it wasn't Charlie Chaplin as it was his 133rd birthday 4 days ago on 16 April 2022. **Sheepthrills** doesn't need the height advantage of the crate and tells us that there is a Runners run and a Walkers march tonight. There will also be a Drink Stop. The Walkers were requested to lead off on the march in John Cleese Fawlty Towers fashion!

Fellow FWB's with **HardCase** tonight were **Barrelina**, **RADS** and **Baron** and a cracking pace was set given the early shortcut from the Runner's trail. So much so that we got caught on the first FT but **HardCase** was not be fooled on the second FT but took it upon himself to do the third FT just as the Running pack caught up with the Walkers. The only one of the Runners to say thanks was **McCockatoo**. Eventually we reached the Drink Stop that was within

sight of home. The Jägermeister was well appreciated by all - it certainly was by **Rooted** who enjoyed 4 cups of it! It was 7.45Km for the Running Pack while this FWB recorded 5.15Km.

Circle Up & Visitors and Returniks

Visitors:

- None tonight

Returniks:

- **Swallow** - looks like he came straight from work and headed home before the circle so missed his DD.

Covid Returniks:

- **Arseholeo/Biggles/Precious/ELF** - only one common denominator according to **GM Donka** and that is **ELF** who is awarded a special shirt for the evening!

Covid Report:

Latest news from our members who have succumbed to Covid is:-

- **ELF** - back at Hash tonight.
- **Precious** - back at Hash tonight
- **Biggles** - back at Hash tonight.
- **Donka** - back at Hash tonight.
- **Arseholeo** - back at Hash tonight
- **C-Man** - caught it from his Unmentionable. Finishing isolation on Tuesday. His symptoms comprised a bad case of hay fever but the rest of the time he was going stir crazy!

General Business:

First up on the elfin stool was **Bravefart** who was talking to **On Sec Hard Case**. Not his fault for once as he was just answering a question!

Rooted then tells us a story about taking his Grandkids to the Museum where they thought that he was one of the Exhibits! A joke about short names was then delivered to allow the "physically challenged" to be seated. I for one did not figure that Arnold Schwarzenegger was a short name! I did notice that poor old **Boxy** who should qualify for a seat was left standing at one point while others who didn't look too physically challenged to me were seated.

McCockatoo entered the circle and reminded us all about the Poorman's Interhash at Cervantes next weekend and Hamersley's Onshore run on Friday. He reckoned that the **Song Master ELF** needed to be on form and to bring his sound system with him!

GM Donka makes an executive decision about what shirts that Hamersley members should wear on the Onshore Run - Run 2222 shirts! For the Poorman's Hash run on Saturday they should wear Black shirts. At this stage **Screwdriver** interjects and says that is fortuitous as the colour coordination for Saturday is Black & Gold. Saturday night will be a Caribbean theme with Bob Marley and his Wailers. Considering that Bob has been dead for over 40 years it may be some other wailers that they will hear! **Screwdriver** earns himself a DD for this elucidation.

Bravefart asks who is in charge of the Tanks as he is expecting a Panzer Division at Cervantes. Methinks that he may need to lay off the VB!

MauSei reminds members that as a mark of respect we should all wear our ANZAC T-shirts next Tuesday for the Anzac Day run.

McCockatoo comes forward with a joke and it is pretty obvious who he is voting for at next month's General Election!

Charges:

Mel Adjusted calls forward **Captain Hook** and **Shit Scraper** and then charges **MauSei** for mixing then up on the Run. **MauSei** initially tries to deny the charge but **Disgraceful** reckons that he was a witness to it. DD to **MauSei**.

It seems like it is **MauSei's** lucky night as **Rooted** brings a charge on him. Firstly he thanks him for looking after the Run Book last week and then charges him for falsifying signatures. **Popeye** seemed upset that he did not manage to sign on the top line of the page this week. The charge is reversed and **Rooted** takes the DD.

Captain Hook incurs the wrath of **GM Donka** by trying to introduce a Sports Report during Charges and earns himself a seat on the Ice.

XYZ tries to show up **RA Kazi** who reckoned that his Grandmother taught him to swear in German as a young kid. It did not matter that **XYZ** was swearing in Austrian German **RA Kazi** still gets the DD.

McCockatoo incorrectly addresses **GM Donka** when he enters the circle and just misses out on a seat on the Ice. He tries to undermine **Song Master ELF** by saying that he will need to do better on the H4 Onshore Run on Friday at Cervantes. As usual no one is listening to him! **Screwdriver** says that there will be no power on the beach at Cervantes for **Song Master ELF's** sound system and the only solution will be to fill him up with piss! Somehow that escaped me **Precious** gets the charge and the DD to go along with it!

Popeye entertains us with a joke in the form of a true story about his recent travels up to Port Hedland - something about Pig's ears and crackling! He earns a DD for his efforts.

WOW:

The highlight of the week arrives - or **RA Kazi's** week at least!

RA Kazi starts with an accolade for **Molly Dooker** for being such a caring and helpful person supporting his fellow Runners on the Run. I bet that cost you a few beer tokens **Molly!**

The current **WOW Troppo** is called forward as is **McCockatoo** as the weekly fall back **WOW**.

Troppo says that the winds of change seem to favour members of the Coffee Club and singles out and nominates **MauSei** and **Rooted** for being MIA at the Coffee Club this morning

Run Report:

XYZ is called upon by **GM Donka** to give a Run Report from the Walking Pack perspective. He reckoned it was a good walk, well marked with some Bush at the start [which the Walking Pack actually missed!]. **XYZ** especially liked the short cut that he did with **GM Donka** and helped him climb over the fence! He gives it 9 schillings out of 10. **Bravefart** takes over commentary for the Runners and regurgitates most of the same but did say that he thought that it was set by someone proficient on a bike! He gave it 8 / 10.

Captain Hook interrupts proceedings once again and is desperate to get his Sports report heard. He talked some gibberish about 056 that made no sense to me. I could only surmise that as he is

a Fremantle Dockers supporter that he was crowing about the West Coast Eagles loss to the Sydney Swans on the weekend! For this he earns another seat on the Ice. **McCockatoo** obviously feels sorry for him and tags him on the Ice.

Next Week's Run:

Anzac Day joint run - **Blank** from Bullsbrook is the Hare on **TUESDAY** 26 April @ Carine Open Space, Carine. Note the 6.30pm start. BYO food but Bullsbrook will provide a drink stop. There will be a raffle and all donations to Legacy. PLEASE ALL WEAR YOUR ANZAC HASH SHIRTS AS A MARK OF RESPECT.

Next week's Van driver:

Blow Job

Hash Lunch:

Munch Master Mel Adjusted announces that the next Hash lunch will be on Friday 6 May 2022 at 12.30pm at Funky Momo's Nepalese restaurant, 604, Albany Highway in Victoria Park. It will be BYO with A\$2 corkage fee. This announcement sets off **Arseholeo** who reckons he will be in Cambodia then and for interrupting earns a seat on the Ice.

Hares Act:

Sheepthrills engages the support of **Song Master ELF** to sing an old Jakarta Hash song "I don't want to join the Army". Needed a wee bit of rehearsal lads but good effort nonetheless.

Song:

Haberdash Precious is called upon to close the circle with what else? "Raise Your Mugs"!
