[Run Report 2260 – Blank from Bullsbrook, ANZAC Day joint run @ Carine Open Space, Carine](#)

Preamble:

A decent gathering of Hashmen from Bullsbrook, Perth, West Coast and Hamersley hashes show up tonight for the revived ANZAC Day run hosted by Bullsbrook this year. The storm clouds were gathering over Carine Open space but by combining all of the Club's RA's resources they ensured that we had a dry run/walk.

Bullsbrook are well established with a couple of open sided tents erected [just in case] linking up with the awning from Hamersley's Van. The raffle tickets in aid of Legacy appear to be selling well.

Blank as the Hare for the Running Pack gave them their run instructions while **Bloo** as the Hare for the Walking pack did the same for the walkers.

Before we set off it was hats off and the Ode was recited and respects paid for those who have served and died for the freedoms that we all enjoy today in Australia. Lest We Forget!

The Run:

The Running pack being mostly runners took off at pace towards Okely Road while the walkers headed towards Beach Road. With 4 Clubs in attendance it was a pretty big Walking pack tonight. My fellow H4 FWB's tonight were **Barrelina** and **DAGS** [showing no evidence of being the second oldest in the Club!] We caught the first FT after crossing Okely Road but soon caught up with the head of the Walking pack as we crossed back into Carine Open space. Approaching North Beach Road we veered left thinking that the trail was going around Carine Lake. It did but it actually turned right to do a longer loop on the Running trail. We persevered and were rewarded when we caught the trail as it came back over the footbridge on North Beach Road and reached the Drink Stop at the Girl Guides Hut car park. From there it was a gentle stroll back around the lake to the run site.

Circle Up & Visitors and Returniks

Visitors:

-

Returniks:

-

Covid Returniks:

- **C-Man** - back at Hash tonight

Thanks to **C-Man** for providing the snacks tonight and the delicious Chilli Con Carne left over from Poorman's Hash in Cervantes.

Covid Report:

- The good news is that there were no new Covid infections reported by Club members this week.

General Business:

Bullsbrook **RA Bloo** assumes control of the circle and calls forward the respective GM's [**Polly** - Perth; **Donka** - Hamersley; **Point** - West Coast and **Alias** - Bullsbrook] for an introductory DD. Surprise, surprise the first interrupter to the proceedings to be given a DD is none other than one of our own - **Voodoo**.

Diesel who is walking around the circle with a little collection jar introduces **Fartin Sphincter** to tell the assembled Hashers that this is for donations for the Gibb Challenge that he and brother **Concorde** and their team are taking part in from 15-19 May 2022. They have already raised A\$30K but happy for more and the proceeds are for providing respite care for really sick children their carers and their families in Broome.

Coops steps into the circle and tells us about the great Poorman's Hash in Cervantes that happened this past weekend. Apparently Goa in India have put their hand up to do a fill in

Interhash 2022 in November 2022. In competition Bunbury Hash has put their hand up to host a Poorman's Hash in Bunbury at the same time. So look out for upcoming flyers for this event in due course.

Charges:

RA Bloo charges **Bullsbrook GM Alias** together with **Ayatollah** for failing to sign their Run book tonight.

C-Man obviously had something to add to this charge but whatever it was got lost by the hubbub around me. However, it seems that it must have been reversed as **C-Man** gets the DD.

Arseholeo attempts to charge **Precious** for leaving a "wet patch" on his seat in the circle last week. **Bravefart** then charges **Arseholeo** for picking on **Precious**, our oldest Club member.

Arseholeo seems to be in favour tonight as Bullsbrook's "cook" charges him with putting magic mushrooms on his barbecue!

The raffle was then drawn and the lucky winner of the hamper of goodies was again none other than our own **DAGS** who promptly put the bottle of whisky on the bar of the Van for the boys.

WOW:

Not tonight. The incumbent **WOW ELF** was MIA anyway.

Run Report:

No formal report made but from what I heard both Runners and Walkers enjoyed it tonight even more so with it being dry! A welcome Drink Stop was icing on the cake.

A good effort by the Hares with the Running pack doing 6.88Km while the Walking pack did 4.2Km. Thanks for hosting ANZAC Day run this year Bullsbrook and kudos to you for a job well done.

Next Week's Run:

Mullaway on Monday 2 May @ Cromer Reserve, Como. Back to the H4 usual 6.00pm start time.

Next week's Van driver:

~~**Ampel**~~ **Rooted** steps into the breach and volunteers at short notice to be substitute Van driver. Good onya **Rooted**.

Hash Lunch:

The next Hash lunch will be on Friday 6 May 2022 at 12.30pm at Funky Momo's Nepalese restaurant, 604, Albany Highway in Victoria Park. It will be BYO with A\$2 corkage fee.

Hares Act:

None tonight

Song:

All four Hashes sang their Club songs and **C-Man** leads the Hamersley one with "Australia's Hash".
