[Run Report 2263 – Popeye @ Wembley Netball Centre, Jolimont](#)

Preamble:

Rooted is our car pool driver tonight and we have a full car load tonight with **GM Donka**. **HardCase** and **SOD** on board. All goes well as we drive down West Coast Highway and onto Oceanic Drive. Helpful as ever the chief navigator **HardCase** tells **Rooted** to turn onto Salvado Road to avoid heavy traffic but got caught out with a turn left only arrow on Selby Street. He blames Google Maps but that does not fly and **Rooted** regains control and takes us on a tour via the Cambridge Street shopping precinct! On arriving at the Run site **Rooted** turns right at the netball courts car park to where he said **Popeye** told him at the Bridges Hash on Thursday where the Van was going to be parked at the end of the car park nearest Hay street. A short tour of the car park then ensues until we find the Hare at the other end of the car park nearest Salvado Road!

The Run:

The Hare **Popeye** mounts the crate while the rest of us dodge the cars turning just where the Van is parked. He obviously picked the busiest end of the car park as the south side near Hay Street had no turning area. Mmm!

There is a Runners Run and a Walkers "Run" and there will be a Drink Stop says **Popeye**. Off we all head in an easterly direction into the burbs of Wembley. The FWB's quickly form up tonight and **Spud** seems to have lost none of his fitness tonight as he teams up with C-Man at the head of our small pack. **Barralina**, **Edd** and **HardCase** make up the other FWB's tonight. Off we head over Mabel Talbot park and cross over Jersey Street into Subiaco. Weaving through the streets we enter Subiaco Common and blow me down we reach the Drink Stop after only walking 1.3Km! The Runners got there just behind us and it must be the shortest trail to a Drink Stop this year if ever! [It was close to **Popeye's** house so he did not have to cart the drinks far!. We

got there so early that **Popeye's** little helpers **Flasher** and **Stupid** were behind the 8 ball filling the paper cups for us all. A quick Club song was sung and then we headed off together and almost missed a Runners/Walkers split had it not been for the sharp eyed **Rooted**. Heading south now past the McDonald's on Hay Street and a right turn at Halesworth road and home. However, the FWB's **C-Man/Spud/Edd/Barrelina/HardCase & Rooted** felt like they had to do a longer loop around the Wembley Sports Park to make the walk a half decent length. In the end it was pretty short at 3.5Km. The Runners seemed to have a better trail and did 6.23Km.

Circle Up & Visitors and Returniks

Visitors:

None Tonight

Returniks:

- **Flasher** - been over in the Gold Coast and been running with Hashes there
- **Dik Van** - been busy at work catching up after his bout of Covid
- **Spud** - been on holiday and having health check ups but all's well
- **Mac the Mouth** - been away awhile but only missed the GM and On Sec!
- **Blow Job** - had a cold last week and slept in the week before
- **Edd** - been in prison - well actually working up North
- **Pumpkin** - back tonight to support my mate **Popeye**

Special mention and DD's were awarded to the Covid survivors **Bravefart/Sir Kumsize/Precious/GM Donka**. **Dik Van** and **Edd** already had their DD's as Returniks.

General Business:

Wimpy was first on the Ice for insubordination but **GM Donka** being in a munificent mood relegates him to the Elf on the Shelf seat instead.

Rooted is beaten to the punch tonight in his role as "those who must be seated" spokesperson by **GM Donka** delivering his own wee joke. **Rooted** has already lined up two stand-ins tonight - first **Dingo** delivers a yarn about democracy then **Mase** has a little story on the little people - no not the leprechauns but **Flasher**, **ELF** and **Spud!**

McSupir [supir is the name for driver in the Indonesian language] not to be upstaged by **Dingo** reminds us not to forget to vote on Saturday at the Federal Election. Remember the poor people who have voted for Labour for 70 years are still poor!

Haberdash Precious calls in new Member **Edd** and presents him with his Hamersley freebies and tells him that he will need the yellow hat back once he gains a real Hash name for embroidery. Returner **Spud** announces that spurred by the likes of **Squirt** [Spotted Dick] and **SScraper** [Redundant Dick] he will look at organising another Rotto in Bali in November just before the AGM. He needs about 11 of us to make it worthwhile so please contact **Spud** directly if you are up for this.

Taking advantage of **Spud** being in the circle, **Wimpy** then presents him with his own "run out" banner - a purple banner, no not a Fremantle Dockers one, but one that seems to have been nicked from a Lions Club!

Charges:

First up is **Wimpy** charging **Flasher** who is MIA [gone to pick up the food!] so lookalike **SOD** takes his place in the circle. At the Friday the 13th Hash lunch last Friday Flasher was caught short changing on his round by buying pony's instead of pints!

While **SOD** is receiving one DD **Precious** charges **Flasher** that is stand-in **SOD** for being disrespectful and not removing his hat during the signing of the Club song at the Drink Stop. So **SOD** receives another DD - maybe his Hash name could be Poor Sod!

C-Man then charges **Stupid** in the Hare **Popeye's** absence [yes you guessed it - gone to pick up the food!] for arranging to park the Van in such a "stupid" location. Piccadilly Circus would have had less traffic! There was also a charge of slow piss pouring at the Drink Stop and **Popeye** and **Flasher** returned just in time to take the DD's for that fiasco.

Molly Dooker tries to charge **Precious** for him wining the auction last week of a jacket that is too big for him and has 2 arms! His fellow Joint Master **SScraper** saves the day by taking ownership of said jacket and the charge is proven. DD to **Precious**.

A bleeding **MauSei**, who had been waiting for **Popeye** to return charges him with having his run at a dangerous site where he walked under a tree and was hit by a branch. However, the blood was revealed to be tomato sauce so the charge was reversed. DD **MauSei**.

C-Man who is hanging out with **Bravefart** and **McSupir** tonight catches a dose of verbal diarrhoea and earns the wrath of **GM Donka** who has him seated on the Elf on a Shelf seat. He is quickly replaced by **Bravefart** himself and then **McSupir** takes the only remaining seat - the Ice!

Coops charges the Hare **Popeye** for parking the Van in the most awkward and traffic congested spot in the car park. **Barrelina** says that whoever drew the inner circle has some culpability towards this situation. **Bravefart** reckons that **Popeye** is smart [not as smart as the self proclaimed smartest man in hash of course!] as he has invested in the shares of Alliance Rim Repairs and stands to cash in this week. DD to **Popeye**!

Stir reckons that some Members are born more equal than others [welcome to the real world!] and charges his cousin **Mac the Mouth**. While some are seated on A\$10 seats from Bunnings **Mac the Mouth** turns up with his top of the range Myer chair ensemble and wearing his Dr Marten's boots for the very ostentatious look. **McSupir** can't control himself and picks up **Mac the Mouth's** chair while he is defending the charge and hurls it into the bushes. If that was not a WOW nomination then I don't know what is but it was completely ignored by **RA Kazi**.

WOW:

RA Kazi takes control of the circle [really - you could have fooled me!]. He says that there were 11 Runners tonight but only 7 finishers and denigrates the effort of **GM Donka** tonight making no allowance for his shoulder injury! I'm not sure how you got away with that one **Kazi**!

Precious as the reigning WOW is called forward. **RA Kazi** tells us that he had to remind **Precious** to wear the WOW shirt tonight before the run. It seems that **RA Kazi** is not in a forgiving mood tonight and is making no concessions to our oldest Member.

Precious's nominations are:-

- **Mother** - trying to tell Haberdash how to run his affairs
- **Popeye** - dangerous run site
- **Mac the Mouth** - for getting upset about his chair being thrown into the bushes

Other nominations were **Bravefart** on **Precious** for not bringing the red Hoodies to Hash as his mate **Pole Polisher** is freezing in the circle.

Sir Kumsize on **Flasher** for buying pony's instead of pints for his round at the Friday the 13th Hash lunch on Friday. It was also reported that **Flasher** was wearing the wrong coloured shirt at the lunch. **C-Man**, **Wimpy** and **Spud** also nominate **Flasher** for other misdemeanours at the Hash lunch event.

With so many nominations of one single person tonight **RA Kazi** has little option but to award the WOW shirt to **Flasher**. DD's to outgoing [**Precious**] and incoming [**Flasher**] WOW's.

Run Report:

Bravefart gives the Run report this week and says that it was a good run albeit a bit short. He is hoping for good food so gives it 8 / 10 but forgets to deduct for the dangerous run site.

Next Week's Run:

Tropo at Penistone Park, Greenwood.

Next week's Van driver:

SScraper as stand-in for **Captain Hook**

Hash Lunch:

Flasher is invited to give a report on the special Friday the 13th Hash lunch. He says that he can't remember much but that it was a lovely lunch and the après lunch entertainment was OK too.

Hares Act:

Popeye has recruited fill-in reluctant Co-Hare **Stupid** as narrator to a game of charades, while his "two mates" **Bravefart** and **McSupir** hold **Popeye's** dirty bedsheet as a makeshift curtain. DD's to the Hare **Popeye** and his two helpers **Flasher** and **Stupid**.

Song:

Swallow is invited to close the circle with the Club song and chooses "Australia's Hash".
