[Run Report 2266 – Blow Job, Palace Run @ Frankin's Tavern, East Victoria Park](#)

Preamble:

76 brave Hash souls rock up at the annual Palace Run at Franklins pub in East Vic Park. Lot of history here thru the Palace Hotel, Rigby's and now at the new home at Franklins in Vic Park.... That story for another day.

Got to be noted that the proprietor of this fine drinking establishment had not been forewarned of 70+ Hashmen descending on his pub...Not a committee issue seems his staff forgot to tell him.

22 MOH were in attendance. With a good spread of attendees from the Perth hash community SOP, Freo, Mandurah, Crankers, Rocky City, Bridges & Perth Harriette's

The Run:

GM Donka invites Hare **Blowjob** to mount the crate. BJ tells us this is going to be an extreme run more than 10K's all uphill in one of Perth's flattest suburbs.

Pack headed out south on Albany Hwy into a clockwise loop heading back over Shepperton Rd Passing the Batavia Indonesian café where tonight's Ayam was having their heads and guts surgically removed. The check around here had the FRB's confused for a bit but trail was eventually found. This FRW did not have the same problems. The normal suspects i.e. **HardCase** and **C-Man** had their butts parked on chairs at home (Covid protocols) and at Franklin's. The run proceeded northwards to Mint St finding 2 of the 5 false trails then heading east to the railway line at Bank street heading south past Carlisle station to another lengthy FT at Mill St then looping back on-in to Franklins pub. **Bravefart** recorded 9.2 kms for the runners, with a guesstimate of 5.5 kms for the walker's trail

This stand in scribe was late on the trail due to collecting the food \$\$ my stroll was with a late arriving topless Harriette.

Circle Up & Visitors and Returniks

No visitors or returnicks callout this week, replaced with Palace VIRGIN runners. A count of 7 including 3 young guns from SOP who seriously got the attention of the Cougars "read Harriette's" McTaff and UM Betty Boop from Cairns/Adelaide hash, no name Ben and Hydrant.

Covid Report:

Those members unlucky to be afflicted by the Covid virus this week are:-

Rooted - I am OK, a bit of a cough still persisting but feeling lethargic.

Mel Adjusted - I just feel like I have had a head cold. My cough is mostly gone, throat has stopped feeling like razor blades. Nose is drying up. If it wasn't for Co-Vid I would have said I just had a cold.

Screwdriver - Both Buttless and I are fully recovered and out of isolation and heading up North for more holidays!

Mase - It's day 6 and I'm feeling much better today.

HardCase - It gave me a good going over and I felt really unwell for a couple of days. I was really surprised considering I have had my second booster jab. Should be back in the On-Sec saddle next week.

First Offence - I'm pretty good now. I've had a sore throat coming and going and a bit of a runny nose but that's all.

Molly Dooker - I haven't been this sick for a long while, headache, body pains, hot and cold sweats, swallowing razor blades etc. Awful stuff but I'm on the mend now.

General Business:

GM Donka invited Covid survivors into the circle, for cure all ills down down followed by DD's for those who have dodged the Covid bullet. Final call for those that want to catch Covid. Surprisingly this did not get much of a response.

In Celebration of Betty's Platinum Jubilee (the old girl who hangs out at a big old house in London town) Queens were called into the circle in recognition Cheapy representing the Harriette's, with **Baron** from Hamersley. DD's for the Queens.

McCookie took centre stage with a tale of matrimonial reconciliation on the royal's theme with reference to Charles and Camilla where neither identified as #!%#suckers.

Harriette's GM Cheapy offered a big thanks for the efforts of the other clubs in hastily organising runs to replace the traditional Blue Dress Run. Pleased to report funds raised were greater than previous years.

Charges:

Meatman SOP on Grinder and Fluff no knickers on the train journey to the run, seems there was a bunch of seat squirming to provide a better view

Spud on Tampon Rocky City Not attending the circle reversed for some reason Then Tampon sat on the cold stuff

Betty Boop on Puddles, seems the trail did not pass by Bunnings something to do with a new washing Machine. WM's will make sense to the ex-Indonesian Hash crew. Someone suggested these are available at K-Mart, **McCookie** asked to be enlightened as to what is available at K-mart, seems he's never had the occasion to visit.

Poor old **Precious** was singled out as being the oldest GM in the world He claims his last Birthday was his 65th!

WOW:

Not this week carry over from last week and the previous week.

Run Report:

GM **Donka** elected not to, or forgot about, the run report this week. Much to **BJ's** disappointment! The power of the keyboard invested in me as the stand in scribe gives the run/walk a 9.5/10.

Many thanks to Dynamo and our On-sec for organising the rations Chicken Ayam and Rice Nasty Putin from the Batavia ~~Russian~~ Indonesian restaurant, this was provided in environmentally friendly non -explosive packaging.

Ice:

Too many including **C-man**, Betty Bop Cairns / Adelaide H3, Cheapy Perth Harriette's GM, **Arseholeo**, Baboon Rocky City, **Blowjob**.

Next Week's Run:

Sir Kumsie & Bravefart Tennis Club, Lamana Road, Nollamara.

Next week's Van driver:
