## [Run Report 2267 – Sir Kumsize and Bravefart @ Des Penman Reserve, Nollamara](#)

### Preamble:

A good turnout of 41 MOH tonight at the tennis pavilion in Des Penman Reserve. I was the driver of our car pool tonight and had **GM Donka** and now named **Simba** as passengers and **RooTed** had opted to drive himself as he wanted to go home quickly after the circle. Probably a good call **RooTed** considering the wee medical episode I had after the circle! Luckily, I recovered well enough to drive my passenger's home much to the relief of **GM Donka** who thought he would have to drive and had a cold sweat when he realised how many VB's and EE's he had drunk!

### The Run:

The Hare **Sir Kumsize** delegates to his lacky, sorry co-Hare, **Bravefart** to deliver the run instructions. **Bravefart** says that there will be a Walker split and that there will be a Drink Stop and you should know where it is - very cleverly setting up 10 of the Walkers to end up at a dark and closed **Sir Kumsize** house!

Off we go but I'm still feeling the effects of Covid and am way off my usual pace tonight. FWB's tonight were headed by **C-Man** and newly named member **Drippy** while I was with **Spud**, until he found 3<sup>rd</sup> gear, and **Barrelina** with **Baron** close on our heels. I was surprised how **C-Man** managed to keep ahead of us all with a few cute short cuts and then knew the answer when I caught up with him and he had a map given to him by the Hare! Somehow I managed to catch up with tail end Runner **Voodoo** just before **Pole Polisher** standing at the Walkers split showed us where the Walkers trail went. Both **Voodoo** and I avoided the first FT after the split but **Voodoo** didn't miss the second one. That's when I caught up with **C-Man** and **Drippy** who with their inside knowledge took me to the Drink Stop just over the Oval from the run site. As my Strava app was on the blink I estimated that I did about 3.8Km on the Walkers trail and based on the arrival time of the Runner's at the drink stop I reckon they did between 7 & 8 Km.

## Circle Up & Visitors and Returniks

### Visitors:

- **White Pointer** from Friday Hash - actually he is RA of Friday Hash

### Returniks:

A real gaggle of Returniks tonight.

- **DAGS** - looking after *Close to Me*.
- **Boof** - fishing, rooting and drinking
- **Boxy** - banged up in Brisbane
- **Rads** - just the fishing bit
- **Simba** - been crook as a dog
- **Drippy** - went to work for the first time this year
- **Disgraceful** - recovering from Covid
- **Halfway** - had all the roots
- **Delicate** - been avoiding Covid

### Covid Report:

No member was reported infected this week. It's a miracle! Hallelujah!

### General Business:

**GM Donka** tries to get proceedings going with a fridge [not a frigid] joke and it was probably just as well he did as **RooTed's** effort on behalf of the seated members was a fair way short of his best. Methinks you need a new joke book **RooTed**!

The disruptions had already started and first we had **Mental Disorder** on Ice for allowing his dog to be seated before the joke had been told and he was quickly followed by **McAffluent** for interrupting **GM Donka**. Then before you could say "buy us a beer" **Mental Disorder** was back on Ice for his disrupting influence.

**McAffluent** talked about the rising cost of living in Perth and particularly power bills. He then tells us that the pain will get worse as he has recently been appointed to the board of director's of Western Power and the power bills will continue to rise to pay for his director's fees! He lived up to his name though and put on a carton for the members.

**GM Donka** announced it was a special night tonight being his 444 Run and he was going to have 4 beers. Methinks you had a few more than that!

**Shit Scraper** tells us about the special runs being organised in Chiang Mai after Hamersley's AGM and the Indochina Mekong hash event in Cambodia. See him if you are interested in joining.

Guess who the next disrupter was? None other than **RA Kazi** and **GM Donka** had no hesitation in putting him on Ice!

**Mental Disorder** advised that a former GM of Chiang Mai Hash, **Liberace**, had passed away this week and he was one who our own **Dingo** had named when he was GM of Chiang Mai Hash.

In between the noise being created everywhere **Barrelina** managed to entertain us with one of his classic jokes.

**GM Donka** obviously usurping [new word look it up in the dictionary!] the authority of **RA Kazi** takes the lead in the naming of new member Richie. With a link of him being born in Africa he gives him the name of **Simba**. After his party piece in the circle I would have thought that a better name for him would have been **Simba Balls!** Then, **Haberdash Precious** takes advantage of this focus on him to give him his welcome to Hamersley pack of freebies.

**Historian Rooted** then enters the circle and says that **Precious** was due for his 40 year Hat about 6 weeks ago but opted to have it presented tonight.

Now every man and his dog are clamouring over themselves to say a few words about **Precious** and they are mostly about his misdemeanours!

- **Arseholeo** - in a beer garden at Kuching Interhash calls out "hey **Precious** do you want a pint!
- **RooTed** - at Bridges Hash when he needed to provide food he asked where the nearest Subway was and was told - West Perth!
- **Popeye** - in the UK taking the train to Bristol instead of Brighton!
- **RooTed** - at home getting on Indian Pacific train to Kalgoorlie instead of the one to Midland!
- **RooTed** - taking aim at a car driver on a man in Nairobi with his finger as a gun and then being pointed at with a real gun!
- **Spud** - Rotto in Bali trip held up at immigration with a water damaged phot in his passport but being allowed to travel with no guarantee that he would be allowed to enter Bali!
- **Wimpy** - introducing him to the fish bowls of Bangkok
- **Popeye** - ladder causing chaos on the Freeway on the way to the Hash!

**Popeye** is given the honour of reciting the Ode to Hat even though he was not wearing his own 40 year Hat! **GM Donka** then presents **Precious** with his 40 Year Hat. Good onya **Precious!**

**C-Man** taking the lead from **GM Donka** and again usurping [I hope you have looked it up in the dictionary as I told you] **RA Kazi's** authority wants to give his mate Edd a Hash name. He was brought to Hash by **C-Man** on one of **Bravefart's** "bring a mate night" and pumps iron for Rio Tinto but is a plumber by trade. **C-Man** then suggest a Hash name of **Drippy** and no one says a word [where were you **Kazi?**] so that becomes his name a fait accompli [another one for you to lookup in the dictionary!]. I would have thought a better Hash name for Edd would have been **Drippy Dick** but then again who am I?

### Charges:

**Bravefart** charges **Squirt** for being the ring leader in leading 9 other members astray to the wrong Drink Stop location. **Squirt** maintains that he wasn't and anyway could not hear **Bravefart** give run instructions at the start of the run as he was at his Hash Splash post in the Van. The other members of the "lost brigade" join him for a DD.

**Halfway** charges **Tampax** for yawning as he seemed bored but then thinks that he was yawning like a Lion so passes the charge onto **Simba** who is given the DD.

**Halfway** is on a roll and then charges **Drippy** who having been a member since February still does not know that a DD is drunk after the song is sung. DD to **Drippy**.

**Haberdash Precious** then disrupts the Charges by handing out new Hoodies for those that had ordered them. It appears that none of them have paid for these and Precious asked me to include in the Rag that he wants you all to pay him A\$40 for each of this at the Run next week.

### WOW:

**Precious** puts paid to the Charges with his Hoodie bazaar and then **RA Kazi** mounts the crate and calls in two of the three incumbent WOW - namely **McAffluent** and **Bravefart** and asks if they have any nominations.

**McAffluent** nominates **Boof** for lingering at a FT by taking his jacket off and causing **GM Donka** to get caught by the FT.

**Bravefart's** deception with the Drink Stop location hint at the beginning of the run has worked a treat and he duly charges all 10 of the Walking Pack who ended up at **Sir Kumsizes's** house thinking that was where the Drink Stop was. There is a lesson to be learned here - follow the trail!

**RA Kazi** in his usual decisive self reckons that none other than the leader of the "pack that went astray" is this week's WOW. DD's to the outgoing and incoming WOW.

### Run Report:

**Replicar** is called forward to do the Run Report and he immediately informs us that he doesn't like Pumpkin soup that was served as a snack by the Hare just after we returned from the Run. He reckoned that he knew the area but then discovered that he didn't really! He still reckoned it was an excellent run and awarded it  $9\frac{1}{2}$  / 10.

### Next Week's Run:

**Duffy & C-Man** - Roselea Shopping Centre, Balcatta.

### Next week's Van driver:

**Coops**

### Hash Lunch:

Post circle report was that there were 6 - 8 members + **Diesel** who attended the last Hash Lunch on 3 June 2022 and apparently **Ampol** picked up the bill for all of them as it was his 70<sup>th</sup> birthday. A carton is waiting for you on ice in the Van for the members to help you celebrate upon your next appearance on the Hash **Ampol!**

Next Hash Lunch TBA.

### Hares Act:

**Sir Kumsize** and **Bravefart** conducted a quiz with beer tokens as the prize for correct answers. The theme was Scottish Inventors are there quite a few of them. As usual no one listened to the instructions to put their hands up instead of shouting out the answer so the normal mayhem ensued. Good effort on the part of the Hares it was just a pity that the circle was disintegrating by this stage in the proceedings!

### Song:

Newly named members **Simba** and **Drippy** were called forward to sing the closing song and prompted by the GM "Raise Your Mugs" was sung with much gusto. Need to learn the words of a couple of Hash songs lads - there in the H4 annual that you were given as part of your welcome pack!
