[Run Report 2270 – Screwdriver and RADS @ Lee Palace, Palmyra](#)

Preamble:

34 MOH [Men of Hamersley] plus the **GM Donka** gathered for the Annual RestauRant run at the Lee Palace. We are reliably informed this is the twenty-turd edition. Our hares had skilfully negotiated a cost reduction (bargaining with a China man is never easy) resulting in the gold coins no longer being required \$10 rather than the \$12 that had been published in the rag. Net results more rice...less chicken and no ice cream.

The Hare **Screwy** takes to the crate to give us run directions there is runners and walking trails. The fat lazy bastards being advised of a downhill short stroll to the Drink Stop on Palin Street

The Run:

Walk details provided by **Mel Adjusted**, the stand in scribe took the fat bastard option having been delayed collecting the \$\$ to pay the China man.

Run headed East along Canning highway to a false trail, back down Waddell Rd with false trails & checks. Right into Hammad St, Right into

Weld Rd. Right into Boyd St, left into Murray Rd to the drink stop. Onto canning Highway on Home up a well paved mountain pass to Lee Palace Restaurant.

Thanks Mel.

For the runners see the Strava map

Approximate distance to the closest centimetre was 5Km for the FWB's and 8 Km for the Runners

Circle Up & Visitors/Retuniks:

GM promises a short and 2 the point circle tonight. Nosebag time is 8pm sharp.

Roo-Ted called forward to provide justification for the invalids to be seated. Launches into a 2-page long history story from circa 1296 Edward Longshanks diatribe where 2 English defeated 4000 alcoholic Scotsman. The GM was none too impressed. Fortunately, **Donka** will be MIA for the next 7 weeks so retribution will not be immediate.

Returniks tonight were:-

- **Assassin** – Returned to Hamersley finally leaving the seal bashing canuks after 6 very long freezing years (Return of the Assassin) am sure Hollywood can do something with this. Welcome back **Assassin**.

General Business:

C-man reports a leaky back-end that is spewing high priced crude oil onto the driveway at Chateau **Coops**, OPEC are aware and will discuss this issue at there next meeting. Expect a further increase in the price of fuel as a consequence.

Molly Dooker will be the house-sitting guardian at the GM's abode for the coming weeks. Invites for the house party will be issued as soon as **Donka** vanishes northwards. Plan is to paint the house red. **Halfway** entertained us with a ditty about his 12" appendage.

Charges:

C-man on the GM for not following the directions to the run site, his cruiser was noted a couple of Ks south of the run site. **Donka** blamed this on his navigator who is an ex-resident of the area a couple of centuries ago, seems **Roo** was on substance induced nostalgia trip.

C-man also charged the stand in Scribe for lack of navigation skills to the run site. Fellow car pool member **Boxy** confirmed that it was in fact the big fat guy who was providing the direction. Both charges reversed DD **C-man**.

Spud noted that both our On-sec and **McCookie** were both absent tonight, suggesting a ménage à trois with **ELF** as the "non-vegan" meat in the sandwich

Molly Dooker on **Stir** for ordering his food before the GM at the hash lunch last Friday. **Stir** countered this stating that he has been appointed the designated Hamersley food taster thereby ensuring that the GM does not get poisoned. DD to **Molly Dooker**

Mel Adjusted was charged for lack of compliance in booking the hash lunch at a Vegan/vegetarian Establishment. Seems Reconstituted Tofu lamb chops were not the favoured fare. DD **Mel Adjusted**.

Wimpy on **Kazi** for declining the offer of free Guinness at Fibber McGee's after hash lunch. **Kazi** countered that the invite was dependant on **Kazi** footing the bill

Mental Disorder on **Wimpy** for asking Mental's UM to get him free entry into a Harriet function with free drinks DD **Wimpy** tight bastard.

WOW:

Bit of a longish drawn-out discussion tonight, **RA Kazi** attempted to takes his place on the crate but was denied access. **GM Donka**, request he expose himself (Cleary he was comfortable doing this suggests this is not the first time). With proof that the wanker shirt was making contact with flesh. **Kazi** was advised to leave the shirt where it was.... Carry over. Lesson learned on the folly of trying to have the hallowed garment on the GM's back.

Run Report:

Troppo delivers this week's Run report. He reckons this was an excellent run well marked lots of arrows with a well-positioned drink stop located at the bottom of the mountain that represented the in-trail. Those who actually followed the trail had a wholly different opinion

Troppo gave the run a 9.9/10, Not considering the food could potentially be consistent or have the consistency befitting the twenty turd edition.

Ice:

frozen water, a brittle transparent crystalline solid..... Source Wikipedia

Next Week's Run:

McCookie and Bravehart, Maylands Lord Street CCP. Voodoo celebrating 1100 runs and Screwdriver 25 years.

Next week's Van driver:

Disgraceful

Hash Lunch:

Next Hash Lunch location is TBA by Mel Adjusted lot of concern being expressed on his lack of rec'ing of nose bag establishments. refer comments in charges section

Hares Act:

Mr Wong Screw and Twiggy Forest took front stage to discuss Bilateral s\$%t between China and the USA (is it July 4th) dum dum dum dum. Shaghai is offering to assist USA based ums in bypassing abortion legislation, offering free travel and surgery. Only caveat being they have to stay on in China supporting the primary industry of massage parlours providing happy ending services. Twiggy has gracefully agreed to fund this venture using ill gained funds from his rape and pillage activities here in the homeland.

Good job guys.

Dinner at the Lee Palace was a fine gastronomic affair. With 5 dishes including Fried rice, steamed rice, boiled rice and copious amounts of non-vegan dead animals. The Broccoli and carrots were heard to let out a shriek when impaled on chopsticks. Well done to the organising hares and the wok handlers. As was the case in previous years the dinner was subsidised by Hamersley H4.

Song:

Returnik **Assassin** is called forward to sing the closing hash song and proves that he still has memory function with a rendition of "Raise Your Mugs".
