[Run Report 2271 – The “real” Cookie @ Royal Street, East Perth](#)

Preamble:

This week's stand in scribe's car pool arrived at the car park with 15 min to spare.

45 MOH for tonight's run which is brought to you by **Cookie** and **Bravefart**

First thing, **McCooky** comes up to the scribe and asks for the exact number of hashers tonight, he says it is important so he will know exactly how many burgers to cook. I think he is learning from Rads.

Voodoo is called up for the first of 11 down downs, followed quickly by DD #2

Cookie is called to the crate for the run directions. There is a split with a runners and a walker's trail, and 2 drink stops.... (Me thinks 1 is a water fountain)

DD#3 for **Voodoo**.

The Run:

From CCP carpark the pack headed east towards central TAFE then North and over the Claisebrook station bridge, flowing the farmer fwy and through the pedestrian underpass staying on the bike/walking path to the river. Right along the river into Claisebrook cove following Claise brook, up Eastbrook tce,

royal st, and down Bennet st onto the drink stop in Welling sq park. (Moort-ak Waadiny) as the locals told us.

DD # 4 for **Voodoo**

After a hearty rendition of Raise your Mugs, the pack headed home with just a short stroll to the van and a welcome beer.

4K for the walkers and 45 min.

Circle Up & Visitors/Returniks:

Visitors:-

- Former member **GDC** [**Voodoo's** only mate!]
- **White Pointer** – Friday Hash's RA

Returniks:-

- **Fartin Sphincter**

DD # 5 for **Voodoo**

General Business:

AssAssin comes forward for the seated community with a repose from last week's epic story of Edward Longshanks. This time it was an even bigger epic tale of William Wallace (Bravefart to us non scotch) **HardCase edit** – the film was Braveheart and it was a discredit to Scotland's greatest hero!

Unfortunately/fortunately, the scribes pen ran out of ink and in the panic to replace the pen the story was lost. Needless to say, the GM didn't laugh as loud as the circle.

MauSei on **McCooky** for something that got lost in the ether.

McStir reminding us of the Chang Mai bunny run 23 Nov this year, currently \$900 return will get you there and back, lots of hash clubs so lots of quality running.

Screwy on "No Goa", 131 days away in sunny Bunbury

Also 305 days to wait till Darwin Nash Hash (12 May) DD for **Screwy**

Mel Adjusted tells us Mr Potato Head has gone and married a Thai rice cooker and is now living in Thailand.

Wimpy seems confused as I think he is trying to charge **McCooky** during **GB**, **The Cook** who was sat high in the uppermost echelons of the stadium was ignoring lower class Collingwood supporting hashers at the Collingwood/West Coast game at Optus stadium this weekend

Charges:

BJ on **McCooky the Cook** for only supplying 2 lettuce for dinner to feed all the hashers

Kazi on the **McCooky**, walking with lettuce and cops stop him.... something about a Collie but **Kazi** Fcuked it up DD **Kazi**, **McStir** suggests we should Tattoo the wanker shirt logo onto **Kazi**

S/Scrapper returns us to **GB** saying we need a van driver to fill a spot.

Voodoo # 7 of 11 to the song "in Holland there is no beer", straight onto # 8 and 9 with the help of his mate **GDC**

Stir on **McCooky**, if he is so smart why are the burgers still frozen? DD **McCooky**

Voodoo 10 of 11

Screwy on **Cookie**, for trying to choke us all with huge slabs of cheese, apparently due to a lack of available resources **Molly** is his only helper, and so he is to blame as he only has one hand to wield the knife....DD **Molly Dooker**.

Boof complains that after 10 years as **McCooky's** co-hare he has been made redundant...and gets the (much) younger **Bravefart** as co-hare DD **McCooky**

Voodoo 11 of 11 and **GM Donka** gives the floor to the circle for a word about **Voodoo**, **GDC** comes forward to say he is like a second father and proud of him [how much did that cost you **Voodoo!**] , **Sir Kumsize** was pleased when in Brussels **Voodoo** serviced.. I mean took care of **DJ** for him...

Troppo has a song... you can bring **Squirt**, you can bring **ELF** but don't bring **Voodoo**

Screwy is up for a 25-year hat and puts on a carton for the lads. Always did like him 😊 get some runs up!!!!

Spud tells us a story of **Screwy** in Langkawi. **Stir** about some broken ribs in Kuching, **BJ** about a broken ankle with Freo hash, big thanks from **Wimpy** for all the organising he does, and **Troppo** for his great efforts with Hash acts. **Coops** reads us the Ode to the Hamersley Hat.

WOW:

Kazi as incoming Wanker brings out **Coops**, **Mel Adjusted** and **Mullet**, **Wimpy** on **Baron** for holding up the train by falling on the line after Hash lunch.

The esteemed **GM Donka** decides that **Kazi** is the carry over....DD **Kazi**

Run Report:

Troppo comes forward, good run, nice area and sights, Optus stadium, Matagarup Matagarup bridge, drink stop, Gourmet burgers, 2 lettuces to share. 9/10

No ice this week, **GM** is in a good mood as he will be in Broome for the next 6 weeks.

Next Week's Run:

Wimpy - Football run, Noranda footy club, bring a jersey, and bowl and spoon.

Next week's Van driver:

Simba – **GM Donka's** substitute – he owes you son!

Hash Lunch:

Next Hash Lunch location is TBA by **Mel Adjusted**

Hares Act:

A few short lines. Best of which:

Little Johnny asks his mum, "why are wedding dresses white" Son this shows our friends and neighbours that the bride is pure.

Little Johnny checks this with his father and asks the same question. Dad looks at little Johnny and says look son, all household appliances come in white...

With that **Short Horn** closes the circle with Raise your mugs.

Song:

Short Horn closes the circle with "Raise your Mugs". [the most favoured song in Hamersley Hash history!].

Upcoming Achievers:

- **MauSei** – 600 Runs
- **Assassin** – 20 year Hat
