General Business:

Roo's joke for the cripples,

I took my grandson out for his first pint. I got him a Fosters, he didn't like it. I had it. Then I got him a Corona, he didn't like it, I had it. It was the same with the Guinness & Cider. By the time we got down to the whisky, I could hardly push the pram.

Sports report by **AssAssin**:- Ice hockey finished 7 months ago. The Toronto Blue Jays are winning. The Poms beat the Aussies in Rugby, The Irish beat the Kiwis in Rugby. An Aussie won the British Open.

MauSei 5 of 6, 6 of 6. Badge presented.

Spud is worried the great H4 is fucked the GM is gone, the OnSec is gone, the Cash is gone. That leaves the highest committee member is **Kazi**.

Screwdriver announced that SOP is having a celebration of 2100 runs. FH6 2023 1000 run celebration. Screw put a carton on why I missed. Scrapper will put carton on next week for his birthday.

MauSei fraud for celebrating his birthday which is not this week. Found that **Kazi** is driving this week 2 drinks to **MauSei**.

Arseholeo charged **Mental Disorder** something about a ladyboy. Both iced. [On Sec Note:- Methinks that gender reassignment therapy needed for these two members!]

Mel Adjusted charged **Arseholeo** for reckless driving on the way to the Hash, & **Mental Disorder** for crap navigation.

Screwy, Rads, Assassin, BJ, Arseholeo, for getting lost on the way to the run.

Rooted on **MauSei** just to get him to chunder stage for the drive home **MauSei** 10 of 10.
