Run Report 2273 – Baron @ Dianella Open Space, Dianella

Preamble:

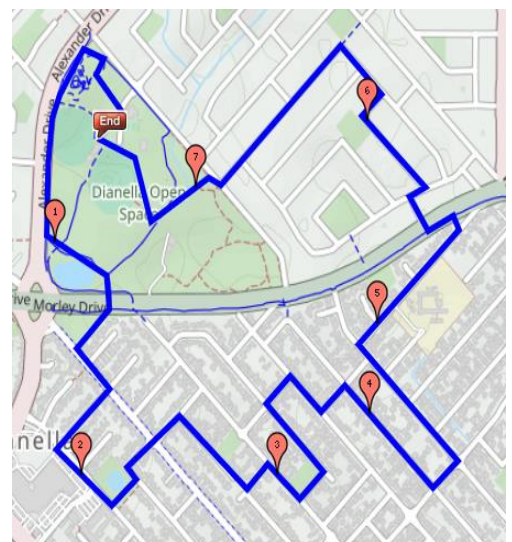

No GM, no On Sec, no RA. Well, the mighty H4 will survive, plenty of volunteers to help. Six O'clock stand in RA **Barralina** starts rounding the members for the pre run chalk talk. Not an easy job but **Barra** perseveres. Stand in GM **Sir Kumsize** mounts the crate gingerly & calls to order. **Baron** tells the crowd there is plenty of chalk & flour, there is a walker's deviation. F*#ck off that way. Walkers hold back for a short cut.

31 MOH tonight.

The Run:

Approx. 7.5 Km for the runners. 5 Km for the walkers.

The runners set off to Edison Way through the bush trails to Light St left on to Alexander Drv, back into Dianella Open space then across Morley Drv onto a path to The Strand, right into Pitt St, Left onto Waverley St Left through Waverly Reserve. Onto Pola St, across The Strand into Conto Ave. Right onto Malton Court, to a path to Leeds St, left to a path to Lennard St right on Jeffery Rd. Mau Sei on **ELF**, dereliction of duty, apparently **ELF** was back from the UK in time to come to Hamersley last Monday & didn't show up. Found recently in UK & Canada, **ELF & AssAssin** called out as they were the last in those countries.

Delicate charges **C Man** about defacing his H4 hat, crossed out his name Delicate & wrote in Delic*nt.
