Run Report 2243 – Not the Kings Park Run – Matilda Bay

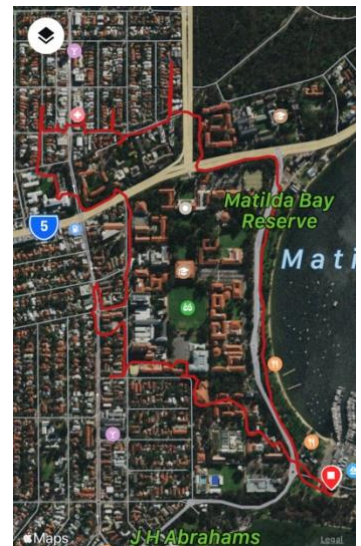

Preamble:

The Annual joint "Not the Kings Park Run" was reasonably well attended by other Clubs considering we were in 4th day of a Heat Wave in Perth. We had 34 MOH stalwarts turn up tonight to enjoy the post Xmas run.

The Run:

The Head Hare, **Screwdriver**, stepped on the crate and advised that he and his co-hares [**Buttless** and **Mr Wong**] had worked tirelessly to lay tonight's run. He tells us that we are mostly on chalk but that there might be some confusing Perth Hash signs in evidence as they apparently had their Xmas Eve run in the same locality! It is mostly a Running trail but with a Walkers shortcut that Co-hare **Buttless** will endeavour to keep the Walking pack on. There will also be a Drink Stop for those who made a gold coin donation!

I set off following the tail of the running pack [**Voodoo** and **Twin Tubs**] and they soon disappeared off in the distance as we meandered

through the grounds of UWA. Confused first by the appearance of **GM Donka** who was on a short cutting mission [I think he needs some coaching on the art of short cutting!] and took us on what turned out to be a long cut. Then further confused by the load of Perth Hash markings that we encountered I found **Tampax** sans bike and with him and my better half **Dynamo** we figured out the tunnel trails and on in trail on Stirling Highway to the Drink Stop.

This short cutting FWB recorded 4.25Km while Bravehart had 6.29Km for the Running pack.

General Business:

C-Man is first up to tell us about Poor Man's Interhash at Cervantes on 22-25 April 2022 and to watch for the current Flyer for this event that has been sent out to Club On Sec's.

Wenchy is next who tells us about the Remembrance party for the sadly departed **Rambling**. It is on Friday 21 January 2022 coinciding with a Friday Hash run and will be at **Screwdriver's** place in Fremantle. All welcome and free drinks and snacks courtesy of **Rambling** who left money in her will for such purpose.

In between times **Gasman** ends up on Ice for disrupting proceedings!

Charges:

Bravefart, as a canny Scot from Glasgow, reckons that we don't all have money to burn and attempts to charge **Swallow** but somehow **Mr Wong** ends upon the Ice for smashing bottles in the Hamersley Recycling Bins costing the club 40 cents!. Getting upset when someone has a go at his accent he tells us the story of **Mr Wong** at Interhash in Hainan who claimed to be a native and ordered all the food in a restaurant and what did they get? Frogs Legs! Anyway none of that made any difference as the charge was reversed. DD **Bravefart**.

Puddles obviously had difficulty with **Bravefart's** accent too as she tried to throw her bottle into the bin and missed! DD to her.

Mental Disorder tries to convince us he was "power walking" with someone and saw Molly Booker from Mirrabooka aka **Molly Dooker** hiding so he could pass some of the walkers at running pace.

Mental Disorder gets the Ice for not knowing the Joint Master's hash name while **Molly Dooker** gets the DD.

Cookie grabs the attention of the circle and tries to reinstate his claim as the Smartest Man in Hash [for the record this claim was thoroughly disproved by **HardCase** many months ago] stating that nobody has been in the hallowed Halls of the state's prime university, UWA, more than he. Up steps **Mr Wong** the Uber driver to stake his claim for this! DD to **Mr Wong**.

WOW:

Not tonight, but it should be noted that both WOW incumbents **Arseholeo** and **Flasher** were wearing their WOW shirts next to their skins.

Run Report:

Rations is asked to do the Run Report and started off calling the trail "shitty" and then all of a sudden it became excellent. Bravefart steps in to give her a hand and says it was a good runners run taking the pack under Stirling Highway pedestrian tunnels and back to the river shore line near the UWA for a top quality Drink Stop. He gives it 8/10 with no addition for the food as it is BYO tonight!

Next Week's Run:

Mental Disorder at Bayswater on TUESDAY 4 January 2022 back to the usual time of 6.00pm.

Next week's Van driver:

C-Man

Hash Lunch:

Next Hash Lunch is at Batavia Corner Indonesian restaurant at 312, Albany Hwy, East Vic Park @ 12,30pm. BYO.

Hares Act:

Not tonight but the traditional Hamersley Hares song was sung in recognition of their efforts tonight.

Songs:

Proceedings closed with each Hash GM being brought into the circle and in turn leading the singing of their own familiar Club song.
