Run Report 2202 – Charles Riley reserve

St Patrick's Day

Preamble: _Crivvens, jings and help ma boab

Bit o' a puir turn oot the day cunsiderin a warm and balmy nicht. I doot a'bodys' over celebrated. Rumour has it that Elf and Squirt give it a good go on Friday – not to mention Concord's efforts over weekend!

The Run:

40 or so MofH lined up awaiting "the call" from the GM. GM C-Man doesn't disappoint and calls the assembled Hamersley Men to order at 6.00 pm prompt. He then calls for the Hare Donka to leap onto the crate and describe what delights the M Of H can expect on the night. Donka obliges and with the grace of a Springbok, springs onto the crate and says wudn'tyenoit, buti'mknackered,

someprickrubbedoutmefuckintrailandi'vejistfinishedresettingthebasturd. So, with trail reset just minutes before, follow chalk and flour and two or tree drink stops, but so knackered, can't remember!

Circle Up & Visitors/Returniks

The **GM** immediately breaks tradition and calls on the **RA – Cookie** to explain himself. The GM says a lot of time and effort went into updating Hamersley's core documents and one in particular, **H4 Cummittee Job Descriptions** was reviewed and edited by **Cookie** himself. Seems the reviewer didn't follow his own script and failed to “**delegate a stand-in in your absence**” the previous week and was given the opportunity to sit on ice and reflect.

Visitors:

Buckley sponsored by **Stir**

Returniks:

Cookie, **Screwdriver**, **Shorthorn** & **DV8**

General Business:

Mullet stands in for **Rooted** and tells a tale of frogs living by a swamp – sitting on Toad Stools.

Rollcall noted that **MauSei** is recovering from ankle op – be back in a couple of weeks, **Mel Adjusted** recovering from double bypass – apparently couldn't find the third back, in 6 to 8 weeks, and **Tampax** hiding in the bushes with Shingles.

Those who were left were allowed to sit.

The **GM** reminded members to crush their empty beer cans as the recycle plant that he goes to, accepts squashed cans. This way we can get more in a barrel.

Bravefart & Boof call up members for “Name and Shame” for those who have not organised to set a run in the current year. There was some commitment on the night so we will see what the result is next week before we Name and shame.

Screwdriver advised that he is still having computer problems. He is now wearing an Anti virus necklace next to his Necktop computer which has helped, but he is now having printer problems. **I think he needs some help!**

Only thing to report – 5 days to Poor Mans Hash in Cervantes. More **Hairy Etttes** going than men so Hamersley encouraged to step up.

Joint run with Kalgoorlie is officially OFF the agenda for this year.

Charges:

Popeye charges **Pitstop** for complaining that he hasn't received his 200 Run badge. On investigation it was found that he was due it on 22/4/2013 and had never brought it up before.

General charge for perpetrator who clearly led the second wave of walkers astray. Was it the Dutch short cutting bastrud, or **Screwdriver** who came into the first drink stop from the out markings, or **Tampax**, who was only interested in doing wheelies on his bike, and not paying attention to the trail?

Anyway, the Hares waited patiently at the first drink stop until sure all got a taste of “The Snakebite”

Mase and **Pitstop** amused the crowd with their own brand of joke telling.

The **RA** steps into the action and calls for **DAGS** (celebrating his 82 birthday) and **Voodoo** (celebrating his 72nd Birthday) and treats them to a traditional birthday cake. **DAGS** apparently got the best end of the deal as he used up most of the eggs, before **Voodoo** got his portion.

WOW:

On this day: US vice president DICK CHANEY announced that the Iraq war would last weeks rather than months

Voodoo nominates Passenger **GasMan** for not advising the **GM** that his parking was up to shit.

Buckley was given his first nomination for receiving a call on his phone in the circle.

KAZI nominates **Tampax** for trying to contaminate the M of H with Shingles. Second nomination for **Tampax** comes from **Bravefart** for wearing new shoes but not being able to use them for walking?

Cookie pulls out **Screwdriver** and accuses him of sabotage, by trying to recruit additional Male members to poor Mans, to counter the overabundance or **Hairy Ettles**.

Screwdriver gets to take home the shirt and hopefully impress his harem at Poor mans.

Run Report

DV8 was asked to report on the run, on behalf of the walkers. He described that he started well, got lost, made it to the traffic lights then first drink stop – then on through Star Swamp where trail had been sabotaged by **do-gooders** – **who did nothing good**, but followed **Hardcase** to second drink stop and Home. Assessed 8 or more out of 10 – depending on food.

Wimpey was excited to be asked to report on behalf of the runners. Said it was well marked, a little confusing in Star Swamp due to the Flour being wiped out. Said that **Cookie**, despite being told the general direction, went on his own mission but did somehow find the second drink stop. Thought it was brilliant, knows the food (slow roasted rump in fresh bun with coleslaw”- thanks Mrs Donk-b) was going to be good, judged it to be at least 9.5 out of 10.

Adding both scores and taking average, it was clear that the Run was voted as a 10 out of 10.

Well done to the Hares – **Donka**, **Hardcase** (who substituted for **Kazi**) and **Kazi** who at least helped volunteer Squirt with drink stop and food.

Ice

Cookie dominated the ice this week for derogation of duty.

Hares Act

What an act it was. As Covid restrictions have lifted, **Donka** was able to fly in, a special dance and jingle team from Ireland (**Kazi & ELF**) – along with the Dublin C.A.T's choir (**Hardcase**, **Troppo & STIR**) to accompany a very well-polished song and instrumental track relating to Bravefart getting drunk (played by **Bravefart**), falling asleep, having two Hairy Ettles place a ribbon on his ding a ling. Once awoken, Bravefart looked down at his manhood and said,

“Ó lad, I don't know where you've been, but I see you've won first prize.

Post Note. The song apparently was recorded and went to air on the night. Tree offers have already been received for publishing rights.
