## Run Report 2199– Warwick tennis Club

### Bring a Mate

**Preamble:** \_Crivvens, jings and help ma boab, Another stotter. A braw nicht that saw all sorts turn out . Good to see auld mates, there's nuthin lik it – even **Kevin 11**

42 MOH plus **Rumbull** (who re-joined on the night after a little time out) turned up along with our resident visitor **Shorthorn** (it really would be cheaper to join) and 5 mates, Good to see **Sgt Bilko** – still alive despite the rumours, maybe we can entice him back?

### The Run:

Our GM, **C-Man** sorts out the splash – as **JM's** nowhere to be seen, then tests the strength of the crate once more, after a bucket full of pies up in Cervantes and says "6 o clock. Welcome to **The Mates** – will introduce them later. Where's the Hare".

**Bravefart** leaps to crate and says:

**“Cumonyaweebeattiesandgetstuckintait.Thenichtsrunisweeshreddedpaperandchawk –Öh and one drink stop, now F^\*k off that way”**

**Replicar** had his first of thirteen at the drink stop once he found it. **Squirt** decided to help find the drink stop by leopard crawling along the pathway until he could smell the beer. Said he was getting in practice for his evenings romp around the bedroom.

**Circle Up & Visitors/Returniks / and Mates**

**Visitors: Shorthorn , Sgt Bilko (Ex member)**

**Returniks :Rumbull**

**Mates + (Sponsor): Gasher (Mausei), Kevin 11 (Pitstop), Alex (Arseholeo), Buckley (Stir), Blank (Concord)**

**General Business: GM** calls up **Replicar** for 2 / 3 of 13.

**Rooted** tells a true story about a midget who had an uncontrollable itch between her legs. No creams seemed to make any difference. She Went to the doctor who asked her to stand up on the table so that he could have a good look. He went Klip Klip – there you go that should work. She walked around and said it still seems to be a problem. So, he went Klip Klip – now that should do it. She says “that’s great. What did you do”? The doctor replied – I clipped the top off of your Ugg boots”.

**Physically impaired** get to sit.

**Sir Kumsize** advised that he has been talking to an IT expert and managed to buy an additional BIT to help **Screwdriver** overcome his problems with his Neck Top computer. Seemed to make a difference!!!!  
**Screwdriver** took the opportunity to announce 25 days to Poor Man’s Hash. 200 registered so far, special deal of \$25.00 ends on 28<sup>th</sup> Feb.

**Kevin 11** said he tried to google **HHHH** to find out where the run site was and got no response. He said that the Web Master should lift his game. The Web Master asked if he had tried to google **Hamersley** because that gives you instant access!! Just as well you’re no longer a member **K 11** as you would definitely have been wearing the wanker shirt at the close of play.

**Replicar** downed 4 and 5 of 13.

**Sgt Bilko** took the opportunity to advertise 30 years celebration for Sat Hash.

It will hold a breakfast run on Saturday 6<sup>th</sup> March, with breakfast starting 7.00 am.

Location is Little C’s restaurant, Hillary’s Boat Harbour. All welcome but please contact the Sarge so he can allocate seating. Contact No 0411553483 or [ellisjim@inet.net.au](mailto:ellisjim@inet.net.au)

**Pole Polisher** still has fascination for his C\*#t Meter. He took it out to test the mood of the crowd. Still reading at cuntastrophic – as normal.

**Precious** likes the limelight nowadays and takes the opportunity to hand out shorts and new hat for **Dickvan**.

**Replicar** completes 6 and 7 of 13

## Charges:

**Dikvan** was charged with disloyalty to Hamersley as he was caught performing the services of RA at a Bully function with West Coast and Tits – or was that the tits from West Coast?

**Mase** charges **Pitstop** for being a tightarse, and not buying his guest **K 11** a shirt for the run. Mase felt sorry for the prick and had bought him one himself. Only did it because he was the first to root his grandmother!

**Mase** then charges **Sgt Bilko** for attending after being sweet talked by **Rooted**. **Mase** had been asking him to come along for years at golf!

**Pitstop** charges **Popeye** for failing in his duty by not recognising that he has completed 200 runs but not yet been awarded his badge.

**Mel Adjusted** charges **Popeye** for mistaken identity. Thought **Mel** was **Disgraceful** - The circle felt that he was disgraceful – just not with a capital D.

**Biggles** charges visitor **ALEX** for speaking gibberish to **Voodoo** who seemed to understand and take it all in. The gibberish ended up being Flemish – same same but different, but Voodoo found it difficult to distinguish between the two.

**Screwdriver** describes events at weekend, where Krankers gate crashed Rocky City's AGM at Baboon's place in the hills.

**Coops** persuaded his unmentionable, to spend the night under canvas – despite the Hurricane warning put out by the Met office. Moved camp midnight, burst his inflatable doll with tent pole – or was that air mattress. Result is like last time Coops took her indoors caravanning – She is never coming camping again!!!! **Mission accomplished Coops!**

**Tampax** meanwhile, at the same event, didn't even make it to night fall. Pissed as a kite, fell over, blackened eye and required assistance to get to bed by well-meaning Harriette's.

**Sounds like it was a great weekend Boys!!**

**Replicar** 8 of 13

**Bravefart** gets Birthday surprise from **GM**, Revenge is sweet. Apparently new recipe. Sweet and sour (chillies, honey, flour with a couple of raw eggs thrown in)

## W.O.W.

Resident Wanker **Rooted** comes forward.

**Popeye** says Run Book is back up to date and nominates "Cheaters".

**Disgraceful, MauSei, Kazi, Arsholeo, Capt Hook**

**Kazi** nominates **Tampax** for his behaviour at the weekend.

**Rooted** declares that he has nomination and decides make use of "poetic justice "

I am the current Wanker, I have worn the Shirt with Pride.

But how I got to get it, is something I can't abide.

The Peacock spreading inane shit, whilst standing upon the crate.

Spoke distantly of little folk, who were waiting to hear their fate.

Now, I was sitting next to **Mullett**, while all the shit flowed in many fronts.

He became quite agitated and said **Ro**, Ya gotta help them little Runts.

So, springing into action, that really F\*^cking hurt.

To help the little F\*^ckers, that's how I got the shirt.

If **Mullet** had had bigger balls, he would have gone to their aid.  
Instead, he got me at my weakest, on my chair I should have stayed.  
So, Peacock grand upon the crate, give me a drink and I will skull it.  
As long as you give the shirt, to that two-timing f\*^cker **MULLET**.

No contest, **Mullet** takes home the shirt.

**Replicar** takes out three mates to help with down down.  
Then, completes 13 of 13 and gets awarded the badge.

### Run Report

The usual running group (dozen or so) took off at a blistering pace. The walkers – well not sure what the walkers do – followed suit, I think. We left the tennis courts, headed South through the Warwick Open space, circumvented the tracks, past the sports centre, to cross the Erindale Road into Ellersdale Park. This is where only the hardy continued, and a big loop see's the runners re-join the pack in the Open Space.

**Squirt** said it was a good run, with good combination of Bush track and suburbia. Very happy till he fell flat on his face. Hamburgers to follow – **9 out of 10**

### Ice

Not too many but **Dikvan** pushed his luck and had a seat for a while.

**Sir Kumsiz** got to try out the new Hash Mug for a down down

### Next Week's Run:

**Harriette's** – Blue dress Run. Tuesday 23<sup>rd</sup> Feb. 7.00 pm Wireless hill.

### Next week's Van driver:

**STIR** who is stand-in for **CONCORD** who is stand-in for **Capt Hook**.

### Hash Lunch:

Still No **Tagg** but **RADS** stepped in. Next lunch 5<sup>th</sup> March. Chinese restaurant, 19 Roe Street. **Well, I think that's what he said but it will probably change anyway once Tagg gets involved!**

### Hares Act

**Bravefart** and **Pole Polisher** put on a very well-rehearsed act. **Mmmmm**

Lot of one-line jocks to keep us amused

### Song:

**Rumbull** sings us out with "Raise Your Mugs"

### ON ON

**C-Man / Donka 15/52**
