## Run Report 2187 - Benbullen Rd, Kalamunda

**Preamble:** \_Crivvens, jings and help ma boob. Fit a distance to get tae the run site.

49 MOH and 1 visitor braved their way – halfway to Kalgoorlie to POLEY's new house. Great spot for a run site, right next to Kalamunda National Park– just as well he's a fiery though!!

**The Run:** The new RA stands up sporting his "kiddies Tadpole net" with a couple of baby crays stuck to the side. Claims they will grow as the year goes on. **His outfit? To be discussed later.**

The new GM eased his way onto the crate. Bit creaky, hope it lasts the 12 months **(the crate that is).**

GM announces no bullshit Donald Trump cards, Boong cards, or Keep off the ice – do the crime then do the time. **Good behaviour however will get you an invite to Coffee Club and a free coffee.**

GAZMAN asks if GM is going to perform "Welcome to Country" but is greeted with an icy Crayfish stare.

Pole Polisher gets on the crate and tells all that it is a lovely scenic run, not too long, should be back in an hour. So please enjoy and F^\*k off that way.....Mmmmm, we'll get back to that!!!

#### Circle Up & Visitors/Retuniks:

Visitors : Slammer GM of Kalgoorlie hash (fortunately run site was close enough for him to attend)

Retuniks: no retuniks recorded

Cripples: ROO-TED did a reading for the cripples. MULLET, CAPT HOOK, MACE, MAUSIE with MTM and SCRAPER hiding in the wings (Don't remember seeing a doctors note SCRAPER)

Milestones: SQUIRT 600 runs, SIRKUMSIZE 300 runs

General Business: SIRKUMSIZE and SQUIRT called out for down downs 1 of 3 and 1 & 2 of 6. BARRELINA tells his joke about the dog that bites. **It wasn't his dog!!**

POPEYE announces that Jeff Pilgrim has died. Well known in Speedway and Drag Racing

MULLET says he overheard SCRAPER telling DONKA about his new girlfriend. Said she has a pussy the size of a mouse's ear – **Donka was confused and said don't you mean moose's ear?**

SCREWDRIVER complaining that the new Laptop that was loved, cherished and handed to him by the outgoing Intercourse DONKA has already broken. He was left handling the hard drives – **You gotta look after things better SCREWWY.**

SCREWDRIVER stepped up as new Intercourse and announced he would do it differently as he did not have the computer skills or hardware that the outgoing Intercourse had.

He will only announce the closest run – which is 75 days to Pre-Ambles to Poor Man's Nash Hash (Perth Crankers Post Covid Party). Start date 6/02/2021.

Incidentally, Poor man's Nash Hash (19/03/2021) in 116 days' time. As to the rest, he says he disnagiveafuckalot (**Mmmm, where have I heard that before**)

The GM showed his disappointed to the H4 response to the Bell Tower event.

**Pay up boys and let's make it a great night.**

SALVOS run Tuesday 24<sup>th</sup> November. Well done COOPS for stepping up to drive the bus and for SCREWDRIVER for volunteering to sell the piss.

TAGS steps up and mumbles some shit about Smartest and Richest man in hash. Hope someone out there understood what he was going on about??

GASMAN congratulated TWO DOGS for managing to get the GM's picture onto the H4 Bus Trophy. He was surprised that he was able to fit in the GM's head. **Enjoy the ice Gassy**

WIMPEY, CONCORD and FIRST OFFENCE shared birthdays. Two blocks of free piss on next week with CONCORD to follow on his return from up North.

#### Charges:

STIR complimented the Onsec for being overkind in taking time out to get him Van driver info. Reckons he was getting angry trying to find info. Charges MAUSAI for failing to guide him through the Anger Management course properly. **Charge carried.**

GM charges ELF for being a little Prick and stealing his jacket (with keys) the week before. Second charge was for dobbing in his mate HARDCASE. **ELF enjoys a drink from the ice** while listening to two very long jokes by SLAMMER and BARRELINA. COOPS (with too much time on his hands) belts out a pearler originally made by Slim Dusty

SQUIRT and SIRKUMSIZE complete their 3 and 6 downdowns.

WOW: F^\*K, where do we start

Smartest and Richest man in hash steps up with no more than a tadpole net as his RA's outfit???? Hardcase said he investigated COOKIES history to see if there was justification for COOKIE being the Richest man. He couldn't find anything so phones ATO, who said they would look into it.

Wanker nominations were:

ELF for taking GM's jacket home, HOOKIE for giving ELF the jacket, BLOWY for parking on the hill and ending up in the ditch, REPEY for running out of mid strengths, BOOF and BRAVEY for lying about the RA's involvement in the missing jacket (RA reminded B & B that he had to sit on the ice because of it), POLEY for too long a run.

**SIRKUMSIZE insisted on having it as it was tradition. Motion Carried**

Good candidates to carry over to next week include ELF as the members note given the opportunity to vote on the night, VOODU for wrecking the bus, driving out of POLEYS and FIRST OFFENCE for not wanting to complete the run because he wanted to go to the Gym the next day to exercise his legs.

Run Report: Top run for members of the SAS, Professional orienteers and Mountain Goats.....

KAZI given the opportunity to report .

Great run, just like running in Asia says he, as he sung "The Hills are Alive", though it took him 1hr and 45 mins to complete the 8.5 km's. **He wasn't singing at the end of the run.** Last in but not least was VOODU and NICE TITS being escorted by BRAVEFART. DONKA looked particularly drained.

NICE TITS was heard to say – "this trail is surprising flat"- that was before we started to descend into the abyss. DONKA managed to manoeuvre around the Truck Arrester on the way down a steep slippery section but TROPPO and the President of the Hash Motor Bike Club was not so lucky. Both landed hard on their arse. POPEYE came off worse when he tripped on Laterite and landed on Granite (according to VOODU). He couldn't tell whether he was between a rock or a hard place. **Ouch**

Anyway, 8 out of 10 for effort and food. Well done to the Hares.

Ice: Well used particularly by SIR KUMSIZE and too many other members to mention

Next Week's Run:

Popeye

Next week's Van driver:

Wimpy

Hash Lunch:

TBA

Hares Act: POLE POLISHER did Ode to JK. Onya Poley

Song: \_Song sung by very hesitant FIRST OFFENCE . Learn the words for next week says the GM
