## Run Report 2203 – Glengarry Park

### Unique Event

**Preamble:** \_Crivvens, jings and help ma boab

Nae a bad turn oot the nicht, cunsiderin a lot o' the members were sufferin fae overindulgence from Cervantes o're the weekend. 40 or so M of H including 4 returniks and a shit load of visitors turn up on this perfect Autumn evening.

#### **The Run:**

The GM mounts the crate calls out **Bravefart** to take his 1 and 2 of 7 down downs for his 700 runs. **Hardcase** was next up who says the run is shorter than **Kazi's** from 2 weeks ago – **but by how much?** Chalk, a little flour, walkers / runners split, drink stop – now mosey along that way fellows.

#### **Circle Up & Visitors/Returniks**

The **GM** mounts the crate and immediately moves **Wimpy** around the circle for his general misconduct. **Scrotus** felt **Wimpy** was now too close

for comfort and moved to the opposite side of the circle. **And, here's me thinking that they were best mates?**

**Bravefart** desperate for some more free piss, pushes for his 3 and 4 of 7.

**Coops** with temporary doctors' certificate, sings the down down songs from the comfort of the Physically handicapped chair after dislocating his ankle 5 minutes into the run.

#### Visitors:

**\_Late Cumer, Fartin, Boxy, Inspector Gadget,**

#### Returniks:

**Dikvan, Scrotus Maximus, Harvey Wallbanger, Exit Re-entry**

#### New Member :

**Buckley** – **welcome to your first official run at Hamersley**

#### General Business:

**Roo-Ted** steps front and centre and talks about a hasher who took a young lady to a restaurant and tried to impress her with an expensive bottle of Red Wine. She said that she would only take the wine if he could show that he had 7 inches below his belt. He took the wine back and as he didn't want to cut off 3 inches.

**MauSei , Mel adjusted** and **Tampax** still missing in action. The rest can sit.

The **RA** was cleaning out his cupboard and said that he had a stack of Armani clothes to raffle off – all free of charge. He sent his little helper **Popeye**, around giving out the free raffle tickets for later use. **Popeye was clearly delighted with the importance of the mission.**

**Bravefart** completed 5 of 7.

Accolades were flying and **Concord (and Popeye)** praised the organisers of the **Cervantes Poor Man's Hash** event. Main organisers were **C-Man, Screwdriver** and **Coops** with 'Helpers' also getting a thank you. Great weekend was had by all.

The GM informed the crowd that **Busselton Hash** were holding their 20<sup>th</sup> Anniversary run on 14<sup>th</sup> August 2021 **Put the date in your diaries.**

The **RA** took the opportunity to jump in and conduct the raffle. Ex BGC hats, shirts, Jackets, pants were raffled off – only trouble they all had **GREG** embroidered on them. The crowd were not happy however as it was obvious that **Cookie** had fixed the raffle so that his best mate **Hardcase** could be rewarded with a high visibility **GREG** shirt. **I think their friendship extends back to the Interhash in Bali?**

**Scrotus** managed to win a shirt but decided, to keep the hanger but re-raffle the shirt saying that "at least the hanger is useful". For his generosity, **Scrotus** was given a bag to safeguard the hanger.

#### Charges:

**Replicar** charged **DAGS** for careless abandonment of his GM's mug. DAGS and the mug were reunited once more.

The **GM** made some charges on members for various offenses on the Cervantes weekend. These were disregarded as being mythical, and anyway what happens in Cervantes, stays .....

**Capt Hook** charged **Disgraceful** for spending half an hour on his phone, when he should have been directing **Hookie** to the run site.

**DAGs** tried to charge the **OnSec** for claiming that he had not given correct recognition to the singer of the closing song the previous week. The poor misguided **DAGS** was clearly mistaken and sent from the circle with his tail between his legs.

**Pitstop** felt it necessary, to give **Popeye** an accolade for sorting out his Run history. He is now up to 216 runs. He also admitted that he had found his 200 badge which had been awarded to him in 2013.

**Popeye** also got a mention regards his change in hairstyle on the Sunday morning at Cervantes. Looked like he had electrocuted. **Maybe too much static electricity from his 4-legged friends?**

**Buckley** was given his **Hamersley Pack** as he is now a fully paid-up member. There were a couple of suggestions regards Hash Names – but as per hash Traditions, his naming will be put in abeyance until he earns a name.

**Bravefart** finished 6 of 7

**WOW:** Wanker **Screwdriver** came forward and was full of good ideas – mostly stemming from the Cervantes weekend.

In reverse order:

**Rads** was bowled over by a monster wave after the Crankers ride on Sunday and complained that he had lost his \$1.50 sunglasses.

**Boof** got nomination for sleeping in his car at C-Man's joint, rolling over in his sleep and setting off his car alarm six times. He finally found his keys, tucked away in his trouser pocket.

**Boof** got second nomination for leaving the Saturday party early then returning because he couldn't remember if he had told anyone he was leaving.

**Precious** got a nomination for losing his Bacon??

**DikVan** got a mention for registering but not bothering to turn up.

Last but not least was **Screwy's** report, that on the Saturday, whilst walking to the venue, in his Wanker shirt with his unmentionable by his side, a car sleeked past him then stopped. The window was wound down and the passenger said "are you 2 hashers by any chance, as we are totally lost. We've and been looking for the footy oval for last 2 hours, so that we can attend the Poor Man's Function. **PITSTOP** was forgiven for not recognised the obvious – but not the driver. He was a forty-year member, was clearly the man in charge, and therefore had no excuse. **Voodoo** was awarded the shirt by popular demand.

**Bravefart** completed 7 of 7 and was awarded his 700 badge.

### **Run Report**

14 runners set off swiftly but were soon reduced to 13 after **COOPS** came a cropper in the first lane way. His dislocated ankle soon popped back into place but resulted in severe swelling. **C-Man** saved the day by returning to the carpark, picked up his ute and returned **COOPS** to the bus for ice and refreshments.

The run continued across the Mitchell Freeway, through into the suburb of Greenwood, back across the freeway and home. **Late Cumer** was called out to do the run report and said it was a good run, well-marked with some long FT's to mess up the front runners. Maybe a bit on the long side (8.5 km) but generally quite acceptable. He was asked to give it a rating and said for the run, a Strong 4.5 out of ten". As a visitor, he was unaware that he had to include a rate for the food but general consensus was that the food would be good and well worth 3.5. With an extra 1.0 for the act, added together and then averaged in normal fashion – gave a final result, a worthwhile **9 out of 10**.

## Ice

The **GM** put **Exit re-Entry** on ice for not introducing his guest – **Late Cumer** to him at the start of the run

## Next Week's Run

**STIR: Whitfords Nodes**

## Next week's Van driver:

**DIKVAN**

## Hash Lunch:

**Tagg** was no show again: next lunch TBA

## Hares Act

**Hardcase** comes into the circle and explains the reason for his theme – **Unique Event**.

**Turns out there were 2 reasons.**

First, it was the **Jakarta Hashers 50<sup>th</sup> Anniversary**, and ex members came into the circle to celebrate.

Second, **Hardcase** explained that that the run date was 22/03 which coincided with the Run Number 2203, which made the night a **Unique Event**. **Onya Hardcase.**

**Hardcase** performed an old Jakarta Hash song to the tune of a well-known Simon and Garfunkel song – The Sound of silence. Opening line was “Hello Penis my all friend”. Great lyrics and great effort. Full marks for trying.

## Song:

**Donka** did not sing out this week. **DAGS** and **Boxy** shared the honours and sang – Raise your Mugs.
