## Run Report 2218 – Millington Reserve, Karrinyup

### Replicar with the 2 B's

**Preamble:** \_Crivvens, jings and help ma boab

In accordance with the current Covid protocol limits on numbers for community sport all members arrived tonight fully masked. Those who remembered handed over the cans that they had brought for the "Bring a Can" night.

**Replicar** mounts the crate to give run instructions and to advise that he was duly assisted by the 2 B's [**Boof** and **Bravefart**] in the laying of tonight's run.

**The Run:**

The runners took off at their usual pace and as **HardCase** was the only FWB [front walking bastard] tonight he thought that he would be walking on his own. However, he was pleasantly surprised that there were many checks and FT's tonight that

allowed **HardCase** to keep up with the running pack all the way until we were in sight of Scarborough Beach Road. **Voodoo** as part of the running pack had quite a few wins on the FT's tonight that kept him in sight of the FRB's [front running bastards] until he lost touch with them and was then on his own. In fact, he had to use an App to get back to the Circle [more on that later]. The two foremost FRB's [**Pole Polisher** and **Cookie**] somehow managed to lose the pack and the trail and came back to the Circle way after everyone else. Lucky the Hare **Replicar** put aside some of the snacks specially for them. All in all, from my perspective, it was a pretty good effort by the 2 B's that managed to keep the pack pretty much together for about 3/4 of the run. 5.2Km recorded by this FWB and **Boof** advised that the run was about 7.6Km.

### Circle Up & Visitors/Returniks:

#### Visitors:

No Visitors tonight

#### Returniks:

**Rooted** – visited Slops then guiding on Rottnest and saved the Club last week by his absence.

**Captain Hook** – had a stuffed ankle – **Barrelina** was asked if he could make him a new peg leg.

**Sheep Thrills** – been on drugs waiting for Pfizer.

#### General Business:

**Elf** is called into the circle for his 1 of 8 DD's in recognition of his 800<sup>th</sup> run tonight with H4. Immediately followed by 2 of 8.

**Rooted** provides a story to allow those with an authorised dispensation to be seated.

It was mentioned that the only reason that **Pole Polisher** waited for **Cookie** on the run was that he had the torch and the squeaky toy!

**Elf** is given 3 of 8 DD's

**Captain Hook** asks what 16 means and we assume that he is referring to the number of points in the Dockers loss to Carlton in their game on the weekend.

**Elf** is given 4 of 8 DD's

**Wimpy** advised that he spoke to **Squirt** who is 14 days quarantine in Maylands after returning from a job in Queensland. No Rations for him!

Coops reminds us that it is Hamersley's Run No.2222 in 4 weeks time at the same venue as tonight. The 2 B's are again setting the run.

**Rooted** asks if this is the twin Desmond run? Desmond Tutu – get it – no we didn't!

**Elf** downs his 5 of 8 celebratory beer

#### Charges:

Well, here we go when GM **C-Man** gets into his stride and charges mostly all of the H4 members who run on Bridges Hash for disrespect to the Hamersley GM. Firstly by posting on the Bridges Hash FaceBook page by the administrator [and I quote "this idiot here" meaning **Bravefart**] and then by those for "liking" the post. First up was **Troppo** even though it was his unmentionable who posted the like. Then in quick succession we had **Sir Kumsize**, **Cookie**, **Popeye** [wimped out], **Baron**, **Rooted** [hands in his resignation of Bridges Hash but it doesn't save him!], **Bravefart**, **Meladjusted** and **Boof** [ got off for knocking A\$2,000 off **C-Man's** bill for his current renovations].

**Elf** manages to break the spell by coming in for his 6 then followed by his 7 of 8 DD.

**Troppo** gets iced for disrupting the Circle.

**Coops** enters the circle with two old H4 T-shirts from about 1983/84 with a story about **Panels** workshop, a paddling pool with **Harvey Walbanger** in it. I didn't catch the charge!

**Bravefart** finds himself back on Ice for some misdemeanour and by **Popeye** who castigates all Scotsmen – you need to be very careful there **Popeye** while **HardCase** is stand in Scribe! This is your first and only warning!

**Note from the OnSec: Popeye. It will not only be remembered by the Scribe, but might get a mention next year as well!!**

**Cookie** charges the Hare **Replicar** as a mean Kiwi for providing street food from all the cans brought tonight. **Replicar** proudly tells all the members that he is now an Australian. Charge is promptly reversed DD **Cookie**.

**Voodoo** charges **Pole Polisher** for disrespecting an old runner. Voodoo claims that he was following **Pole Polisher** religiously tonight [when you weren't missing most of the FT's that is **Voodoo**] until he could not keep up and got lost. Used an App to get home. DD to both.

**Gasman** who was driving the Van tonight, charges **Popeye** for parking his car deliberately blocking his reversing manoeuvre. Popeye tries an excuse, but it does not wash with GM **C-Man**. DD **Popeye**.

**Kazi** tries a charge against **Precious** for not giving new member **Mental Disorder** his member pack. Charge reversed as GM **C-Man** tells **Kazi** not to interfere with the Committee members job descriptions. DD **Kazi**.

**Elf** is brought into the circle for his 8 of 8 and awarded his 800 run badge by GM **C-Man**. **HardCase** as a mate of **Elf's** for over 40 years is given the opportunity to enlighten the circle on some **Elf** stories from Jakarta. First one is that **Elf's** was given a different hash name on junior hash club, Batavia Hash, in Jakarta and that was Model. The second was **Elf's** propensity [see I can use big words!] to get pissed in Blok M in Jakarta and forget where he had parked his car – once reporting it stolen to the cops when he could not even find it when he was sober next day. Happy Days and both share a DD.

### WOW:

The Real RA **Cookie** mounts the crate and calls forward the current WOW, **Kazi**, who takes his time shedding 3 layers of clothing to reveal the WOW shirt! **Kazi** keen to get shot of the WOW shirt comes up with 3 nominations:-

- **Bravefart** for deliberately dirtying the WOW shirt last week
- **Boof** for throwing all of **Kazi's** gear onto **Dags** roof last week when he was awarded the WOW shirt. This required the second oldest club member [Dags] to climb onto his roof to retrieve his beanie the next day
- **Mullet** for clogging up the internet - having inherited a smart phone he is now on FaceBook and has more friends than you can poke sticks at

Cookie decrees that as the 2 B's are his mates they are off the hook and **Kazi** is a carry over WOW for picking on his second oldest car pool member **Mullet**. [I did warn you last week **Kazi** to be careful you don't take **Voodoo's** crown].

### Run Report:

**Cookie** has been desperate all night to do the Run Report as payback for him and **Pole Polisher** losing the trail and the pack. GM **C-Man** brings back an old tradition and makes **Cookie** do the Run Report from the Ice. **Cookie** claims only 4 members did the complete run including the 2 B's and he only has 5 letters to say about the run – STEPS. **Cookie** reckoned that he did all 18 FT's so he must have done an extra one as Boof advised that there were only 17. He gave -28/10 for the food, 9/10 for the run and 8/10 for the Steps with a 12/10 for the Anzac spirit = 1/10.

**Cookie** was obviously in a spiteful mood [I thought that the 2 B's were your mates?] and there was nothing wrong with the food and Replicar had actually kept some snacks for you. So using the power of the pen I hereby revise that score to a good run 8/10.

### Ice:

**Troppo, Bravefart, Sir Kumsize, Cookie, Baron, Rooted, Meladjusted** – for disrespecting the GM **C-Man**

**Troppo** – disrupting the circle

**Cookie** – Run Report

### Next Week's Run:

**Barrelina** – At his estate on Park Street, Henley Brook. His Co-hare **Ampol** has let him down but Wimpy steps into the breach to help.\

**Next week's Van driver:**

**Molly Dooker**

**Hash Lunch:**

**Tagg** tells us that due to last week's lockdown that the Hash Lunch, as he previously advised, is on this Friday 9 July at 12.30pm at the previously advised location of at or near 450 William Street, Northbridge and it is a BYO.

**Hares Act**

**Replicar** starts off with a 4-line poem and is saved by **Coops** with a very clever Pam Ayres style ditty about Toilet Paper Gate. DD to both.

**Song:**

**Wimpy** leads us all into Australia's Hash to close the circle.

**ON ON**
