Run Report 2220 – Woodford Park, Lynwood

MelAdjusted with Sheepthrills

Preamble: _Crivvens, jings and help ma boab

29 MOH [Men of Hamersley] turn up tonight with 1 Visitor. The BOM weather radar indicated that there might be rain, but it did not materialise and of course **Cookie** took the credit as RA once again [might not be so lucky next week!]. **Disgraceful** is called forward for a DD for postponing his 600-run milestone due tonight until next week.

MelAdjusted as the Hare takes to the crate to give the run instructions. The trail is on chalk and off out of the car park and turn right. Walkers remain back for shortcutting instructions.

The Run:

9 runners took off following **Bravefart** and **Boof** followed by the sole FWB **HardCase** [getting to be a bad habit – you'll never walk alone – Gerry and the Pacemakers 1963!]. The only shortcut that the

walkers took was across the oval and later when they gave up following the trail.! It was obviously a good run and well set by the Hares with plenty of checks that did their job [future Hares take note] with **HardCase** keeping up with the running pack until almost in sight of home. **Molly Dooker** must have passed me 7 or 8 times! 5.17Km recorded by this FWB for the walking trail minus most of the checks and **Bravefart** advised that for the runners it was 7.51Km.

Circle Up & Visitors/Returniks:

Visitors:

Tonight, we had a mate of **Arseholio's** – **Ian**.

Returniks:

Only **Squirt** tonight who had been on extended work duty in Queensland and had to undertake 14 days home quarantine upon his return.

General Business:

GM **C-Man** asks **Mother** to provide a short story or joke tonight for the seated members and promptly delegates to tonight's Van driver **Mase**.

GM **C-Man** reminds the members about the weekend run at Southern Cross and it looks like only **Tampax** and **Swallow** will join to represent Hamersley.

Popeye advised that he had talked to old member **Stupid** who had come down from Darwin for life member **Thommo's** 80th birthday on the weekend. He could not make it tonight but sends his best wishes to all.

Cookie tries to ingratiate [another big word to look up on Google] with the GM **C-Man** and reckons he is looking good tonight. **C-Man** is the GM and he looks good every night!

Kazi tells the members that as it is his birthday tonight, he is putting on a carton. To remind of us of missing overseas trips it is Tiger beer. What he did not tell us, that it is his Big 70 and it made my night as I always thought he was younger than me but he isn't!

Charges:

GasMan charges **Mausei** for insulting the Visitor, **Ian**, by asking if he was **Arseholio's** brother. Not the way to encourage prospective new members – DD **Mausei** and **Ian** [he will need a decent Hash name if he becomes a member!].

Cookie charges **Tagg** for sending out an email about the Hash lunch that completely confuses the members – well at least it confused **Cookie**! Asked to explain the bit about insulting the Hamersley GM, Tagg advised that wasn't **Cookie** a member of Bridges Hash who posted the insult on their website and did this not get addressed at the Run last week. Charge reversed DD **Cookie**.

C-Man charges **Halfway** for not coming forward as a Returner when called. **Halfway** reckons he was only away one week but the consensus was that it was two. DD **Halfway**.

Arseholio tries to charge tonight's Van driver, **Mase**, for what I have no idea! Anyway, it was reversed DD **Arseholio**.

WOW:

The Real RA **Cookie** gets his time on the crate and calls forward the current WOW, **Stir**, and asks if he has any nominees this week for the WOW? **Stir** comes into the circle dressed as a very realistic Cookie look alike, but wearing better shoes with an impeccable [another big word for you guys!] red and yellow paint job. **Stir** has two nominations:-

- **Molly Dooker** – Stir had arranged to pick him up at 4.15pm and arrived at 4.10pm but it took **Molly Dooker** 15 minutes to dress and put his make up on!
- **Disgraceful** for postponing his 600th run DD's until next week

Before **Cookie** can drum up some more nominations **Stir** sheepishly reveals that he has left the WOW shirt at home, and this has undone all his preparations tonight. **Stir** is the carry over **WOW** and is given a DD.

Run Report:

Kazi is asked to do the run report tonight and is reminded again to face and address the circle! **Kazi** reckons we had a wonderful crowd tonight with a pretty good run. There were 17 FT's and the nibbles were good so he gives it 7/10 then revised to 8/10 when he heard that the Hare **MelAdjusted** had cooked Minestrone soup.

Ice:

Another Ice Free Night – they won't last!

Next Week's Run:

Mullaway – At somewhere in Como – BYOU – Bring Your Own Umbrella!

Next week's Van driver:

Mausei

Hash Lunch:

Tagg follows up on his email with a short quiz for next month's Hash lunch. Yes it is on 6 August at Fortune Duck House close to 450 Williams Street and at the usual time of 12.30pm.

Hares Act

MelAdjusted tries his hand at a few jokes, but he has not got the inimitable style of **Barrelina** but does a good job nonetheless and gets an A for effort.

Song:

Kazi manages to face the circle and leads us all into Australia's Hash to close the circle.
