## Run Report 2221 – Chez Mullaway, Como – The Lazarus Run

### Mullaway and Mental Disorder

**Preamble:** \_Crivvens, jings and help ma boab

Well, we arrived at Comer Reserve, Como where **Mullaway** had originally planned the run – seemed a bit short on cover from the elements! After battling the wild weather over the Narrows bridge. **Rooted** was our pool car driver tonight and his little Holden Trax was in danger of being swamped as we drove along flooded Melville Parade creating a bow wave [I had to remind him that we were not in his Nissan Patrol!] as we drove into the car park of the original run site. Wet and Windy was an understatement. Our trusty GM **C-Man** arrives in his 4-wheel drive and rounds up those in the car park and leads a convoy of vehicles off to the emergency run site of Chez **Mullaway** on Canning Highway. This was definitely a Lazarus Run tonight and somehow our wee man **Mullaway** managed to turn what would have been a classic Hashit of a Run

into something completely different. We had 31 attendees tonight [would have been 32 but **Popeye** became a member of the fair weather Hashing club and went home before the run started]. While half of us went on a live run/walk the other half who must have arrived late? took full advantage of **Mullaway's** tucker and home brew!

### The Run:

Plan B was adopted tonight considering whatever trail markings that the Hares had put down would never have survived the severe weather event that we had tonight. Luckily as the pack of 5 runners and about 10 walkers set off, the weather Gods were kind to us, and the rain abated. Of course, to be expected RA **Cookie** took the credit for this! Off we went in into the back blocks of Como with the two B's leading the running pack in a live run – obviously **Molly Dooker's** first one of these! As FWB again I did manage to keep within sight of the runners looping around Penrose College but then they found their legs and off they shot. I hooked up with **Coops** and managed a decent walk amazingly in the dry!

### Circle Up & Visitors/Returniks:

The Circle was convened in Chez **Mullaway's** living room with the overspill out in the patio where the beer was welcome

#### Visitors:

None tonight.

#### Returniks:

- **Biggles, Blow Job, Coops, Mullet & Screwdriver** – Fresh back from their Perth Crankers Hash organised trip to Christmas and Cocos & Keeling Islands.
- **SirKumsize** – Looking after his little lady.
- **Swallow** – Looking after his bank account.

### General Business:

GM **C-Man** asks **Tampax** to hobble forward to be recognised for his severe collision with a laneway barrier on the way home from the Hash last week.

**Disgraceful** is brought forward for his 2 of 6 DD [he did 1 of 6 last week] in respect of achieving 600 Runs with the great Hamersley.

**Rooted** offers a reading [which seemed more like a **Voodoo** short story!] to allow those with special passes to be seated.

GM **C-Man** banishes the Co-Hare, **Mental Disorder**, to the patio for disrespecting the circle by chatting. He reckons he was talking about the cooking!

**Disgraceful** is given his 3 of 6 DD.

**Troppo** takes a seat on the crate in the circle minus the ice block for also chatting when he should be listening.

**Cookie** talks about the recent, by all accounts successful, trip to the WA administered islands of Christmas and Cocos & Keeling and asks **Screwdriver** to give a trip report. **Screwdriver** reckons overall it was a very good trip with ex-member **Shrek** having a lucky break in the surf.

**Coops** at the urging of GM **C-Man** takes the crate for something about the trip that escaped me. DD to **Coops**.

**Disgraceful** takes his 4 of 6 DD – apparently a special dispensation of Scotch & Coke instead of beer!.

Next sitting on the crate is **Swallow** for missing the special run at Southern Cross on 24 July – **Swallow** reckons this was because **Tampax** was supposed to be driving but as he had just come to the Circle from the airport that excuse did not wash.

GM **C-Man** reminds the Circle that next weeks is Hamersley's notable milestone – Run # 2222 next Monday at Millington Reserve, Karrinyup - a nice little walk across the road for Biggles!. Members are free and Visitors will be charged A\$30.

**Disgraceful** is given his 5 of 6 DD.

**Screwdriver** advises that it is the Perth Crankers 150<sup>th</sup> Ride on Sunday 1 August 2021 and meeting at the car park behind Kiara Food Court on Morley Drive @ 1.30pm for a 2.00pm start. All welcome and a cheap A\$5 fee and it would be useful to bring a bike!

**Wimpy** tells us that it is **Squirt's** birthday today and this prompts **Squirt** to put on a carton. He thought that he might delay this for a couple of weeks but **Cookie** is insistent it should be tonight as **Bravefart** is their pool car driver tonight!

**Disgraceful** is given his 6 of 6 for achieving 600 Runs with Hamersley. Well done **Disgraceful**. It is just a pity that the absent Historian **Popeye** did not hand over your and apparently **Arseholeo's** 600 Run badges at the same time that he gave **C-Man** the book before bugging off home before the run. **Meladjusted** offers some insights into his "brother's" run with the PJ Animals in KL en-route to Pan Asia some years ago. Not repeated here as the golden rule is NTOT [No Tales On Tour!].

### Charges:

GM **C-Man** charges **Arseholeo** for avoiding his 600<sup>th</sup> run celebration last week and not being able to do it this week too as **Popeye** had spat the dummy [GM's words not mine!] and gone home. DD **Arseholeo**.

GM **C-Man** then charges last week's Van driver **Mase** for not looking after **Tampax** last week after the run. **Mase** said that he took him as far as Raymond Street where the Van lives and that **Tampax** was happy to cycle from there. **Swallow** gets the DD as it must be his fault as he normally takes point on the bike rides home after the Hash.

**Mental Disorder** charges **Arseholeo** for turning up at **Mullaway's** in the morning to get his bike tyres pumped before the run as it was his 600<sup>th</sup> run and then he turns up in his Stag! DD to both.

**Cookie** charges **Mullet** for bringing Hamersley into disrepute by drinking water on the recent Christmas and Cocos and Keeling Islands trip and allowing himself to get photographed doing it! DD to **Mullet**.

GM **C-Man** charges **Molly Dooker** for struggling to see the chalk marks tonight as **Bravefart** was calling On On. He was obviously unaware that tonight turned out to be a a live run and that there were no chalk marks!. DD **Molly Dooker**.

**Biggles** gives **Blow Job** an accolade for living up to his name for doing this to Ex member **Shrek** in a circle on Cocos and Keeling islands after he had almost been swept away by the current in the sea. I should clarify that it was floaties that he was blowing up!

### WOW:

The Real RA **Cookie** gets his show on the road and calls forward the current WOW, **Stir**, who has been reincarnated as the born-again RA! Smart suit and painted shoes were impressive, but it was the impeccable white teeth that maketh the man! Luckily **Stir** managed to remember to bring the WOW shirt this week.

**Stir** has the following nominations for WOW:-

- **Tampax** – for crashing his e-bike last week on the way home from the Hash and ending up in A&E!
- **HardCase** for using big words in the Rag – pretty weak nomination in my opinion!
- **SirKumsize** for being a shadow of his former self as GM – very quiet this year unlike last year!

**Cookie** does his usual whinge about "soup kitchens" tonight but it did not stop him having two helpings of the delicious but spicy Pumpkin soup on offer after the run.

**Wimpy** and GM **C-Man** start a discussion about the non-attendance of **Swallow** and **Tampax** at the Southern Cross special run last Saturday but then RA **Cookie** reasserts his authority and awards the WOW shirt to **Tampax**. However, before **Tampax** can break some more ribs trying to put the shirt on it is revealed on the handover that silly **Stir** has not worn the WOW shirt on the skin!. RA **Cookie** promptly revokes the award to **Tampax** and **Stir** is the carry over WOW again!

### Run Report:

**Molly Dooker** is asked to do the run report tonight. He reckons it was a top class run [need to remember that he has only done less than 30 runs!]. 15 False Trails kept the runners together – all 5 of them! He reckons we lost **Wimpy** and **Kazi** [maybe because they were not on the run tonight having arrived late due to the traffic problems caused by the weather]. **Molly Dooker** says that it was a good run, good food and good company and awards it 9/10.

### Ice:

Another Ice Free Night – the ice was there but it was thought that Mrs Mullaway would not be too happy if we left her with a wet floor! Bad enough with a dirty one but I'm sure that Mullaway is handy with a mop!

### Next Week's Run:

The Two B's – **Boof & Bravehart** – Hamersley Run #2222 at Millington Reserve, Karrinyup.

### Next week's Van driver:

**Mental Disorder** who has swapped with **Meladjusted**.

### Hash Lunch:

**Tagg** is not in attendance tonight but had sent out one of his most informative emails on the next Lunch on Friday 6 August 2021 at Good Fortune Duck House, 354, William Street, Northbridge

### Hares Act

**Mullaway** reminds us how challenging a day that it has been for everyone. He reckons that they laid the trail 2 days ago and then the rains came and came some more stuffing up the original run. Options were limited but he reckons they made the best of a horrible night. **Mental Disorder** gives his opinion in that it seems that **Mullaway** has a history for stuffing up as a Hare on runs and relates a story about a run 5 years ago in Cambodia when they were last Hares together. DD to both for the Lazarus Run.

### Song:

Birthday Boy **Squirt** and 600 Run Achiever **Disgraceful** lead us into Raise Your Mugs to close the circle.

### ON ON

#### **C-Man / Donka 37/52**

**Donka and Concord continue to enjoy the Broome sun and showed the Broome boys what a real Hamersley run was like. That even recruited two visitors Arse About and Soixante Muff on the night. 3 young women also tried to join until they saw the Hamersley signs. They said "No way. We have just been with your blocks in Christmas Island – Shit Scraper and the old block that has a name like a Fish" Hope the weather improves for the 2222 next week.**
