Run Report 2222 – Millington Reserve, Karrinyup

Preamble: Aaaarrggghhhh. Ahoy me Hearties. Well shiver me timbers the weather has eased off. Hoist me jolly roger, splice the mainbrace and let's get three sheets to the wind.

Jist fan a thoct that I'd seen it au. Fit a stotter oh a night. Well done to the **SeaMan** and those who helped. I widdna have missed it for quids!!!!

The Run: We arrived at the Millington Reserve with high expectations and was not disappointed. 52 or so **MOH** (including 1 visitor), 18 from Perth Hash, 13 from West Coast and the full contingent from Bullsbrook (yes all 3) turned up to see a welcome break in the weather, which had a touch of **Summer** which allowed the **Ivy** to blossom. **Bravefart** (and co hare **Boof**) set the scene and explained the markings (for the non-believers). The pack rallied to the cries of "F*^k of that way" and off we set across the Oval.

Circle Up & Visitors/Returniks:

CMan leaped to the crate and called for the **piss pourers** to enter the circle and introduce themselves. The process took some time as they somehow were being held up as they squeezed their way through the crowd. On getting into the circle **MauSei** took it upon himself to send them away again to replenish his empty beer can. He was first one on Ice and thoroughly deserved it.

Visitors:

18 Perth Hashers, 13 West Coast Hashers, 3 Bullsbrook , Precious Junior, and 2 PP's

Returniks:

Two Two Two Two many to name , but welcome back to all.

General Business:

Rooted offers a reading to allow those with special passes to be seated. He said that a daughter had questioned her father asking why people hang horses. He said no one hangs horses, where did you hear that. She said, I heard Mummy tell Aunt Judy that her new boss was hung like a horse.

Diesel felt he should tell a short joke in recognition of being presented with a Hamersley invalid sticker. After 20 minutes into the joke (Shiek getting enriched with Scottish blood, and then becoming a tight fisted bastard), The **GM**, tried to intervene, the **OnSec** complained because his flight back to Broome was leaving in 12 hours' time and the **Joint Master** tried to speed things along by giving him a short drink (to match his height).**Diesel** complained and accused **Bravefart** for being a Scottish stingy bastard , which forced the other Scottish stingy Bastard (**Donka**) to grab his half ration and throw it over the fence. **Diesel** was nominated for Ice but we all agreed that we didn't have enough time to wait for the prick, so he was sent to his chair instead.

Back to Business. The GM called on representatives from the other 3 Monday night clubs and thanked them for their support on the 2222 Hamersley run.

West Coast GM; **Point**, Perth OnSec ; **Ramrod**, Bullsbrook; **Blank**

West Coast GM, **Point** said save the date as they had a big night scheduled for Saturday 27th November at Camp Leschenaultia to celebrate their 1000th run but flyers will be sent out soon.

Screwdriver announced that Busselton's "Hung" run was only 12 days away. Interhash which no one is going to is 270 days away, Pan Asia cancelled, and Adelaide Nat Hash is in the hands of the Gods

Richie (**Swallow**) Benaud started to give a Sports Report but then admitted he hadn't been watching any sport in weeks – he then refused when asked ,to comment on the **E's** last game.

Charges:

Kazi was called out and asked if he had any charges. He was hoping to hold his charge till next week, as the respondent was acting RA for the night – but he couldn't contain himself so proceeded to charge **POPEYE** for turning up the previous week (cold and wet), opened the BOOK, **signed it** then f*^ked off because he didn't want to get his shoes wet. The **GM** invited **POPEYE** to sit on the ice and think carefully about his response. The verdict, GUILY as CHARGED

Mullaway laid charges on **Sir Kumsize** for drinking all his home brew the week before, then leaving his jacket behind. He also charged the person who left a Bunnings umbrella behind, but no one owned up.

Screwdriver charged **Biggles** for complaining that the **Piss Pourers** were spending too much time behind the circle and should be more forthcoming. The **GM** agreed with **Biggles** and had the eskies moved to the centre of the circle. Charge reversed

Bravefart charged **CHAD** for racing out on the run and for stamping his feet, neighing like a horse and proceeding to race to the finish. Charge carried and **CHAD** on ice,
The **GM** felt that **CHAD** should have been better informed and asked his sponsor **DIGS** to join him on ice.
They both joined **Popeye** on “the edge” of the throne and refused to sit properly on the ice. **Pole Polisher** took it upon himself to throw them off and show them how a real **Hamersley** man does it.
He was rewarded by being joined by the **Piss Pourers** who thought it might be a bit squishy for **Poley**.
His response: No its OK, I don't mind at all". **Onya Poley**
Bravefart charged **Point** for trying to race against Chad, and proceeded to follow some random sprinter who was last seen heading for Scarborough

WOW:

The stand in RA , **POPEYE**, asks **Stir** to come out as returning Wanker and checks to see if the wanker shirt is on the skin. He asks **Stir** if he has any nominations.
“Only one “says **Stir**. “God save the Queen, because after last week, nothing will save the Blond Throttler.
Popeye dismisses this outright and names **Scrap** for events on the Bridges Hash. The GM stepped in saying it was non-Hamersley so didn't count.

Wimpy is nominated for: no offer of carton on his birthday 3 weeks ago and then didn't turn up last week because it was too wet. As the crowd already knows **Wimpy** is a wanker so no vote.

STIR has another nomination and said that **Tampax** tried to get some sympathy from the **PP's**, by limping across the circle (after falling off his bike pissed the week before).

Popeye dismisses cries from the crowd and awards **Tampax** the Wanker shirt.

The circle were not happy and the **GM**, in order to avoid mass riot's awarded **Popeye** a second wanker shirt that he could take on his trip up North.

Run Report:

Chad (and **DIGS**) were invited to give a run report. He started to trace every step of the way and after 10 minutes of blabbing and complaining that there was no drink stop, the GM stepped in and sent him packing with a good old song – F*^k off you c#^ts.....

Good run boys, magnificent food 10 / 10.

Ice:

MauSei for upsetting the GM and circle

Popeye for his misdemeanour the week before

Chad for racing on the run

DIGS for not giving Chad proper instructions

Manly for disrupting the circle

Pole Polisher – to show them how it was done

Next Week's Run: **Squirt**; Dianella Open Space

Next week's Van driver: **Meladjusted who has swapped with Mental Disorder**
