Run Report 2224 – Chez Precious, Greenmount

ELF with Precious and Biggles

Preamble: _Crivvens, jings and help ma boab

The luckiest Leprechaun aka **ELF** the Hare was a happy fellow tonight as with no shelter at **Precious's** place the weather Gods had smiled on him with a big change in the weather from last week's run. **ELF** was ably assisted by Co-Hare **Precious** [Driver] and Co-Co Hare **Biggles** [Quality Control] for tonight's effort up in the Perth Hills.

The Run:

ELF mounts the crate, "where is he" says **Bravefart!** He tells us that there is a runner's trail with a shortcut for the walkers. We are on chalk and flour and it's off up the first little hill. The

hills got steeper and steeper and that sorted out the men from the boys. As FWB, I kept in sight of the running pack until they headed higher up past **ELF's** abode and into the Bush of John Forrest National Park. By this

time, we had done most of the Up and were now on the Down. All went well until the Check Around at the top of Morrison Rd where **ELF** laid a cute cut back onto the railway heritage trail that was crossed by GM **C-Man** and others unaware that is where the trail went. A fair bit of checking took place and I ended up with **Wimpy** and **Mental Disorder** heading down Morrison Rd. Off trail as it turned out, but it was still a decent 5.13Km walk for us. 7.2Km for the runners according to JM **Bravefart**.

Circle Up & Visitors/Returniks:

A surprise visit by an old member, **Chokka**, (he only lives up the street!) who gets a fishy DD.

Visitors:

Precious Junior - waiting to be renamed **Delicate** – he needs to become a member first!.

Returniks:

First Defence – in Rehab - not the Amy Whitehouse kind!

General Business:

GM **C-Man** asks **Pitstop** for a joke for the physically challenged to allow them to be seated. This gives **Pitstop** the opening he required to delve into the GM **C-Man's** background as a fisherman nay a Master of a fishing vessel. **Pitstop** refers to a programme on the Box about Lobster Men and asks where **C-Man's** Hash crew were! At the Hash, where else says GM **C-Man**!

Bravefart as one of GM **C-Man's** travelling companions is chosen to provide a Run report for the past weekend's Hung's Run in Busselton. **Bravefart** seemed to remember the trip down with stop overs for beer and food and then after that it was a lot about EE – Emu Export, that overshadowed the run! It was a good bush run with plenty of water to wade through. Good circle location at a house on the Hill with copious beer all weekend and our GM **C-man** stealing the show apparently!. Overall a mint weekend and a great breakfast!

Coops gave **Precious** a lift home from Busselton but ended up at **Shit Scrapper's** house where **Precious** had departed from and where he had left his Van. Somebody has nicked my keys says **Precious** but in the meantime **Coops** receives an SMS from Busselton with a picture of **Precious's** keys found there! **Coops** presents **Precious** with 3 enlarged copies of his keys [kindly made by **Stir**] in the circle. DD to both.

Voodoo gets all political and refers to the Taliban takeover of Kabul. He asks what colour of Burkha does **Shit Scrapper** prefer now with this girlfriend on his dating App? DD to **Shit Scrapper**.

A little voice from inside the Van is then heard where **Replicar** tells us that he is putting on a carton for his birthday! Good onya **Replicar**.

Barrelina then steps forward and delivers another cracking joke about divorces and ex-wives'!

Mase follows up with a joke of his own.

Charges:

Mausei jumps the gun and leads us straight into Charges and charges **ELF** for setting a dangerous run where 3 members got injured particularly **Voodoo** with a bleeding shin - at least it's not a bleeding story! **ELF** comes up with a defence and says it was not a dangerous run but it was just **Voodoo** getting caught between a rock and a **HardCase**! DD to both!

GM **C-Man** charges **Cookie** and asks where his RA "costume" shoes are tonight. **Cookie** attempts to challenge GM **C-Man** who refers him to the RA Job Description that he wrote. **Cookie** takes his DD in GM **C-man's** shoe!

Mental Disorder charges **Shit Scrapper** for trying to impersonate the Busselton GM, FurBurger, on the bus. **Shit Scrapper** reckoned that his bum and balls were sore next day and who was sharing a room with him – none other than the Key man **Precious**!

Mental Disorder is now on a roll and gets carried away with himself by charging GM **C-Man**. The gist of it seemed to revolve around two Perth Harriette's, a French one and Yo Adrian and then jumps to **SirKumsize** witnessing Furburger pissing herself on the bus! Go figure! DD's to **Shit Scrapper** and **Mental Disorder**.

Gasman aka Pelican Neck [GM's words not mine!] does not seem to learn from **Mental Disorder's** mistake and charges GM **C-Man** about incidents while driving him home after the 2222 Run. This results in **Gasman** getting a DD while sitting on Ice!

Cookie then asks “Where’s ~~Wally~~ the Book” and charges **Troppo** for letting down the Blonde Throttler [not my words again!] aka **Popeye** forgetting to bring it tonight. **Precious** had stepped into the breach and provided a stop gap book tonight. **Troppo** reckons he was saving his defence for a WOW charge but says that for weeks he has been hearing about a new book arranged by Popeye but so far nothing materialises except using up empty pages in the old Book’s directory. You get no thanks for helping out the Committee! DD’s to **Troppo** and **Cookie** and the Blonde Throttler lookalike, **Stir**.

Wimpy can’t help himself and reckons that the Club is Fcuked and earns himself a seat on the Ice.

WOW:

The Real RA **Cookie** mounts the crate and extends **Wimpy’s** suffering on the Ice by inviting jokes and one is duly provided by none other than **Barrelina**. As **Cookie** seems to be in a vindictive mood by keeping **Wimpy** on the Ice he actively encourages further input from the circle and is rewarded with a string of limericks from **Mase** then **Troppo** followed by **Swallow**. Despite attempts by **Molly Dooker** and others to tag [not that **Tagg!**] **Wimpy** on the ice he demonstrates a bellicose [another big word just for you **Stir!**] attitude to his suffering. GM **C-Man** then asks for a sports report from **Captain Hook** who talks only about the 1st quarter of the Dockers vs West Coast Eagles game and seems to forget that they also won the game! The less said about the Wallabies on Saturday night’s Bledisloe Cup game the better.

The limerick tellers return with **Mase**, **Biggles** and **Mausei** too having a go.

Eventually after far too long on Ice **Wimpy** is given a DD and allowed to defrost his nether regions. RA **Cookie** explains his unforgiving actions towards **Wimpy** by saying that he has been giving the RA stick for 15 weeks.

Now the incumbent WOW **Mullet** is called into the circle and asked for WOW nominations. **Mullet** says that he it took him 32 years to achieve 1500 Runs with the great Hamersley last week and that was spoiled his celebration by **Cookie** giving him the WOW shirt on very spurious [another word to look up on Google!] charges. Therefore, **Mullet** reckons that the only nomination that is valid is one for **Cookie**. Of course, irrespective as to how sound that nomination may have been the Real RA is never going to award the WOW shirt to himself. However, we all know that the real WOW is currently MIA! **Mullet** was told by **Cookie** to go away and think again as that was not an intelligent nomination.

A couple of other vague nominations for **Bravefart** [Busselton weekend] and **Stir** [Blockhead impersonation – he reckons he was Clive Palmer impersonating the RA] were tried but the Real RA **Cookie** could not forget the belligerence [keeping you guys busy on Google!] of **Wimpy** and he was proclaimed WOW. DD’s to outgoing and incoming WOW’s, **Mullet** and **Wimpy**.

Run Report:

The injured blood, sweat and no beers Voodoo, was given the honour of delivering tonight’s run report. **Voodoo** reckons he did 6Km tonight [obviously short cut going by **Bravefart’s** record]. We went Up and then Up some more and then Up some more again but there was no drink stop at **ELF’s** house as he had hoped. Some nice bush running and I like hills claims **Voodoo** [but he did not seem to like them too much when I walked past him on the big one!]. Voodoo awards the run an initial 8/10 minus 3 for no nibbles [except what **Precious** raided from his fridge!] = 5/10. DD to “I’ve got a sore leg” **Voodoo**.

Ice:

Gasman followed by **Wimpy** - practicing for his SAS training!

Next Week’s Run:

It is **Rads** at Webber Reserve in Willagee.

Next week’s Van driver:

Cookie makes sure that everyone knows that he has volunteered to stand in for **Mac the Mouth** to drive the Van next week.

Hash Lunch:

No **Tagg** in attendance tonight so next month's Hash Lunch location remains a mystery. However, never fear as a magical email or two will appear at the appropriate time!

Hares Act

The two delinquent [we're on a roll tonight] JM's were interrupting proceedings and the 2 B's were given DD's to shut then up.

ELF is supported by **Precious** and does a take-off of a scene from a Harry Potter movie. **ELF** reckons that certain members of the great Hamersley are not what they purport to be and given their predilections [you guys have been spoiled tonight] they are more suited to other hashing clubs.

The Witches Hat is produced, and these members are invited in to the circle to wear it.

First up is **Captain Hook** who with false arm, false leg and false teeth is just totally false – Perth Hash

Next **Squirt** whose mind is not his own and he is not allowed to do anything – Perth Harriette's

Next **Concorde** whose head is totally empty – not a thing in there! – Bullsbrook Hash

Next **Baron** who is all back to front and just wired wrong – Ravensbrook Hash

The final miscreant is **Cookie** who has no respect for people or property and can't help throwing things but is liked by **Popeye** – The Slithering Hash.

DD's to the Hares – **ELF**, **Precious** and **Biggles**.

Song:

First Defence is called forward and given the hint that the song No.1 is on his Mug so he duly starts with "Enviied, Emulated but never Equalled" but could not get the tune right! He is helped out to sing the right song "Raise Your Mugs" by the circle.
