## Run Report 2231 – Des Penman Reserve

### Oktoberfest

**Preamble:** \_Crivvens, jings and help ma boab

Winters back wee a vengince. Cauld and weet but fortunately the RA kept the rain aff for the run.

#### **The Run:**

**41 MOH** turned up on this cold, wet, wintery night. **Wimpy** took to the crate as stand in for **Cman** who is still up North, doing a bit of work for the fisheries dept. **Wimpy** announces the untimely passing of our Ex GM and friend **SLOPS** who passed away peacefully on Sunday morning. **Wimpy** led the members into a minute silence out of respect for **Slops**.

The hare **Sir Kumsize** was unable to mount the crate due to his dickie knee (Replacement due on 12<sup>th</sup> October – so good luck) and called on **Bravefart** and **Boof** who kindly set the run on his behalf.

Bravefart says "What's rang wee ye panzies, there's nithin rang wee a little cold and wet. Noo, brace yersel's and F\*^k off that way. So, 14 brave **MOH** took off at a gallop with one Fast Walker, and a hand full of walkers following on behind.

### Circle Up & Visitors and Returniks

**Visitors:** there were no visitors tonight

**Returniks:** **Popeye** (looking after dogs), **MTM** (generally f\*^king around and losing weight), **Mullaway** (Up North fishing), **Squirt** (Enjoying some time out with his sons), **Kazi** (acting the fool at Kulin).

### General Business:

**Wimpy** started with his tribute to Slops:

*There was a man called John, this won't take very long.*

*Slops was his given name, but I don't know why, as it was way before I came*

*He joined in June 1981, he thought it would be a lot of fun.....*

He was a master at joke telling and didn't let his degenerating health stand in the way of a good joke.

Ripper block and 100% Hamersley man

**Hash History;** joined 1<sup>st</sup> April 1981, passed away 2<sup>nd</sup> October 2021

**Committee Appointments:** GM 2006 – 07, On Sec 2005 – 06, Hash Cash 1982 – 83, Historain 1983 – 84, JM 1986-87

**Popeye** recounted a story of Slops missing out on a winning raffle ticket because he had read the ticket upside down

**Troppo** mentioned that his 40-year hat was available, but never given to John. This will be passed on to his family.

**Assassin** gave a tribute from afar and said that the calling of the Melbourne Cup would never sound the same. A club legend who never let his humour and spirit be crushed by his problems

**Pitstop** gave tribute as he was **RA** to **Slops** in 2006 / 07

**Mel Adjusted** informed the circle that Rambling Rose was not doing so well in hospital and our thoughts go out to her family at this difficult time.

**Boof** asked if anyone was free on 17<sup>th</sup> October to attend a drink stop at the Perth Marathon. It is unlikely that we could get 8 or so volunteers at this late stage.

**Biggles** will be looking for commitment and money by next week for the Hamersley Golf Day

**Baron** reminded members that next year's fees are due. So, pay up.

**Wimpy** announced that **Cookie** had paid in excess of \$3,000 for a box seat for 6 hours of free drink and food at the AFL Grand Final. **Wimpy** paid \$200 for a box seat for 4 hours of free drink and food the same event, but for the WAFL Grand Final. **Who's the brightest man in Hash Now.**

**Mental disorder** reminded members of the up-and-coming Albany weekend along with West Coasts 1000<sup>th</sup> run. **Who's going?**

### Charges:

**Mental Disorder** on **Mel Adjusted** for driving like a maniac while trying to reverse his Ute in the car park.

**Wimpy** on **Mel Adjusted** for asking for his drink to be watered down at the drink stop on the joint run the week before. Wimpy thought it was disgraceful so **Disgraceful** was called out for a down down. **Wimpy** then reconsidered and said that it was a bad offence – bringing the club into disrepute and went to put **Mel** on ice. **Cookie** piped up, was that on Mun day, or Wednesday? **Mel** was saved the ice as he was replaced by **Cookie**

**Popeye** was charged for failing to put his Run No in the book. **Any reason Popeye?**

Accolade to **Mental Disorder** for helping **Bravefart** recover his registration fee back from the cancelled Yangon Pan Asia hash event. Apparently, the new GM is Nigerian and said he was happy to give **Bravefart** back his money, provided he gave him his bank account details with passwords. **Be very afraid Bravey!!**

### WOW:

The Pride of Wankers (**Popeye, First Defence & Molly Dooker**) were called out front and centre and asked for their nominations.

**First defence** nominated the poor unfortunate **Popeye**, for not wearing the wanker shirt at the previous joint run, and for covering up the shirt this week. **Good nomination!**

**Molly Dooker** followed **First Defence's** lead and also nominated **Popeye**.

**Popeye** however tried to deflect the inevitable, by talking about how he had taken it up North, met up with **Wimpy's**, Rosie and her relatives and had some special artwork done. **Not sure who he was nominating, but the members were waiting with bated breath for the opportunity to vote!!**

The RA **Cookie** however had other thoughts and nominated **Sir Kumsize** for having fully clothed **Hairy ettes** serving at the drink stop – which he reckoned was a mortal sin. **Sir Kumsize**, after retrieving the dummy he spat, accepted the shirt but did not think it appropriate to wear the shirt on the operating table the following week as suggested by the **RA**.

**Sir Kumsize** was the WOW

### Sports Report:

**Boof** was called out to do the sports report. He said it was a good week for sport. The Panthers beat the Rabbitohs in the NRL Grand Final. Subiaco beat South Fremantle in the WAFL. The Australians beat the Argentinians in the rugby and the Yarpies paid the Ref, and together, beat the Kiwis also in the rugby.

### Run Report:

**Molly Dooker** said the run was great, plenty FT's but did get confusing at the shopping centre. An added highlight was getting chased by Somalian's but he was able, single handed to hold them off and live to tell the tale. **9.5 out of 10 for run and food**

**Next Week's Run:** Mullet at Seacrest Park, Sorrento 6.00 start. Food - **Yes**

**Next week's Van driver:** **Molly Dooker** as stand in for **Pits Stop**

**Hash Lunch:** **Tagg** gave lunch report saying that 7 MOH had attended Hash Lunch at Yagan Square and the food was enjoyed by all. He then called out **Mullaway** and said he reminded him of a Ficus tree????

**Your guess is as good as mine!!**

**Hares Act:** **Sir Kumsize** was joined by **Spud** and they rattled off a whole bunch of German Jokes. Some pearl原因. Good job.

**Songs:** Song No 2 was led by **Popeye**

Well done to **Wimpy** as stand in for the GM **CMan**.
