Run Report 2232 – Seacrest Park, Sorrento

Mullet's and Hotdogs

Preamble: _Crivvens, jings and help ma boab

A thought it was supposed to be Spring. Bloody freezing. Cald enuff for yer balls to fa aff, that's if ye can find them.

The Run:

36 **MOH** turned up on this freezing cold, wintery night. **STIR** took to the crate as stand in for **Cman** and quickly calls on the hare **Mullet**, to give a run down on the run. **Mullet** says he was the mastermind behind the run directions and had spent months studying it on google maps. He did acknowledge his Co-Hares **Kazi** and **Tampax** for actually setting the run and said "provided they have followed my directions – F*^k off that way, and of course, no drink stop."

So, 12 brave **MOH** took off at a trot, with one Fast Walker, and a hand full of slower walkers following on behind.

Circle Up & Visitors and Returniks

Visitors: there were no visitors tonight

Returniks: **Arseholeo** (been away looking after his old man), **Dingo** (who has been hibernating at home) and **Fartin** - who has held off for years, succumbed to the pressure and has just paid his subs as full **Hamersley member**. Welcome to **Fartin**

General Business:

Rooted stood to talk on behalf of the physically impaired but was gazumped by the faster and slicker **Dingo**. **Dingo** recited a short poem which started with the words "We're just a bit of plumbing" which degenerated to an end that suggested that you "Hold on to the grizzly bit". **You still got it Dingo.**

Pitstop (who unfortunately was unable to attend), advised that he would put on a carton, as a tribute to **Slops**, as **Pitstop** was his **RA in 2006 / 07**. **Onya Pitstop**

There was no further mention of **Hamersley** putting together a team to help at a drink stop at the Perth Marathon on 17th October as we have struggled to find 8 or so volunteers at this late stage. So, it looks like a No from us.

Biggles advised that he had filled 16 of the 20 slots for the Hamersley Golf Day on 7th November. So, if you want to come, get your name in, and pay your money, \$50.00 for walkers, and \$60.00 if you want to share a cart.

Baron reminded members that next year's fees are due. So, pay up.

Acct details: Branch : Westpac Warwick Branch

Acct Name: Hamersley Hash House Harriers

BSB : 036 080 Acct No: 44 0659

WestCoast advised that they raised \$1,880.75 for charity at the recent "Close to your Heart" run and thanked Hamersley for their generous support.

STIR likened **Cookie** to a clown's head that you see at a Fare Ground. Open gawky mouth and continuous rotating of the head. **Good call as acting GM. I would however suggest you miss the next couple of weeks, as you will not be protected by Parliamentary privilege!!**

Scrotus is still recovering from surgery and has requested that his run on the 22nd November be moved till early next year. **Molly Dooker** kindly volunteered to take over the run as Hare. We wish **Scrotus** well in his recovery – as we do **Sir Kumsized**, who has just undergone a knee replacement.

Cookie gave a lonnnngggg presentation on his investigation into the discrepancies that he had undertaken regards dates on the various award plates for last three years. It seems one year was skipped (Mel Adjusted's time as RA) which has thrown the next three years out by one year.

Anyway, he also said there was plenty time remaining for final selection of WOY so role up if you dare.

Mase advised that he had heard that **Wimpy** had won Millions on the GG's. He has bought a chicken farm as an investment. **Mase** asked him "What you do that for?, it's not so easy to rear and sell chickens at the moment". **Wimpy** said "No, no, I'm not going to sell them, I'm going to Root them".

"F*^k" said **Mase**, how low can you get? "Down to a Bantam" said **Wimpy**.

Charges:

Accolade for **STIR** who rumour has it, has reached 50 years in marriage. He put his success down to his bride who he effectively called his **Chook**. He said that she had changed little over the 50 years but instead of now calling her his little Chook, he now calls her his **Old Boiler**.

STIR lays charge on **Molly Dooker**, for getting him lost last week as navigator to the Hash Run, and also for getting him lost on the way home. **Maybe you'd be better off with a homing Pidgeon?**

STIR on **Molly** again, this time for forgetting the OnSec's name and referring to him as **Stumpy**. **Mmmmm, that will keep, I'll put it on the list.**

Biggles charged **XYZ** for not only disrupting the circle by throwing cans (and missing) at the empty's container but throwing a half full can which spilt over him and **Mase**. **STIR** dismissed this as he said there was no evidence other than a wet patch done **Mase's** leg, which he put down to being a natural occurrence.

WOW:

Cookie explained that the current Wanker was undergoing surgery so couldn't be with us on the night. He then explained the discrepancy in the Wanker trophy and maintained it was **Mel Adjusted's** mistake.

In the absence of Mel, he awarded the Wanker shirt to Mel's look alike **Disgraceful**.

Run Report:

Troppo said that it was a shortish run but plenty of hills and long FT's, kept the running group and walkers pretty much together.

Mase was asked to say a few words on behalf of the walkers, but he thought it a long walk – especially as he ambled off course and walked for miles

General Consensus – 9.7 out of 10. (This includes 0.1 for the hot dogs)

Next Week's Run: Awesome 4 some - Joint Run at Richard Guelfi Reserve, Balcatta.

6.15 start. Food – Due to illness, **Halfway** is unable to attend so the committee will put on snacks and snags. We wish **Halfway** quick recovery.

Next week's Van driver: Pole Polisher

Hash Lunch : TBA

Hares Act: Mullet chose to tell a TRUE story for his act. He said that he was going out for a couple of quick drinks last Friday when his misses asked if he would be home early. He said he would so agreed to pick up some escargot from the deli for their evening meal. So, he went out to the MAAC club and had a couple and decided he better leave as he had promised to be home early. He was persuaded to have another, then another and then....., until some hours later, pissed as a fart he set off for home.

Before getting in the door, he spread the snails on the pathway and rang the bell. When the misses came to the door, he shouted "Come on boys, we're nearly home now"

Songs: Song No 2 was led by **Wimpy**

Well done to **STIR** as stand in for the GM **CMan**.
