Run Report 2234 – Roselea Shopping Centre

Preamble: _Crivvens, jings and help ma boab

Shitty weather all day, was not conducive to a well anticipated run set by our founder member **Duffy** (Co hared by **CMan** and **Gas Man**).

Shade cloth in the parking bays at Woolworths – Roselea Shops did offer some relief, but the book had to be guarded with care as the light rain filtered through.

The **GM**, tested the crate to its limit and called up **BOOF** for 1 & 2 of **1900** runs

The Run:

Duffy is helped up to the dizzying height of the crate and says chalk, paper but no drink stop, so F*^k across the carpark and into the paddock. 36 **MOH**, one being a shy returnik, and 2 visitors, turned up on this dreary night,

along with a very curious security guard who had been sent over to see what all the commotion was about. He circled most of the night but some sweet talking by Duffy kept him at bay.

The pack with the usual 12 or so Hamersley Runners took off at a blistering pace and immediately found some very clever FT trails, through holes in a fence into some virgin scrub.

Circle Up & Visitors and Returniks

Boof was immediately called out to do 3 & 4 of 1900, then 5 & 6 of 1900. He said he had no mates and intended drinking all the DD's himself. **It could be a long night!!**

Returniks : The very shy and elusive **Mother**.

Visitors:

Sir Tomarse (Perth Hash) came along as it was Duffy who introduced him to hash many years ago
Xmas – who was ST's mate

General Business:

Boof complete's 7 & 8 of 1900

The **GM** held a minute's silence for Harriette **Rambling Rose** who passed away after a short illness last week. She will be sorely missed by those who knew her.

Rooted took front and centre on behalf of the physically handicapped.

He said, a cannibal walking thru the jungle, came across a restaurant and saw the menu saying -

Grilled tourist \$5.00, Boiled Missionary \$10.00, Fried explorer \$15.00 and Baked Hamersley GM \$100.

He asked why so much for the **H4 GM**. The cook replied – have you ever tried to clean one? They are full of shit, and it takes all day to clean them. At that, **Rooted** appeased the **GM** by sitting on ice after his kind invitation.

Precious, who was loitering around like a bad smell, jumped at his chance to announce that a new issue of vests had arrived, and each vest will cost \$35.00 each.

Cookie wished to give **Duffy** an accolade, as he cleverly arranged for his run site to be at Rose – Lea shops which complimented **Boofs** 1900 run and ex-wife Rosie.

Wimpy also had accolade for **Troppo**, for doing a great job in his role as Hash representative at **SLOP's** memorial service. It was also mentioned that **HaBB** (Ex Hamersley) did a good job as MC.

Voodoo was called out by the **GM**, to pick up his glasses case which had been run over and left at **ELF's** 71st Birthday party at the weekend. The **GM** then questioned **ELF** as to why he didn't receive an invite. **Elf** made it clear by his attitude and actions that he had not wanted any riffraff there!!!!

ELF was then invited to do a **SHORT** Sport's report.

Liverpool FC **scraped** through against Man U

The Kiwi's Rugby Union **scraped** through against America

Elf unfortunately had to end there as his knuckles hurt as they **scraped** through against the pavement.

The **GM** announced that the **AGM** on 15th November will be at **Kings Meadow**. Details to follow

Boof completed 9 & 10, and 11 & 12 of 1900.

A number of Firsts were achieved at tonight's run namely:

Mullet turned up wearing a pair of Running Shoes (**Well shuffling shoes actually**)

Shitscraper was out talked by **Mental Disorder**

Duffy stayed behind for the Full Circle.

Not announced but communicated afterwards, bring \$5.00 next week for **Melbourne Cup** sweep.
Wimpy will do the on course calling.

Charges:

MauSei Charged **ELF** for climbing on the crate, at the Awesome 4 some Run, with allusions of grandeur and to gain a better view of proceedings. A photo was produced as evidence, but it could not be confirmed by any other member as nobody noticed any difference in **Elf's** height.

It was suggested that he was the GM's look alike, **Donka** agreed that they compared well in Girth – but not in height??. This landed **Donka** with a seat on ice. (which, Crivvens, was a surprise action by a GM who will be out of office in a couple of weeks' time – It's going on the List!!)

Hardcase on **Popeye** for dereliction of duty in regards **not creating** a spread sheet that adds members runs for the year and totals it from the first run after the AGM, and for **failing to Audit** the Run Book regularly. **Hardcase** claimed that his friend **Doyley**, did an audit because of some reported discrepancies in the Book and found several misrepresentations. **Popeye** strenuously denied the said allegation and stated that the book and spreadsheet were UpToDate and correct – and that he had noticed a number of red marks added in the book (and took action where necessary). Both received DD for their trouble.

Boof completed 13 & 14 of 1900 (and now on JW and Coke – could be interesting)

Precious pulled out **Mental Disorder** for driving a car to hash with absence of a **H4** sticker

Mental Disorder said that it was his wife's car – and as she is a Harriette, he was barred from putting a H4 sticker on the car (He added – this according to **Cookie**) Unfortunately, being new to the club, he took **Cookie's** word to be correct. (Don't worry MD, you will soon learn and be like the rest of us and not listen or believe a F*^king thing he says)

Boof downed his 15 of 1900.

Popeye, told the story of a specific night in KL, where **Boof** was under the weather, and referred to a taxi driver as a monkey. This resulted in them being dropped off at the wrong side of a 4 + 4 laned freeway, which they had to cross to get back to the hotel

Boof downed 16 of 1900

Cookie told a story relating to a late night in Chang Mai, **Boof** in his Dress outfit, ladies at the bar and DD's with ARAK – the local Rum. The end result did not turn out good.

Boof downed 17 & 18 of 1900

Wimpy told a story of **Boof** using an usual loo after an offshore run in KL. The end result was similar to above!!

Boof completes 19 of 1900 – gets his song and badge. Congratulations to joining the very exclusive club of Hamersley members reaching 1900 runs.

WOW:

Disgraceful comes forth suitably attired in the now very stretched Wanker Shirt.

His nominations:

Capt Hook for wandering over to **Perth Hash** at the recent Joint run to see if they had better nibblies than **Hamersley**.

Second risky nomination was against the **RA**, for mistaking **Disgraceful** for **Mel Adjusted** – and for misquoting dates in part of the RA's charge.

Coops complained that he had had warnings that people were trying to jump the fence at the Van storage area utilising an old mattress as a springboard. This lead to the belief that Bundi's had been stolen leaving the

club short for **Boof's** down down"s. He then figured out that it was **Popeye**, trying to access the yard to drive the bus, **Popeye** was nominated for the lack of Bundi's in the store.

By rapturous shouts from the crowd, **Popeye** was handed **Wanker of the Week**.

Run Report:

Dags gave a walker's report where he said that the 4 km's was just right, and the first FT's into shiggy was perfect. Nibbles good – 10 / 10

Boof slurred a runner's report where he agreed that the run was good (Maybe a tad short) but good use of FT's and checks to keep the pack together. Score 9 / 10

Next Week's Run: Capt Hook: Alexander Heights Park – off of Greenpark Road, 6.00 pm start.

Food: Yes :

Bring your \$5.00 for Melbourne Cup Sweep

Next week's Van driver: Precious

Hash Lunch : TBA

Hares Act: No Hares act, but **Cookie** stepped in and told a joke

He told us that he had recently heard that two eggs got married and confessed that they were both still virgins. The bride egg went to the bathroom to titivate herself for the groom and came our wearing a very sexy negligee. The Groom went into the bathroom and came out naked with a hard hat on his head. The bride asked what the story with the hard hat was. He said, "Last time I was this hard I got bashed on the head with a spoon

Songs: Duffy remembered and sang "Raise your Mugs"
