## Run Report 2236 – Perth Airport

**Preamble:** \_Crivvens, jings and help ma boob –

Weel. Me last Report, Wha would have guessed it. Don't know fit I'll Dee on a Tuesday murning noo.

### **The Run:**

The GM clammers onto the crate – looking like a man who is not long for this status. Pleb next week GM so don't piss off your OnSec. You never know who will get voted in next week!!

The evening is quite pleasant, warm and dry for a change and a nice short canter through a little bit of shiggy should be very pleasant. Coops is invited up to the crate where he dishes out his traditional snakes and frogs, to the 43 MOH + Visitors saying that will keep the little creatures at bay. Bit of flour, toilet paper and not much chalk, send Concord up front in case of snakes, runners F\*^k off that way – walkers will have a more leisurely track.

### **Circle Up & Visitors and Returniks**

F\*^k me old dog, never seen so many Returniks and Visitors in one go. Hope I have enough lead in my pencil????

**Returniks:** RADS, DV8, Gasman, Pumpkin, TAGG,

**Visitors:** STUPID (Ex Hamersley GM currently in Darwin), Tug (Peninsula Hash, Melbourne) Precious Junior (Delicate)

## General Business:

**Barrelina** – who is assisting **Bravefart** as **JM** (In **Boof's** absence) has his squeaky toy sheep, which is extraordinary annoying, is called to task by the **GM**. **Barrelina's** response is to say he believes the **GM** has a small dick, but women don't complain as he has 28 stone to punch it in with. **Mmmmm, I think you're playing with fire Barra. Just as well the GM is in a benevolent mood.**

The **GM** wished to remind all MEMBERS that, the **AGM** next week, is for **MEMBERS ONLY. No walk ins, friends, dogs, cats or imbeciles. Non- Members will be turned away.**

**STIR** enters for the Physically Handicapped and, lost for words, asks **Mullet** to step up. **Mullet** said he had not prepared a joke, but chose to tell a true story instead. He said that he was walking past a public toilet and was dying for a piss, so jumped in. Unfortunately, it was the ladies and one woman said – “Hey, this is for women only”. **Mullet** held up his little squeaker and said “Well, what do you think this is for”? The physically handicapped were invited to sit.

Speaking of which, **Mooly Dooker** asked if it was all right for him and **Capt Hook**, to join up on the wet areas of the run, so that they didn't end up swimming round in circles!!

**Wimpy** was called out to announce the winners from the Melbourne Cup sweep. He did a quick round down of the race over the last 500 m, to reveal that the fastest filly on the Hash course was **Donka's (No, NOT DONKEY)** with great winnings of \$70.00 – which was immediately put on the bar for free drinks for all of **Donka's** friends. **Popeye** did the same but was able to go home with his \$10.00 second up prize. **Troppo** picked up his \$5.00 stake as his horse didn't even get past the starting post.

**Biggles** gave a **report on the Hamersley Golf Day** which say 20 participants do battle with the elements. Longest drives went to **Arseholeo** and **DV8**. Nearest the pin was **Mase** and **Biggles**. Most accurate drive (Closest to a centre line fairway marking) was **SPUD** and most Piss drunk on the course – which may explain the divots left throughout the 18 holes – went to our **GM – C-Man**

Winning group was **DAGS Diana Sores**, runners up **Disgracefuls Golfers**, with **Donka's Tartan Army** and **Arseholeos Bandits** coming a close 3<sup>rd</sup> and 4<sup>th</sup>. Wooden Spoons went to **2 Dogs Puppies**.

Great day, and thanks to **Biggles** for organising it.

**Cookie** was obviously feeling left out, so jumped into the circle, to announce an accolade to **Tagg** for being able to bamboozle, a smart bunch of young engineers that **Cookie** was currently mentoring. **GOD help them!!**

**TUG** reminded the circle that there will be a Friday lunch prior to Nash Hash in Adelaide and hoped that the Hamersley boys would support this event.

**STUPID** did what he does best and throw panic into the circle by throwing used colostomy bags around the joint. **Rads** and **Coops** were recipients.

## Charges:

**SPUD** charged **Biggles** for entrusting the golf buggy driving to **DAGS** – only because **SPUD** ran over someone last time up. **SPUD** complained that **DAGS** was a worse driver, as he managed to ram into one Black Boy (Opps I meant grass tree), 3 bushes and almost put them into a bunker.

**GM** had heard rumours that some runners had turned back – not wishing to get their feet wet on the SAS trail that **Coops** had set. The **GM (clearly now totally delusional and suffering from Post dramatic stress )** believed that the OnSec – **Donka**, was one of those runners. **Biggles** and **Arseholeo** came to the OnSec's rescue and

confirmed the OnSec had in fact followed trail – and had also followed the front runners on a FT which meant wading waist deep through a LAKE to the drink stop.

**Wimpy**, (feeling very brave, and believing he had the back up of the current **GM** – who has only **one** AGM to go), said he didn't believe **Donka's** account as he had heard that Donkeys can't swim!!!

**Donka** responded that maybe they should not waste tonight's circle with such frivolities but promised to take the issue up again in the coming couple of weeks.

Accolade for **DIK Van** for putting on the Drink Stop as part of his Birthday celebrations. **Onya Dik Van**

### WOW:

**Mr Armani** was called to the crate and invited the current Wanker **Popeye** to join him.

**Cookie** advised that there had been some good contenders for WOY this year, with people with 4 + shirts being **Arseholeo, Voodoo, Kazi, Wimpy, Mullet** and of course Resident Wanker **Popeye**. Those members who had not worn the shirt were asked to identify themselves included **Blow Job, Mother, Mase, MauSei, Replicar**, and many others.

STIR thought that **Arseholeo** should be nominated for having a number plate SDT

**Dik Van** thought that the **RA** was thinking too much and if not careful, would end up being Wanker himself next year.

**Mental Disorder** was nominated for sucking up to the Premier - Mark

This led to 5 nominations being: **Mental Disorder, Dik Van, Popeye, Wimpy, and Visitor TUG**

After much deliberation and crowd consensus that **Popeye** should retain the shirt, **SPUD** in a moment of rash thinking, suggested **Donka** as he was standing close by?????. **Mr Armani**, supposedly the self-acclaimed, most intelligent man in hash, thought that an excellent idea and awarded the WOW shirt to **Donka**. (We'll see how clever he is next week when he's out of a job, and the newly elected GM (who ever that may be) will not see the need for protection)!

### Run Report:

**Biggles** was called out – but sent away again as he was too eager to back the OnSec's story on completing the Run.

**Wimpy** took over and congratulated **Concord** on the horn, thanked the JM's for all their hard work during the year, and agreed that **Coops** Run in the Shiggy, was as good as ever – particular the water course that the runners had to follow. 9.5 / 10 for Run and -0.5 for food ??? making a total of 9 / 10.

Next Week's Run: AGM – Kings Meadow Oval : Bring your water wings and formal wear.

Oh, and did I say NO VISITORS to the AGM

6.00 pm start. Food : Yes – the finest money can buy

Next week's Van driver: STIR

Hash Lunch : Announcement after the AGM

Hares Act: **Coops** thought that **STUPID** had done enough so that was the act. **Precious** was thanked for being **Coops's** Co-Hare.

Songs: **STUPID** sang out "Australia's Hash"

ON ON

**C-Man / Donka 52/52 – (All over rover!!) Well done to C-Man on a magnificent year as GM**
