## R Run Report 2197– Koondoola Community Centre

### Waitangi Day 9 (Kiwi Day )

**Preamble:** \_Crivvens, jings and help ma boab, Weel fit a start tae the nicht.

We arrived at the Run site after our 5-day COVID lock down to see plenty of members wandering around like lost sheep. Good turnout, but why the aimless wandering and bleating? **“The Club’s f\*#ked, Run book says Run No 2196 and Donka’s Rag says Run No 2197. Donka – ewe must be wrang”** says the flock. **“Not me “,** says Eye,**”** cause I hiv faith in me **JM’s – Book must be wrang”**. Quick look through the book shows an error in Run No 2190 as it was duplicated over two run dates. **Where’s the Historian – POPEYE, what a Wanker. Surly he’ll get the wanker shirt tonight?**

**40 MOH** front up on this cool and cloudy night, along with one brand new member, **Exit – Reentry Or (Come and go)** for short. Welcome to the club and to your first official Hamersley run.

## The Run:

Our GM **C-Man** slinks on to the crate after a hard weeks fishing and trimming his unmentionable's elongated eye lashes and he says , **"whaf di muck is gan on we di maks on yir faces."**

We said whaaaaat??????. **"Take your bloody mask off before ewe address the crowd, ye dopey bugger"**. Oh, OK says he. After taking off his mask GOD say's" **Thank you all for cuming in these uncertain times and glad to see that you are being responsible, taking your COVID duties seriously and all wearing your masks tonight"**. Onya C-Man.

**GOD** calls for the **Sheep shaggers** up cum to the crate and **Troppo**, chief Run setter, ( **MauSei** the Hare and **Kazi** the sheep dog) says **"chalk and cheese" – no I meant "chalk and flour" and before I forget, false trails are a single line – cause we were having trouble spelling FT. One drink stop - Now, F\*#k off that way"**

## Circle Up & Visitors/Returniks

**Visitors:** None. **Exit-Reentry** now a new member

### Returniks:

All of us (due to last week's cancellation of a run due to COVID lock down)

## General Business: \

**GM** gave a minute's silence for two fallen Hashmen.

**Chee Bye** from KL , a Founder Member of PJ Animals. One of three hashers who had attended every Interhash.

**Bemo Bob** a stalwart on Jakarta Hash passed away in Melbourne

**Roo-Ted** called up to give a reading for the Physically handicapped. He thinks it may be the same reading as he gave a few weeks ago but can't remember. **Mel Adjusted** invited to sit after telling the flock that he will have to undergo triple bypass surgery in next week or so. The club wishes him well with the operation.

**Roo-Ted** announced that the Sathash were going to celebrate their 30<sup>th</sup> anniversary this coming Saturday, but due to COVID and restaurant restrictions, it has been postponed until the first Saturday in March (6<sup>th</sup> Mar 2021). Please contact Roo-Ted for further information.

**Concord** says he's missing his double headed dildo and wants it back – **really????? There is up to 60% off ,online Dildo's at the moment if you move quickly Concord. See [www.wildsecrets.com.au](http://www.wildsecrets.com.au)**

**Screwdriver** was unusually, a bit lost for words as he had to cancel the Krankers pre Poor mans last week. There will be a normal ride this week however if anyone is interested. Poor Mans Hash is still on, 133 registered so far. As to the rest – who the f\*^k knows. **He disnagiveafuckalot anymore. Mmmm, seems to be catching.**

**Precious** announces Hamersley running shorts have arrived and will be for sale next week.

**Bravefart** announces there will be a Community open day on the 22<sup>nd</sup> February Run to encourage new members. Let's all support this incentive and bring new potential members if possible.

**Donka** reminds committee members that the next committee meeting will be Tuesday 16<sup>th</sup> February. All members are welcome to send in any comments (sensible comments) that they would like raised at the committee meeting.

**Stir** showed some concern that one of the sheep placed around the circle had clearly been tampered with. It had obviously arrived as a Virgin and left with an arse glowing pink. We are looking for one of our Kiwi members to own up.

**First Offence** has returned from Adelaide after his horrific off-road motor bike crash and surgery. We wish him a speedy and full recovery.

The **Sheep's choir** were congratulated on accompanying the circle with a background rendition of Bla Bla Black Sheet thanks to hi tec from **Stir** and **Tampax**

**Pole Polisher** was present and correct sporting his new-look beard. Managed to grow it during his recent and current holidays? **Mmmm, did anyone think to tell him about the raging Fires we were experiencing throughout our state?**

### Charges:

**C-Man** calls out the JM's **Boof** and **Bravefart** for not being able to answer questions raised by our new member. le What run number is it tonight and Where is next week's Run? **Kazi** wanted to add to the charge but was put back in his box by the **JM's**. **Donka came to the rescue.**

**Stir** charges **Roo-Ted** for passing on Old Man's disease as half of the members were walking around the circle as if they had shit their pants

**Boof** charges the **RA** (Mr Armani) for being a tight arse for picking up his car pool members in a cheap arse Subaru. **Cookie** felt that his Mercedes was too up market for the Koodoona area. **Silly prick didn't realise that every one in the neighbourhood had a Mercedes. The only difference was that they didn't own them.**

**Rads** gets down down for being an even tighter Prick.

**Bravefart** charges **Pole polisher** for dropping his 10 year hat on the run. Poley says that he can't understand it as he only wears his yellow cap to run in. It must be a miracle because the hat that was found was red and black!! **Poley** takes down down wearing his full-face mask.

### WOW:

The RA **Cookie** takes to the crate.

ON THIS DAY: The film "Birth of a Nation" was released by D.W.Griffith. It was controversial for its portrayal of Blacks as unintelligent and sexually aggressive towards white women, and the portrayal of the Ku Klux Klan as a heroic force. The film is credited with helping revitalize the KKK.

There were many potential Wankers :

**Popeye** for not taking responsibility for the Run book's mistake.

**MauSei** for destroying half of the kerbing in the carpark when he left for pizzas.

**Rads** for keeping first place at the food table for the whole of the night.

**Hardcase**, as the resident wanker for last two weeks was asked for his nominations. He put his hand on his heart and said that he, as an old-fashioned hasher, doesn't believe there were any members that had wronged enough to be given the shirt. The **RA** therefore had no hesitation in announcing CARRY OVER.

**Elf** suggested that maybe there was alternate motive for **Hardcase** to bring home the shirt?

### Run Report

**Nice Tits** was called out to give the Run Report. His report was sketchy to say the least so I will fill in the missing parts.

Run went North through Koondoola Park and then eastward into Koondoola Regional Bushland and Conservatory Area. Run carried on parallel with Marangaroo drive before turning Westwards parallel to Alexander drive, all within the bushland. Good use of FT's (or straight lines) which kept the running pack together (all 13 of us). Walkers on a slightly different trail caught up with the runners at the drink stop. Some clever use of trails (the Kiwi's must have had external help) saw the runners and walkers arrive back at the van at the same time.

**Kazi** complained that he had travelled 11klms marking the two trails (under the supervision of **Troppo**), but runners recorded a little over the 6 km mark.

Beers (Ewe Beaut) were cold, – no were FREEZING so couldn't drink the Bastards. Had them as icy Poles.

Good run, good food 8.5 / 10.

### Ice

Apart from the drinks !!!! , only Swallow deserving a seat on the ice

### Next Week's Run:

**SPUD** – Vikings Soft Ball Club, Madeley

### Next week's Van driver:

**Cookie** – stand in for C-Man

### Hash Lunch:

No Tagg - **We miss you Tagg**

### Hares Act

**Troppo** and **MauSei** read out a series of two liners, mostly with Kiwi references.

Best of the lot was :

Q: What do you call a sheep that is tied to a lamp post.

A: An entertainment Centre.

**Good effort boys, very amusing Ho Ho Ho.**

### Song:

All the Kiwi's were pulled out for the club song. Song like true Blues – **Boof, Replicar & MauSei**
