## Run Report 2198– Vikings Soft Ball Club

### COVID Free

**Preamble:** \_Crivvens, jings and help ma boab, Weel fit a bonnie nicht it wis.

We arrived at the run site at 5.30 just in time to see our evenings driver **Cookie** doing laps around the car park in the Hamersley Van. **Where did he think he was, BALI????**  
**Hardcase had palpitations. Thought he was going to have a heart attack?**

47 MOH and one visitor Shorthorn front up on this hot and barmy night. Good to see **First Defence** back from the dead after his horrific off road bike accident in SA. If he was any older, he might have been up nominated for Life Membership. Next time maybe??

## The Run:

Our GM **C-Man** squelches on to the crate after another hard weeks fishing. "6 o clock . Where's the Hare" he bellows. SPUD takes to the crate and says chalk & dunny paper – **one drink stop, now F^\*k off that way**

## Circle Up & Visitors/Returniks

**Visitors:** Shorthorn – **looks like you're here for a while – might as well join!**

**Returniks:** Flasher, First Defence, Two Dogs, Dags, Pitstop, Gas Man, Shit Scraper

**General Business:** "Where's the RA" bellows the GM – **(he's doing a lot of bellowing tonight)**

STIR steps in," Here ye, Here Ye, Here Ye. The RA is cuming – just getting changed. Having trouble with his shoes". **What the F\*#k.** The RA steps into the circle, sporting his Armani suit with matching shoes – no **NOT** matching. One Yellow one and one Red one (still dripping wet). **Where did you get your dress sense? Is this the Smartest Man in Hash? – we'll see!!!!**

**Mase & Roo-Ted** called up to give a reading for the Physically handicapped. **Roo-Ted** tells a story of the old cowboy ordering drinks and asking the barmaid if she wants to hear a "blond Joke". The Barmaid says be careful, there is 5 blonds in the bar, two with their clubs of choice – cricket bat, golf club along with a karate black belt, wrestler & weightlifter. Still want to tell your Blond Joke? After some reflection he says NO, not if I must explain it 5 times!!

**RADS** steps up for 1 and 2 of 8 (800 runs)

**Concord** says he's still missing his double headed dildo and wants it back. Apparently **Tickets** now doing backflips as she waits the return.

**Screwdriver** had trouble setting up Zoom on his necklace computer. He took it in for repairs and found out that he is missing a few Bits, now only a 32-BIT drive, which coincidentally is the number of days until Poormans Hash in Cervantes. **Still think it's operator problem related!**

**GM** officially welcomes **First Offence** back to the club. Reckons "The Power of Hamersley" saved him from certain destruction.

**RADS** completes 3 and 4 of 8. **Thought he might have invited some mates to share – but NO, he was enjoying the Splash with additional protein too much.**

**Precious** hands out pre ordered shorts to a select few. **Where's mine Precious?**

**Flasher** got a new waist coat and **Shit Scraper** got his new hat.

**Bravefart** announces that the Community open day on the 22<sup>nd</sup> February Run is still on and has been advertised on Face Book to encourage new members. Let's all support this incentive and bring new potential members if possible.

**Donka** reminds committee members that the next committee meeting will be tomorrow Tuesday 16<sup>th</sup> February at **C-Mans** house. Yes **COOKIE** – address is in the annual, 7.00 for 7.30  
All members are welcome to send in any comments (sensible comments) that they would like raised at the committee meeting.

**RADS** completes 5 & 6 out of 8 – **still obviously enjoying the splash**

**Cookie** celebrates his 60<sup>th</sup> and puts on a carton.

**STIR** celebrated his 73<sup>rd</sup> and Didn't!

### Charges:

**BIGGLES** charges **PITSTOP** for writing a wrong run number in the Book. The number was higher than what the Club had achieved??????

**HARDCASE** challenges **COOKIE** to demonstrate that he is, as claimed, the Smartest Man in Hash.

He asks him 10 easy questions like:

How long was the 100-year war?

Where was the Panama hat made?

What animal does Cat Gut come from? Etc etc

**COOKIE** gave each much thought and managed to get 1.5 answers correct. The 0.5 was awarded for his response to a TAX question. He said that it was an unfair question because he's never had to pay TAX in his life.

Maybe NOT the smartest man in Hash after all, despite the string of Post Graduate degrees achieved by online learning with Calcutta University. – Move to rename him Mr 10% man

**TAMPAX** would have been charged if he had bothered to turn up. Apparently happy to stay at home clocking up brownie points in hope of getting to go to Krankers this weekend. **What a Wanker (next week's nomination maybe)**

**RADS** finished his 7 & 8 of 8, preferring to buy his own VB as final down down. **Maybe the 99% to 1% tun mix was not doing it for him?**

Well done to RADS for achieving 800 runs

**WOW:** The **RA** jumps on to the crate, but ponders a while, admiring his new Leo Sayer shows.

**HARDCASE** is called as the resident Wanker (**I think he gets to keep the shirt as he has had 3 weeks on the Trot**). He tries his luck and nominates his best mate **COOKIE**, for despite his claims to being Smartest Man in Hash, he only managed 1.5 out of 10 in the quiz. – **Brave Call**

The **GM** nominates **POPEYE** for hiding behind an electrical box when he suspects a long False Trail coming up. After **Bravey** and **Boof** called the FT, **POPEYE** pops up from behind the box claiming he had run the full trail. **Caught out by the GM, not a good look.**

**MULLAWAY** nominates **ARSEHOLEO** for driving **Flasher** to the hash, then dumping him for a better pillion partner. Much to **Mullaway's** dismay, he then had to make arrangements to take **Flasher** home.

The **RA** had already been having trouble keeping control of the midgets in the circle and called them out to see who in fact was the shortest and loudest. **FLASHER, MULLAWAY, SHORTHORN, TWO DOGS and VOODOO** were called out to be measured. But hold on, where is **ELF**? – **He couldn't come out because he was still licking his wounds and though himself exempt as he had only been purring in the background!**

**ROO-TED** joined the misfortunates – for reasons best known to himself and as a former 6-footer, definitely looked out of place. The RA called it a no-brainer and awarded **ROO-TED** the shirt.

## Run Report

**Biggles** was called out to give run report.

14 runners set off a cracking pace – followed by the three” want to be runners “ (C-Man, Biggles and Shorthorn) . Run passed by the Softball pitches, across Hepburn Ave, skirted the Marangaroo Golf Course (through the Marangaroo Conservation Area) and onto John Moloney Park. Run continued through the suburbs to drink stop on other side if Hepburn Ave. Good use of FT’s with runners, want to be runners (who were able to shortcut) and walkers keeping pace with each other on their separate trails. Total run with False trails aprox 7.5 kms according to Bravey’s records.

Good run, food questionable 9 / 10.

High light of the run was **ELF** playing Kamikaze with the traffic on Hartman Drive. He was seen brothel creeping, nose to the ground along the central island – says he heard a cat Mew and went looking for it. All he found apparently was the Cat’s eyes!!

**ELF, can you now please replenish the First Aid kit as you used up all the plasters.**

## Ice

Not too many cueing up but **Flasher** for being a noisy prick, **Mullaway** for too much yapping and **BIGGLES** for interrupting the **GM**.

## Next Week’s Run:

BRAVEFART – Warwick Tennis courts carpark

## Next week’s Van driver:

**CONCORD** – stand in for STIR who is stand in for Capt Hook

## Hash Lunch:

Still No **Tagg** - We miss you **Tagg**

## Hares Act

**Spud** asks: What is the similarity between a Pizza Boy and a Gynaecologists?  
Both can touch but cannot eat it.

**Sir Kumsize** Made rumblings about **her indoors**

**Mmmm- Me thinks the Run was better than the ACT boys!**

## Song:

**Two Dogs** sings us out with “Raise Your Mugs”

## ON ON

**C-Man / Donka 14/52**

**Rads had his hands in his own pockets  
Then had to buy his own Down Down Drink**
