## Run Report 2193 - You Take the High road

**Preamble:** \_ Crivvens, jings and help ma boab

Weel. Fit a view. Had a nosebleed jist thinkin about it.

36 Men of Hamersley, 2 visitors and 1 Blow-in turned up on a scorching evening in the hills overlooking the views of the city. Bloody hot but promise of cooling breeze in the shade – **at least it will be a short run on relatively even ground!!!!!!!**

**The Run:** GOD mounted the crate at 6.00 pm like a raging bull. Where the F#\*k is the Hares???. Pricks are either lost or still setting the run. Either way, not a good sign. **SWALLOW** steps up as honorary Co Hare and says, some Chalk, lots of flour and hopefully you will find the Hares at a drink stop. Now F^\*k off that way.

**Circle Up & Visitors/Retuniks:** The GM mounted the crate for a second time – boy his personal training coach is working wonders. He calls for “Visitors and Retuniks” but then notices a **Blow in – Luke “Skywalker”** We think his name was Skywalker as he certainly was as high as a kite and kept his head well in the clouds.

A little disruption from our newfound **Blowy** did not escape the wrath of the **GM** and **Blowy** found himself heading for ice. He wasn't sure of what to do so **SHREK** kindly obliged and gave us a demonstration. **Not a pretty site. Speaking of which – not a pretty site. Guess who leaving CC to speak to his mate SHREK. Ouch**

**Visitors :** **SHREK, SHORT HORN** (Ex RA KOWLOON H3 – may become permanent)

**Retuniks:** **VOODOO**

#### **General Business**

**ROO-TED** takes front and centre as representative for the physically challenged. Tells a good joke on behalf of the PCs – but I can't remember what he said. He can't remember either!! ,

The seated cumunity included **PITSTOP. MULLET, ROOTED, MAUSEI and CAPT HOOK**

**TROPPO** sings a song before the PC's could sit.

**BARON** announced that he has been in comms with **ASSASSIN**, who, despite being locked up in Canada, remains loyal to the club and paid his years membership. He says Hi to all his old mates at the club and made specific mention of how much he has enjoyed the RAG this year – **well, maybe I made that bit up?**

**SCREWDRIVER** told us that **DONKA** helped him upload new data onto his neck top computer but still wants to limit the information he gives to the members – as he thinks they can only handle data in small doses. 74 days to Poor Mans Hash. Pay before the end of Feb to get the \$25 deal. \$50 if pre-registered before the day and \$75 on the day. **Think about it boys**

#### **Private Number Plates**

Polly from Perth Hash is trying to organise private number plates for hash members and clubs. They are pursuing contacts now to try and secure **1 HHH** number plates. If possible, he will try and organise **1 HHH 4** for the Hamersley van, and is happy to take orders for Hamersley members for numbers beyond HHH 4. Anyone interested then contact Polly on **0419 776 348** or [polly@book-keepernet.com.au](mailto:polly@book-keepernet.com.au)

#### **Charges:**

**PITSTOP** on **On Sec** for not reporting his accolade on **POPEYE** in the RAG some weeks before? **ON Sec** replies that his charge like tonight's made as much sense as Donald Trump, and therefore was discarded as dribble – **as should this charge have been.** Down Down for both

**GM** on **MULLET.** **GM** was refused drinks at the Raffles once bouncer found out he was a Hamersley Hasher. Turns out that he knows **MULLET** from Wedge Island and said **MULLET** never buys a drink – so **GM** in return couldn't have one either. **MULLET** drinks Down Down

**DONKA** on **GM.** **DONKA** took wife (Mrs DONK B) to Not the **KINGS PARK RUN** to encourage her to embrace the Hashing fraternity. The **GM** cornered her after the run and forced her to wear the Wanker of the YEAR trophy which was so wrongly awarded to **DONKA** last AGM. Her only comment was that the trophy was clearly NOT modelled on her **DONKA**, as his was twice the size!! - **Maybe it was modelled on the GM?** **GM** drinks Down Down

**ROOTED** on **BRAVEFART**. **POPEYE** phoned and said the Hamersley attendance book was missing and could **ROOTED** write down all attendees at the Not the Kings Park Run. **ROOTED** did this then **BRAVEFART** turned up late with missing Book. **BRAVEFART** blamed **Young DAGS?**, everyone blamed **POPEYE** who was missing in action (like his book). Down Down for **BRAVEY**

**COOKIE** on **BARRELINA**. **BRAVEFART** stepped in to drive the van on behalf of **BARRELINA**. **BARRELINA** volunteered to pick up **COOKIE** as part of the carpool. **COOKIE** said the high standards of the neighbourhood were brought into disrepute as no one there had ever seen a Ford Focus on their streets before.

**BARRELINA** drinks down down

**CONCORD** on **XYZ**. **CONCORD** complained that **XYZ** forced him to mark all the FT's up and down the steep hills, and in the meanwhile pissed off with his GPS and left **CONCORD** wondering the hills – lost like a newborn lamb. **XYZ** drinks down down

**GM** on all runners / walkers to succumbed to slipping on the trail. This Included **KAZI, SQUIRT,** and the **GM** himself

**Accolade's** to **BARRELINA** for his continuous stream of Jokes.

To **TROPPO** for standing in as **Song Master** and introducing a suite of family songs - Man named Jed, Jethro, Granny and soon to be dead then resurrection of Granny. Down in Alabama also got a mention.

**SWALLOW** caught the attention of some members. Clean shaven leaving a small neat goaty, - looking like an old RAF pilot. All he needs is a plane (useful as he's not allowed to drive)

**CONCORDE** for riding up Welshpool road to run site. **SHREK** for being a dumb arse in riding "down" Welshpool Road thinking it was a breeze, forgetting that he would have to ride back up to get home.

**WOW:** The extremely quiet and inert **RA** took the crate sporting Armani jacket but obviously forgot to pack his trousers. He asked where the resident Wanker was (**MTM**) but discovered he was in non-attendance. OK, let's get spare Wanker shirt from BUS. – **Oops there isn't one!** OK, Haberdash (**PRECIOUS**) get a new one from stock. **OOPs left the bag of gear at home.**

**What a pair of WANKERS – there's the first two nominations from the floor**

**BRAVEFART** nominates **BJ** for sitting on rock during circle.

**RA** nominates **XYZ** for setting a 7.5 km run, in country that mountain goats would have struggled with, in temps of 30+ deg

**RA** nominates **WIMPY** for causing shit

**GASMAN** nominates **TAMPAX** for asking the driver of the carpool to stop on the freeway so he could check if he had left his phone in his bag, in the boot. Carpool pulls off the freeway on an epic drive to discover that **TAMPAX's** phone is not in his bag – but in his pocket. What a WANKER and by rapturous cheer from the members, gets awarded the shirt – **which didn't exist because there wasn't one!**

**Run Report:** 12 or so runners set off at a gallop – downhill and tested out some tricky, steep false trails. One in particular saw **COOKIE, BRAVEFART and REPLICAR** claw their way to the top of one and disappear around a corner. As they didn't return, next up was **DONKA** and **TROPPO**. On reaching the top the three musketeers, jumped out from behind a bush with big smiles and shouted False Trail. **Let's see if they will still be smiling next year!**

The run carried on up and down very steep, pee gravel slopes causing a few prangs on the way. A second split for walkers and runners saw the walkers at the drink stop well before the main runners – and those lagging behind.

**SHORT HORN** gave the run report and thought it was a good run, like what you'd expect in Asia. Well-marked although maybe a little long given the heat and terrain.

8 out of 10, he said, but **XYZ** did ask if it could be written up nicely and given full marks. **Mmmmm, not sure I can do that but full marks for the drink stop and food (Was it Sour Kraut or just meat from the ovens?)**

**Ice:**

Used by many on a very warm night including:

Luke "SKYWALKER" our Blow-in, **SHREK** for being SHREK, **KAZI** for putting shit on the **RA** of not wearing Hash Gear, **ROOTED** for also causing Shit

**Next Week's Run:**

**MACE and Co Hare DINGO** at Neil Hawkins Park, Joondalup. Don't forget, the run, set in Hamersley Tradition, is a tribute to Fallen Hashmen so wear your best gear.

**Next week's Van driver:**

**BARON**

**Hash Lunch:**

Friday 8<sup>th</sup> January 2021. Venue Shy Johns Brewery & Yum Cha, Yagan Square.

**Hares Act** **XYZ** was somewhat wayward in his act. Thanked his helpers, especially SWALLOW who was dead set-in setting fire to the whole hillside. SHREK came to the rescue **(God help us)**.

Well done boys for a good run and good food.

**Song:** **BLOW JOB** sings out with Song No 1
