Run Report 2093 Mel Adjusted @ 39 Raymond Street Bayswater.

Preamble:

47 men of Hamersley and 2 visitors gathered shaking hands and wishing each other merry Christmas and throwing their balls around. The GM mounts the crate as the RA calls the mob to order. He sends the runners east and the walkers west.

The Run:

Some of us stayed behind to guard the piss and keep the old and injured company. The walkers ambled in satisfied they had found the drink stop. The runners, being the minority on this night bounded in also happy of finding the drink stop but a few, a smaller minority still, found the run too long.

Circle Up & Visitors/Retuniks:

Meatman from SOPH3 and **Two Dogs**, a retired Hamersley man headed up our returniks **Stir**, **Sgt Bilko**, **Pumpkin**, **Biggles**, **Hard Case**, **Spud** and **Swallow** who was cooking our grub.

General Business:

Donka as our Intercourse reminded us that it is 494 Days to Interhash and 6 Hamersley men have registered. He also told us that there was a Nash Hash on in Port Dennison but he doesn't much give a fuck about that.

Screwdriver gave his last reminder about this year's annual South of Perth Chrissy Run. It's still from the Fremantle Tennis Club and it will still only cost you \$15 with all the trimmings that you have cum to expect.

Wimpy did a not so secret Santa giving exercise balls to **Pumpkin** and **Cookie** and a jar of pickled herring to **Mullet**.

Mac the Mouth gave tribute in the form of an accolade to **C Man** for getting himself in full Hamersley hash gear in a full page in the paper.

The On Sec announced with the help of **Meatman** interpreting that run 2095 will be held on 3rd of January, H4 will join with SOPH3, for a "joint" run. It will be their hare and circle. We will be taking the van and contributing to the drink stop and down, downs. Club will provide nibbles but food is BYO. The Bar-B-Que will be available.

Charges:

Cookie on **Boof** for more shit about Kiwis verse Aussies, **Screwdriver** on **Donka** and **Bravefart** for not including **Hard Case** in their unique, silly Christmas hats, charge was reversed as not only did it look like a pommie verse jock thing, **Screwy** forgot that **Sir Kumsize** is a Scot too! **Stir** on **Replicar** on confusing him as the designated driver that the run was at Raymond Street,.. but Raymond Street is where we are leaving from?? **Rooted** tried to charge **C Man** for wearing his Hamersley hat at work and reckoned it was disrespectful, charge reversed, silly prick was lucky he didn't get iced. **Hard Case** on **Wimpy** for stealing his Melbourne cup prize.

ARSE Report:

Word of the week: Pentalobe, the RA brought **Tampax** up for a cold seat but he used his Trump Card to have **Screwdriver** on the ice. With that clue that no one got pentalobe is a type of screw.

On this day:

1903 The first airplane flies. 1927 Don Bradman's Shield debut, 1989 The first Simpsons episode aired on TV. Someone finally got close enough to get boong egg and trump card.

Random Spinners: **Replicar** spun **Donka** on ice, our Christmas helper **Claire** spun to pick someone on ice she chose **Kazi**.

WOW:

Popeye and **Concorde** as carryovers, **Concorde** missed last week as he ran with Bully hoping to get free piss there the cheap cunt. **Troppo** for no Hawaiian pizzas last run, must have been a cheap menu. **Rooted** for his stupid charge earlier and **Stir** for trying to sell shit during the RA's report. At the last second **Wimpy** opened his gob to nominate someone who was being a pain in the arse chasing up money from him, it was reversed for stiffing his mates.

Hard to pick the crowd favourite with **Pops** and **Wimpy** but **Wimpy** is a Wanker so he got the shirt, learn to keep your yap shut idiot.

Accolades

The GM gave **Halfway** an accolade for his unique Christmas Carols.

Run Report:

Boof gave the report and gave high praise to the parts of the run set by the GM. His only observation was that maybe there should only be the one run and walkers just have to keep up. Having a hostess pushed up the quality of the night and gave it 9.993 out of 10.

Ice:

Mullet for talking, **Rooted** for sitting, **Kazi** for being a cheeky cunt to **Claire**, **Cookie** trumped by **C Man**, **Wimpy** for being lippy, **Screwdriver** trumped by **Tampax**, **Popeye** for stealing the RA's limelight.

Next Week's Run:

Screwdriver with **Buttless** and **Mr Wong** at Matilda Bay Reserve, Crawley, 6:30 start.

Next week's Bus driver:

Baron

Hares Act:

We got to see a bejewelled pussy and the GM snatched the show.

Song:

Two Dogs – Raise Your Mugs

H4 Hashhouse:

Steak burgers.
