Run Report 2094 Screwdriver, Buttless & Mr Wong@ Matilda Bay Reserve Crawley.

Preamble:

Hashers (mostly from Western Australia) from thirteen Hash clubs assembled in a quiet Crawley car park. After the handshakes, hugs and well wishing subsided our GM with the assistance of the RA called the mob to order.

The Run:

Screwdriver mounted the crate and set us off in a north easterly direction. Others snuck up Hackett Drive to the drinks stop. Where we discovered **Screwy** with an esky full of boong eggs. After the mob arrived, and all the bong eggs were consumed, the lads sang Raise Your Mugs and sent the mob back home.

Circle Up & Visitors/Retuniks:

Visiting GM's, **Blow Job** from Fremantle Hash, **Plastered** from Mandurah, **Blewhe** shared the crate with our GM were given a song and down down.

Run Virgins:

Plastered brought her eastern states friends introduced as the "R" girls and need practice at down downs. **Bushy** from Colombo Hash in Sri Lanka took his down down like a champ.

Charges:

Kabab charged all hashers for not dressing Christmassy, the Gm reversed the charge and called out **Mr Wong**, **Headlights** and **Commando** all dressed Christmassy to take the charge with **Kabab**.

Headlights charged **Mullet** for perving at her arse, well, she only caught one of us checking out her frilly red knickered arse I thought **Headlights** had acquired a taillight, **Mullet** and **Headlights** brought out for a down down.

GM charged **Call Girl** for being competitive, she had pissed off early, so the GM brought out the “other” **Call Girl** to accept the charge.

Mr Wrong (one of the run’s hares) charged **Screwdriver** who took all the credit for the run, accused **Screwy** of “project managing” the run, charge carried and he took his down down on ice.

Run Report:

Nice Tits said it was a top run, ten out of ten.

Ice:

Screwdriver – project management of the run, **Suction** – behaviour unbecoming of a Perth Harriett, **Captain Hook** not taking his hat off during the Hamersley song.
