Run Report 2095 with SOPH3 @ Bill Ellison Park Bateman.

Preamble:

25 men of Hamersley met with around the same number Men of South Perth together with 3 West Coasters on a not so balmy but very breezy evening for a run in picturesque Bateman. **Noisy** mounted the abandoned chair and set us off in what he called SOPH3 run 1928 in a north easterly direction.

The Run:

The runners dodged Piney Lakes Reserve, nearly ran into Booragoon Lake reserve cruised through some streets to nearly getting to Yagen Park and getting lost, before most knew it, they were heading on home.

Circle Up & Visitors/Retuniks:

Thrush started up the circle then went straight to the run report. **i Snack 2.0** Gave the run report saying it was well marked and gave it 5, then went further to say the food was going to be excellent and gave it another 5, giving the run 10 out of 10.

Charges:

i Snack 2.0 is also the SOPH3 RA, so we went into charges, he first called **Tagg, Gasman, C-man** and **Sheep Thrills** to the front, now it is one thing to be a hasher of more than one club,.. but when you run on Thursday, and you are a SOPH3 man, you should be wearing SOPH3 gear, not Hamersley gear. They all took a charge and **Tagg** took the ice for our Cash and RA.

Gummy got charged about stealing **Where's Wally's** identity, **Tagg** got charged again for ignoring his SOPH3 mates.

Then it was the mighty Hamersley RA's turn, he did a lot of icing which is noted under "**Ice**". His first point of order, he called **Tagg** in to thank him for taking the ice and saving the RA and CA\$H from feeling the pain. A Trump card was given, it was noted after that **Cookie** snatched **Tagg's** trump card and gave him 2 tokens compensation, and we call him smartest man on hash, Boong Eggs are only 1 token, another point to **Tagg**.

C man got called out and iced for not wearing enough H4 gear in numerous media presentations whilst calling the Department of Fisheries Cunts, trump card used **i Snack 2.0** was the recipient who is the SOPH3 R.A., I think **Gasman** will be fucked next Turdsday. 2 visitors from West Coast **Fry** and **Point** sainted for paying up immediately, **Leach** and **Sheep Thrills** were that slow paying their SOPH3 fees the AUD devalued 7% waiting for the cash from the cunts. RA decided one of the cunts had to go on ice, **Leach** had a trump card, **Sheep Thrills** did some quick thinking, rather than getting iced, he presented a boong egg to the A.R.S.E., good thinking **Sheep Thrills**. A notable charge was **Cookie** on **Bravefart** for not being smart enough as a Hamersley ex GM on a historical charge. The RA thinks that **Cookie** will need to get BGC to invest in brewery shares next week.

Last was a charge later in the night where **Pop Gun** got done for new shoes.

WOW:

Wimpy is a carry over, decided after the **Boof** watch scandal it was unanimous, watch this space.

Jokes:

Meatman Apologised to his lifelong friend **Leach** for breaking the no-go rule on his sister, he couldn't help but sniff and lick her clit at her funeral.

He also told us a story about **Pole Polisher** and **Scraper** in the army; the drill sergeant had them out in the parade ground in nothing but their boots helmets and rifles. The drill sergeant being a sadistic bastard would whack body parts to find out how tough his men were. He came across **Scraper** sporting a hard on and whacked the erect member with his drill stick, "did you feel that recruit **Scraper**" he said, "No sir I didn't feel a thing," **Scraper** replied "really" the drill sergeant said, "you that tough?" "no" **Scraper** replied again, "that's **Poley's** dick who is standing behind me".

Ice:

Cookie and **Bravefart** for taking the piss out of **i Snack 2.0**, **Tagg** took a seat for the "dual citizens", **i Snack 2.0** got trumped by **C Man**, **Screwdriver** got a special late icing, **Franger** got trumped by **Where's Wally** and then **Bravefart** for chatting.
