Run Report 2096 Wimpy's Bikini Run @ Trigg Beach.

Preamble:

On the beach and to start with, it was blowy as all fuck as 43 men of Hamersley, a Cranker and 2 interstate visitors are called to order in the RA's usual way. The GM gives **Kazi** his first of 7 run down downs. **Wimpy** set the runners off east and the walkers head south.

The Run:

The walkers make it to Scarborough Beach kiosk and are treated to port and water melon, then head back up to Trigg Beach. The runners get there not long after the walkers have left.

Circle Up & Visitors/Retuniks:

Kazi gets his second of 7 down downs and **Barrelina** gets his first of 6 down downs. The GM puts **Gasman** on ice for an incident with a water pistol from last week. **Mon Stir**, **D.A.G.S.** and **Wimpy** get down downs as retuniks. Visitors were **Fartin Sphincter** form Crankers, **Fish Arse** for Canberra Hash, and **B2** from Casurina Hash Darwin. **Kazi** gets his third of 7 down downs and **Barrelina** gets his second of 6.

General Business:

Bad press is sorted, **D.A.G.S.** reports that **Close To Me** is home from hospital and doing well. **Disgraceful** reminds to get our runs in the hareline, **Screwdriver** advertises a Crankers event, **Tagg** reported that the Hamersley Hash Lunch was awesome and **Wimpy** presented **Hardcase** with his prize money.

Charges:

Spud on **Sir Kumsize** for the wrong spelling of Roe Street causing the Munch Master to be late. **Screwdriver** on **Sheep Thrills** making up his 2 minutes 8 seconds on the ice, the saga continues. **Halfway** on **Cookie** for no Hamersley Hash gear while out on the run, **Halfway** on **Fish Arse** for cloud gazing, picture taking, dog patting and smoking in the circle, **Cookie** on **Troppo** for being too politically correct.

Accolade to **Mon Stir** for a well behaved dog. Chris, **Wimpy's** oldest grandson got an honourable mention and a song for helping with the run.

Kazi takes his 4th and 5th of 7 down downs with **Barrelina** downing his 3rd and 4th of 6.

ARSE Report:

The RA took the crate and notes that **Cookie** was talking, the RA tells him to take a seat so he played his trump card and put **Troppo** in, the RA was disgusted and **Baron** looked excited, the trump got reversed and **Cookie** is back on the ice.

On this day:

2018: Sydney had the hottest day on record while 15 inches of snow covered the Sahara.

1892: A mine explosion in Oklahoma left 100 dead. The funny part was when all the blacks tried to save the white mine workers, the niggers all had guns pulled on them.

Poley on the ice for Word of the week: Ecdysiast, it means Stripper or Pole Polisher in a Go-Go Club, **C-Man** guessed it meant Whore, close enough he got a boong egg.

Random Spinners: **Rads** gets a trump card, **Dingo** spins up **Cookie** on ice, **Cookie** spins a boong egg

WOW

Wimpy as a carryover. **Tagg** nominated for being late to his own lunch. The big cunt **C-Man** nominated RA forgets why, something about an unmentionable, **Mullet** criticised **Wimpys** food. RA noted it was the first time **Wimpy** had his hand in his pocket since Wimbledon, gave the cunt a break and reversed onto **Mullet**. **Baron** for having his initials on a dunny door with a glory hole in it taken off an "after hrs" Gosnells shithouse. Popular demand was **Baron**.

Cookie was talking again so rather than take the ice the usual fine of a Boong Egg was given to the fat cunt on the crate.

H4 Honours: Tonight we Congratulate:

Kazi for doing 700 runs takes his 6th and 7th of 7 down downs. **Barrelina** for doing 600 runs takes his 5th and 6th of 6 down downs. Both get their run badges, their picture with the GM and the song.

Jokes:

Barrelina trotted out this classic: A guy who had been having trouble in getting an erection went to the doctor weeks of frustration. "Well, there's good news and there's bad news," he says. "The bad news is that the muscles around your penis are deteriorating, and there is no cure."

The guy, on the verge of panic, finally regains his composure. "So what's the good news?" he asks.

The doctor says: "There is an experimental treatment available, but there are no guarantees. It involves transplanting the muscles from a baby elephant's trunk into your penis?" The guy finally says, "Well, the thought of going through life without being able to have sex is just too much for me. Let's do it." The doctor performs the operation. A few weeks later, the guy takes his girlfriend out to a nice restaurant to celebrate. While sitting at the table, he feels a stirring between his legs until it reaches the point of being painful. He unzips his fly to relieve the pressure. Suddenly, his penis leaps free from his pants, slides over the tabletop and grabs a roast potato, then returns to his pants again.

"Wow!" says his stunned girlfriend, "That was impressive! Can you do that again?"

Eyes watering and face flushed, he says, "Probably ... but I don't know if I can fit another potato roll up my arse!"

Run Report:

Concorde says they went over there, under the tunnel up and down hills to Scarborough had a drink sang a song fucked off back home run he gave an 8, food a 2, giving the run 10 out of 10.

Ice:

Gassy for dissing the GM, **Scraper** for sitting in the circle, **XYZ** for chatting, **Cookie** for chatting but he trumped **Troppo**, **Pole Polisher** as an example of word of the week.

Next Week's Run:

Dingo (Boots) Run Neil Hawkins Joondalup

Next week's Bus driver:

Barrelina

Hash Lunch:

According to reviews, the best Dim Sum in town was what awaited hungry diners on Friday at 26 Roe Street (not Rowe.) After the Munch Master collected his courtesy map from Perth info office (Forrest Chase) he eventually got to the aforementioned Chinese restaurant bringing the attendance to eight. Not sure what the early diners chose, but later grub included exquisite soft shell crabs, squid tentacles, sea weed, caviar topped pork dim sims and a custard tart.

While some said that it was the best hash luncheon they had ever attended the rest only thought so. One thing that may have made it so was that those generally opposed to tipping were not in attendance. Following the meal, most attendees proceeded to the Standard Hotel for a couple more beers (quite likely to be the luncheon venue for March.) From here we moseyed on to shadiest rum bar in WA for a few rum cocktails. Before going home the dregs of the survivors had a beer at the Shoe (opposite the temporary hippies anonymous ticket sales office.) In conclusion, please be sure that you get the next luncheon if possible to maximise your fun as a Hamersley Hash House Harrier. Cheers, Tagg (Munch master extraordinaire)
