Run Report 2097, Dingo's Fallen Hashmen (Boots) Run @ Neil Hawkins Park Joondalup.

Preamble:

At last, on a balmy January night, on a sloping car park, 44 men of Hamersley assembled around the van. Just before 6pm, the GM mounted the crate and gave **Bravefart** his first of six run down downs. He then invited **Dingo** to get us started on the run. **Dingo** in his elegant lingo gave us the low down and set us off in a south easterly direction.

The Run:

As per tradition, **Mac The Mouth** and I headed for the Irish pub with **Tagg** in tow to talk bullshit and quaff a few Guinness's and make it back to the circle by taxi. The rest headed to Picnic Cove Park before running through the streets, ducking through the university and sneaking around the police academy then beating **Tagg's** taxi on home.

Circle Up & Visitors/Retuniks:

First off, we had **Bravefart** taking his 2 of 6 and **Mel Adjusted** his first of five run down downs. **Slops, Coops, Scrotus** and **Arseholio** were our returniks.

General Business:

Next it was **Bravefart** taking his 3 of 6 and **Mel Adjusted** his 2 of 5 down downs. **Cookie** announced his oldest daughter had her first child, a boy, this event making him a grand dad. To mark the occasion, he distributed cigars and a drink token to all the lads. **Bravey** had his 4 of 6 and **Mel Adjusted** his 3 of 5 run down downs.

Charges:

Charges came thick and fast and this part of the write up may not be entirely accurate. **Bravefart** on **Mac The Mouth** for being disrespectful of the fallen hashmen, instead it was mooted the **Mac The Mouth** gave us a tradition and therefore the charge was changed to an accolade. **MauSei** on **Cookie** for no Hamersley sticker on the car, not his usual car, the GM took pity on **Cookie** because his expensive Mercedes was broken the charge was reversed. GM on **MauSei** in the positioning of the GM, **Mullet** got dragged into the charge also. **Kazi** on **Barrelina** for pretending to be sick, **Barrelina** told a joke then **Popeye** and **Barrelina** took a down down. **Coops** on **Tampax** for his shit choice on music. **C Man** on **Replicar** for not looking after the van. Then **Bravefart** took his 5 of 6 and **Mel Adjusted** his 4 of 5 run down downs.

ARSE Report:

The RA took the crate, and found our old mate **Slops** had some stories to tell. It took the pressure off the RA for a bit. **Slops** regaled us for a while, had a beer and fucked off. It was good to see you mate!

"Righto cunts", the RA announced "down to business". **Captain Hook** called in as this week's clue to word of the week. "*Uncinate*" which means having a hooked shape. The big Cunt guessed it meant cripple the RA called him an idiot and to fuck up 'cos he must be looking at the RA's notes. The RA thought **Cookie** got close but **Concorde** guessed right and got a boong egg.

On this day: one for the old cunts and one for the young fuckers. 1969 is the year and both are music questions. First album by a rock band and a famous drummer turned singer was born. **Popeye** guessed correctly Dave Grohl. The RA said it was Led Zepplin after some fuckwit guessed Nirvana. **Mother** said Grohl never played drums he was iced for being stupid, **Deegan** has more sense.

Random Spinners were **Mac The Mouth**, too pissed to spin but eventually got it for a down down. **Mulloway** got **Cookie** on ice, who trumped **Mac The Mouth**.

Concorde spun **Cookie** on ice, **Cookie** gave the R.A. a much relished boong egg and got off scott free.

WOW:

Baron as the carry over, he nominated **Troppo** for calling that rag a stripper the other week, he corrected himself just in time to say it was **Mullet**. **Hardcase** got nominated for calling the GM stupid, the R.A called in **Tagg** for being leader of the pub pack, and fucking up the black cunt's day in the taxi by going on a 300m ride. **Mullet** was the favourite this week and got the shirt.

H4 Honours: Tonight we Congratulate:

Bravefart takes his 6 of 6 run down down gets his badge and a picture with the GM. **Mel Adjusted** takes his 5 of 5 run down down gets his badge and a picture with himself.

Hats: **Mac The Mouth** gets his 40 year hat (figuratively), **Pumpkin** gets his 30 year hat and **Rads** gets his 20 year hat.

Run Report:

Tampax reported that we went down there, over there, up there and over there some more then going to Karl O'Callaghan's before coming home.

Ice:

Mac The Mouth for telling us that some Hamersley hashmen that are alive and kicking were dead, **Sheep Thrills** for talking during the GM's down down, **Kazi** and **Voodoo** for being chatty cunts, **Mother** for arguing with the RA, **Captain Hook** as the word of the week clue, **Panels** trumped **Concorde** who bought his way off the ice, **Mac The Mouth** trumped by **Cookie**, **Kazi** again for being himself and **Concorde** again for being a dick.
