Run Report 2098, Precious @ 1 Radborn St Greenmount.

Preamble:

38 men of Hamersley plus one guest we shall call **Uncle** loitered on **Precious's** front lawn. No RA to call us to order this night so the GM had to do it on his own. **Precious** headed us of uphill in a southerly direction.

The Run:

The pack was OK when they passed Greenmount Primary School but things were going to unravel by the time they recovered from the false near St Anthony's School. Through some streets and an industrial estate until they got to Swan View Senior High School, down to the local shops then up to Christowe Park, then back down through some streets and on home.

Circle Up & Visitors/Retuniks:

The GM called us to circle up, returniks were **Mr Potatohead**, **Boof** and **Nice Tits**, our visitor was **Uncle** from Scotland.

General Business:

Meatman was given some Hamersley kit. It is 13 weeks to Nash Hash. Belated thanks from the GM to **Nice Tits** for being his Co-hare.

Charges:

Kazi on **ELF** for trashing **Precious's** front yard, charge was reversed. GM on **Precious** for giving the GM water at the drink stop. **Bravefart** on **Precious** for a run he had great expectations about not being scenic enough for a run in the hills. **Ampol** on **Kazi** for blaming the Historian that he didn't get his 15 year hat, as it turns out **Kazi** did get his hat but promptly lost it. **Cookie** on **Wimpy**, the continuing watch saga, charge was reversed.

ARSE Report:

Guest RA **C Man** took the crate and launched straight in with word of the week. **Precious** put on ice as a clue, “antediluvian”: being ridiculously old, (before the great flood), **Coops** and **Baron** knew what it meant and got a trump card each.

Spinners: **MauSei** spun **Boof** on ice, **Nice Tits** spun **Boof** on ice. **C-man** wanted to bake a cake so **Biggles** stood in for **Gasman** and got a boong egg for his trouble.

WOW:

Mullet as a carryover, **Mullet** nominated **Precious**, something about his half arsed watering of his tree, **Mullet** also nominated **Arseholio**, **Mac The Mouth** and **Mr Potatohead** for whinging like bitches when **Meatman** got his Hamersley goodies. **Kazi** got nominated for being a dick with the camera before the run. **Disgraceful** nominated **Cookie** for allowing **Precious** to look like a hobo in his (**Cookie's**) old pants, **Ampol** also nominated **Cookie** for fucking up his run number and **Boof** somehow got involved in some altercation with the guest RA who then declared **Boof** the winner of this week's shirt.

Run Report:

Bravefart, still a wee tad upset, reported that we went up to the top of the street a lot of rights and lefts, got to a farm, a shopping centre, got water and water melon at the drink stop. Poorly marked, couldn't keep the pack together, a fucked run 4 out of 10, 3¾ because there is no burnt lasagne, plus 1 for the act in total 8¾ out of 10

Ice:

Biggles and **MauSei** for chatting, **Precious** as word of the week clue, **Boof** caught in the spinner twice and **Wimpy** for good measure.

Next Week's Run:

Tuesday **Concorde** at Belmont.

Next week's Bus driver:

Boof, thanks for volunteering mate, top bloke.

Hash Lunch:

The Good Fortune Roast Duck House, 354 William Street, Perth.

Hares Act:

Apparently it was a skit of two old men on a train, one was an Aussie grub and the other a well dressed business man, I thought they were both grubs. The skit was fuckin' funny, you had to be there. Well done **Precious** and **Biggles**.

Song:

Meatman with **Pole Polisher's** assistance, Raise Your Mugs.

H4 Hashhouse:

Hamburgers.
