Run Report 2099, Concorde's Straya Day Run @ Belmont Ski Park.

Preamble:

39 men of Hamersley plus **Blank** and **Aunty Jack** assembled on the lovely riverside site, before too long, the RA had us all ready to listen to the GM. **Concorde** got up on the crate to be seen and heard and set the mob off in a south easterly direction.

The Run:

Down south along the river for a bit before cutting through the motel to the streets and crossing the poly pipe. Up past the Crown Casino complex to reach the river again and headed north, past the Perth Stadium which is now one year old, then back over the poly pipe to head on home.

Circle Up & Visitors/Retuniks:

The GM called us to order so we could celebrate **Gasman's** Birthday. **C-man** made him a cake and I am sure that's when things turned bad for C-man for the rest of the night. **Squirt** and **Mudguard** were given a down down each for retuning and **Blank** from Bullsbrook also got a down down as a visitor.

General Business:

The RA was presented with a new outfit which gave him a more authoritarian look. **Screwdriver** told us of the ten year anniversary Perth Crankers is having, see **Screwdriver** for details. The watch saga continues with **Bravefart** loaning **Boof** a watch nearly as good as the one he did have.

Charges:

Coops on **Blank** for being a Hamersley imitation, who trumped **Coops** and **Coops** pulled out a golden trump back on **Blank**, **C-man** got charged and iced, (one of many that night) by the RA, the RA didn't need to explain the charges.

ARSE Report:

Our RA called circle to order "next cunt I hear" **C-man** is put on the ice. He starts this week with an on this day, **Barron** was going to be put on ice for the clue but **C-man** got the seat instead. Which one of **Baron's** music mates was born 76 years ago? **Pole Polisher** gets it right with Molly Meldrum born in 1943, **Poley** gets a boong egg for getting it right? The RA reckoned someone was talking slav in the circle and picks on the big cunt, **C-man** for another spell on the ice. No sooner had **C-man** got off the ice, he is called back as the word of the week's clue. "Piscatorial", relating fish or fishing, **Sir Kumize** guessed it right and got a drink token and **C-man** fucked off the ice. The R.A. heard muttering of "Pisctka", "Kuratz" etc, so **C-man** is back on the ice. 3 random spinners bought in and you would not believe it, they all spun **C-man** on the ice! All verified by the On Sec.

WOW:

Boof as a carry over, the RA nominating him for shortening the van lights. , **Tagg** nominated for getting lost in this spot last year, **Aunty Jack** for sitting during the song, Raise Your Mugs", at the drink stop, **Kazi** for fucking up a nomination, **Boof** nominated the big cunt, **C-man** for being disrespectful to the R.A, **Boof** also nominated his mates **Popeye**, **Cookie** and **Bravefart** on a never ending story of blame. The R.A's hearing may be shonky but he assures me that the loudest roar was for **C-man** "hope the shirt fits cunt, and thanks for all the lamingtons" the RA said when awarding the shirt to **C-man**, it just wasn't **C-man's** night.

Run Report:

Cookie reported that it was a good long run with a bit of a loop, he almost did a hammy and passed four pubs, went through Burswood and the drink stop was good. He gave it nine out of ten.

Ice:

Squirt for being a chatty cunt, **Gasman** for his birthday honours, **C-man** multiple times at the RA's bidding, **Blank** on a golden trump from **Coops**, **Screwdriver** for fucking up his charge on **Pole Polisher** and saying the RA was wrong,
