Run Report 2100, Popeye's South American Peruvian Run @ Wembley.

Preamble:

42 men of Hamersley and 1 visitor, **Darling**, an ex member gathered as we watched the two fat cunts swap out the van piss fridge. **C-man** shows off his shop fitting skills then the GM gives **Captain Hook** his first of thirteen run down downs. **Popeye** sends the mob off down the road due south.

The Run:

While some just went round the oval, the rest crossed over Selby Street and ran through the neighbourhood keeping parallel to Underwood Avenue, pretty soon they were running though the area where Perry Lakes Stadium stood, it hosted the Perth British Empire and Commonwealth Games in 1962. After crossing Brookdale Street the pack thundered down Salvado Road, did a hard right after the netball courts then another right then a left to come on home.

Circle Up & Visitors/Retuniks:

The GM gives **Hooky** his second of thirteen down downs, then gets **Wimpy**, **Mon Stir** and **Donka** out as returniks with **Darling** as a visitor. **Hooky** gets his third of thirteen run down downs. A solemn moment as we remember **Dikvan's** father in law and **Darling's** mum, both who recently passed away.

General Business:

Hooky gets his 4th of 13, then with the GM's blessing, being the 2100th run, we all get a free drink. **Roo El Sid** tells us about CRAFT Hash tomorrow but forgot to tell us where it is. **Donka** advises us it is 445 days to Trinidad Interhash with 8 men of Hamersley going and that there is a Nash Hash on but he doesn't give a fuck about it. **Disgraceful** gives us all a reminder to book our runs in for this year, a suggestion from one of the retired pensioners that the over 70's bring their own chair to sit in the circle caused an unsympathetic response from the GM. **Von Concorde** had a whinge about the Cranker's run but gave a well done to the Hamersley cyclists that turned up, **MauSie** told us this was the eve of Chinese new year and we are now in the year of the pig.

Charges:

Sneaking in before charges, **Hooky** took his 5th of 13 run down downs. **Baron** on **Sheep Thrills** for being deaf, ignorant or stupid when he was dumbfounded that he was handed a drink token and not knowing it was his 2100 run free drink. **Sheep Thrills** finishing his 77 seconds +plus on ice therefore clearing the wife no-show icing. **Screwdriver** on **Meatman** for "polluting" his front seat with his SOPH3 hat. **Bravefart** on **Darling** for at first being too competitive at the start and pretty fucked by the end.

For a bit of a break, **Hooky** has his 6th of 13 run down downs.

Tampax on **Mullet** for no Hamersley mention in the newspaper, **C-man** on **Kazi** for parking like a retarded netballer, **Disgraceful** had a POO on phone use on the run, it was not resolved, **Hooky** sneaks in his 7th of 13 run down downs, **Bravefart** on **Mon Stir** for taking the piss out of **Patch**, **Voodoo** got done for new shoes.

ARSE Report:

Word of the week, **Wimpy** put on ice as a clue "Horologist", a watch repairer. The RA was hoping for the gutter minded cunts that would guess about the noble art of "o ring". He was disappointed when all responses were about watches. **Mr Potatohead** was the first he heard so **Mr P.** got a boong egg, then a seat on the ice for fucking up the RA's fun. He wanted **Boof** as a second clue but **Boof** pulled an expired trump card and quickly blurted "Rads" so the RA decently accepted it. On this day: 2004 a tech question for the young 'uns. What Internet app was launched? Facebook to which the GM's twin, **Disgraceful** got. For the old cunts, in 1789 what great leader was elected to a high office? **Popeye** was iced for looking like a similar leader right now, it was George Washington to the President of the United States.

Random spinners: **Rooted** spun **Coops** on ice, **Mase** spun a boong egg for **Bravefart**, **Wimpy** spun **Bravefart** on ice and was double trumped so **Wimpy** got to have a seat, **Von Concorde** spun **Coops** on ice, **Coops** thought the board was loaded to which the RA replied, "thanks for the lamingtons cunt!"

WOW:

C-man as a carry over, **C-man** nominated **Bravefart** and **Von Concorde** for sucking up to the RA, **Boof** dobbed **Sheep Thrills** for fucking about with the RA's staff, **Bravefart** nominated **Voodoo** for fiddling with dogs on the run. **Von Concorde** and **Bravey** are off scot free. **C-man** was advised by the RA "ya dickhead that wasn't gonna work, **Voodoo** is too fucking easy. "since the big fat cunt is stretching the shirt", the RA announced, "so it has to go to **Sheepy**". In the end, **Sheep Thrills** got the shirt.

H4 Honours: Tonight we Congratulate:

Captain Hook 1300 Runs. An accolade to **Barrelina** for stepping up and volunteering to drive the van in **Cookie's** absence.

Jokes:

There was some. **Hooky** downed his 8th of 13 run down downs then **Precious, Baron, Rooted, Pumpkin** and **Mullaway**, helped **Captain Hook** with his remaining run down downs.

Run Report:

Boof reckoned **Popeye** is learning how to set a runner's run. The run went over to another suburb, did 6 k's, well set, food and nibbles sensational, gave him 7 out of 10.

Ice:

Voodoo for chatting, **Wimpy** for trying to run the circle, **Coops** for not shutting up, **Kazi** for his parking efforts, **Mr Potatohead, Boof** trumped **Rads, Rooted** for calling the 1789 question, RA fake facts, **Rooted** again for implying that the RA is a cunt.

Next Week's Run:

MauSei Waitangi Day, Koondoola. Wear some Kiwi sheep shagging gear.

Next week's Bus driver:

Coops

Hash Lunch Report:

Tagg said it was all good, average price was \$6.00 a meal, **Popeye** had to pay 50 cents for ice. Next one could be the Standard Hotel.

Hares Act:

1 Ton O'Meara, looking at a cunt in the mirror.

Song:

Rooted (on ice) Raise Your Mugs.

H4 Hashhouse:

Beef and Guinea Pig (allegedly) Stew.
