Run Report 2101, Mausei's Waitangi Day (aka Sheepy's Run) @ Koondoola .

Preamble:

43 men of Hamersley and 2 visitors gathered amongst the trees, terrific weather tonight. On the stroke of six, **Bravefart**, our guest RA calls us to order, **Troppo** comes to the fore and gives us instruction on the run, indicating we start off in a north easterly direction.

The Run:

More than half of the run went through Koondoola regional bushland, emerging on to Beach Road around Rendell Park, then stepping up through the suburb where the Kiwi beer was waiting at the drink stop found at Butterworth Park after a quick drink, it was on home to the community centre.

Circle Up & Visitors/Retuniks:

D.A.G.S., **Spud** and **Halfway** brought out as returniks. **Darling** was brought out again along with **Bad Boy** from Hangover Bay Hash at Cervantes as visitors.

General Business:

Donka told us it was 430 days until Trinidad Inter-Hash with 8 men of Hamersley committed to go. He mentioned a Nash-Hash but doesn't give a fuck about it.

Charges:

Kazi on **Donka** for "gating" Replicar, **Donka** said he was only sorting out the sheep from the rams. **Tampax** was charged for wearing a ewe's shirt. **Precious** was charged for wanting a red Hamersley rain coat.

ARSE Report:

Bravefart our stand in RA baked a cake for **Cookie** as it was his birthday, he also explained what to do in case of fire.

The word of the week “*Inculpate*”, to be involved in a charge. **Bravey** had another which involved the grey nomads in Hamersley, *Am Phisc Ians*”, which apparently means inhabitants of the tropics. He had two On This Days, both 1990, Buster Douglas 42:1 the underdog, knocks out Mike Tyson during round 10 in Tokyo. Nelson Mandela released from Victor Verster prison, not to be mistaken with Robben Island.

WOW:

This was not going to be good for **Sheep Thrills** our current wanker, all nominations for wanker of the week were literally null and void. With the odds stacked against him, **Sheep Thrills** is (still) our wanker of the week.

H4 Honours: Tonight we Congratulate:

An accolade goes out to **Screwdriver** for standing in as the van driver for **D.A.G.S.** next week.

Jokes:

Sheep Thrills attempted a joke on our stand in RA which was pretty crap and not worth remembering, this could have contributed to his continuance as wanker of the week.

Run Report:

Wimpy reckoned is was pretty good, got a sweat up, used the bush tracks well, good drink stop, seven out of ten. The GM also had this watch to he handed to **Wimpy** and suggested he give it to **Boof**.

Ice:

There was icings a plenty. **Cookie** for being a clown and again for shitting on the guest RA. A lot of chatty cunts got done, **Wimpy**, **Darling**, **Stir** and **D.A.G.S.** Then there were the cheeky cunts, **Screwdriver** who trumped **Bad Boy**, **Concorde** and **Coops** had a little sit down, **C-man** who trumped **Bravefart** which was a contentious moment. **Kazi** for fucking up a song, **Baron** for a shit effort on singing and I think there was a few I missed out on because they were being iced faster than I could write.

Next Week's Run:

Coops at Brabham.

Next week's Bus driver:

Screwdriver standing in for **D.A.G.S.**

Hash Lunch:

Tagg wants to take us to the Standard Hotel next.

Hares Act:

Some assorted Kiwi jokes and a song from **Troppo**.

Song:

All the Kiwis led us in Raise Your Mugs

H4 Hashhouse:

Pizza.
