Run Report 2102, Coops, Flying High, @ Brabham .

Preamble:

38 men of Hamersley found their way to the remote run location where a warm zephyr breeze went through the brand new housing estate. With no GM or RA, **Wimpy** mounted the crate as stand in GM and **Kazi** tried in vain as the stand in RA to organise the lads. **Coops** gives us a general chalk, lime and toilet roll trail marking talk then sets the pack off on a southerly direction.

The Run:

Straight into the bush the mob went, following a track with a false that almost got to Lord Street. Then heading south east to another false trail then back up to the intersection of two wide gravel roads, reminiscent of an old airstrip. Through the bush again looping around past a radio tower of sorts then heading north of sorts to loop around through the new estate on home.

Circle Up & Visitors/Retuniks:

Pole Polisher received his first of three run down downs. **Pole Polisher**, **Scrotus Maximus**, **Nice Tits**, and **Scraper** brought out as returniks.

General Business:

Donka is brought out and asked by **Wimpy** for details on the Nash Hash, "make sure you have some accommodation," he replied, "I have looked at some accommodation in Surfer's Paradise but I don't give a fuck", and that was the end of his report and General Business.

Charges:

Donka on **Kazi** for fitting a pervert criminal profile, **Brave Fart** on **Squirt** for upsetting **Screwdriver's** normal equilibrium by having **Screwdriver** doing his van driving stint, saying he wouldn't be at this run and bugger me dead, here he is. **C-man** on **Replicar** for his senior moments adversely affecting the efficient running of the club. **Pole Polisher** receives his 2 of 3 run down downs.

ARSE Report:

Kazi gets up as the stand in RA and is completely unprepared for his report. Luckily **Brave Fart** had done some prior preparation and **Kazi** attempted the word of the week: "*Discombobulated*", having your composure disturbed or thrown into confusion. **Kazi** was having difficulty saying the word but provided an excellent example of being befuddled. **Kazi** was so discombobulated that he could not get the on this day facts out. **Brave Fart** was called out to complete **Kazi's** crap report with 1957, Walter James Bolton was the last person legally executed in New Zealand and in 1965 Gambia became independent from the UK.

WOW:

Kazi calls out **Rads**, **Arseholio**, and **Nice Tits** as non contributors to Hamersley Hash, **Rads** does a little dance and is off the hook. The Circle had to remind **Kazi** that **Sheep Thrills** is also automatically nominated as a carry over, **Replicar** is dragged back because he hassled **Kazi** over the credit card pin number, **Mullet** called up for pissing on his foot and complaining about bus stops, **Mullet** got lippy with the stand in RA who then awarded him the shirt, I also think there was some Coffee Club conspiracy going on too.

H4 Honours: Tonight we Congratulate:

Pole Polisher for doing 300 runs. He was given his final down down and had his picture with the stand in GM with his stand in run badge.

Jokes:

Barrelina told us about the Irish road marker that didn't move his paint pot.

Run Report:

Troppo reckoned it was the best run of the week, fuckin' excellent 9.5 out of 10!

Ice:

Brave Fart and **Rooted** for chatting, **Precious** for not hauling the Haberdash Trailer, **Coops** for his shit effort singing, **Kazi** for getting caught out on a lie.

Next Week's Run:

C-man at Manning Park, Spearwood.

Next week's Bus driver:

Mase will drive for **Dingo**.

Hash Lunch:

Before **Tagg** could get out to give us details, **Rads** comes out and goes on like a harriette on her rags, starting with "although the food is good" then going off about everything else is crap about the place. Unfazed by the tirade, **Tagg** told us it may be a little more expensive but we won't come out of the place with slitty eyes. Anyhow, it is The Standard at 28 Roe St, Northbridge

Hares Act:

Coops and **Dikvan** did some car related jokes then a skit that started with a dead parrot.

Song:

Pole Polisher led us in Australia's Hash

H4 Hashhouse:
