## Run Report 2103, C-man @ Manning Park Sprearwood.

### Preamble:

44 Men of Hamersley and 2 guests gathered adjacent to the van in a suburban parkland setting. The RA calls us to order as our GM mounts the crate, so glad to see them both back. **C-man** mounts the crate and tells us the benefit of following the right coloured tape marking the trail and sets us off in a westerly direction.

### The Run:

Going towards the setting sun, through the Beelie Regional Park, dipping south for a bit before heading north west to the WA Salt Group. Heading east getting halfway to the drinkstop before abruptly turning north then looping around south to Azelia Ley Homestead Museum for some snakes and port with lemonade. Skirting the south west of Manning lake before heading on home.

### Circle Up & Visitors/Retuniks:

Our returniks were **Gasman** and **Swallow** with **Mr Wong** and **Gummy** our visitors.

### General Business:

The Onsec told us of Rocky City's Annual Pink Breast Run on the Tuesday 16<sup>th</sup> April. It was also pointed out that the Perth Harrietts Blue Dress Run is on next week, **Tuesday** 5 March at Captain Munchies in Fremantle. **Donka** had breaking news from Nash Hash 65 days to go, if you haven't got you accommodation sorted by now, you are screwed and he still doesn't give a fuck, there are 12 Hamersley men committed to the Inter Hash which is 424 days to go in Trinidad. **Rooted** started an announcement for HOSH of their 300<sup>th</sup> run on the 26<sup>th</sup> of February so it will be gone, like **Rooted's** memory by the time you get this. **Mr Wong** spoke of a Hangover Bay event from the 8<sup>th</sup> to the 10<sup>th</sup> of March, **C-man** may have clearer details. **Concorde** hopelessly promoted his

flash new "Hamersley" thongs. **Wimpy** told us **Mon Stir** was in Charlie Gairdner's and wouldn't mind some blokes dropping in to visit him.

### Charges:

**Mac the Mouth** tried that old chestnut on **Cookie** of no sticker in his merc, **Cookie** offered the RA a token and got a down down. **Pole Polisher** on **Cookie** for inventing a new phrase "expensiveness", **Cookie** was able to talk his way out of that one. **Cookie** on **Bravefart** for talking the CEO of QBE on shutting down operations in the 3<sup>rd</sup> world countries we like to visit, it got reversed. **C-man** on the old bastards with their bowls at the ready and quietly lining up for tucker during the circle, it didn't fly but **C-man** got iced for telling the GM to fuck off.

### ARSE Report:

Our fat cunt returned to the crate, he heard **Kazi** talking so he got iced. He then started by getting **Disgraceful** out for Word of the week clue. "*Opprobrious*" shameful or disgraceful. The GM immediately got it, and got a boong egg. Cries of nepotism rang out, but the GM is all knowing so the RA called the vocal idiots a pack of dumb cunts. **Bravefart** was bought out for his birthday. Rather than sit on ice used his platinum trump card and iced **Wimpy**. He prepared for a cake, but was surprised to get a boong egg instead for doing such a good job on Mr Ed's cake in the R.A's absence.

In this day in 1836 Samuel Colt patented his revolver we anticipated Arseholeo but the big wog cunt got that one. **Sheep Thrills** guessed in 1932 **XYZ's** Uncle Adolf became a Kraut and as the RA said, "none of you fuckwits knew the great Don Bradman died in 2001". **Concorde** was called in for fucking up everyone's ride to the run, he used his platinum trump and iced **Tampax**, who wasn't too fucking pleased with it. We hope none of your sisters go to jail **Concorde**.

Random Spinners were **Pumpkin** who spun **Wimpy** on ice, **Meatman** who spun a boong egg, **Kazi** who spun "spinner on ice" and **Gummy** who spun **Kazi** on ice.

### WOW:

We had 2, **Sheep Thrills** and **Mullet**. **Mullet** nominated **Kazi** for being such a fucked RA last week. **Cookie** got nominated by **Bravefart** for fucking up an Aussie flag, **XYZ** by the R.A for not standing for our club song a month ago. There were a couple others but the boong eggs and bribes got the better of the RA. According to our esteemed, returned RA, **XYZ** got the shirt loud and clear.

### H4 Honours: Tonight we Congratulate:

**Screwdriver** gave an accolade to **Squirt** for spotting poor **Bravefart** \$10.00 to drink Busselton Hash piss.

### Jokes:

**Meatman** reckoned **Mullet** applied at WA Salvage for the job as a wood sniffer. After blindfold sniffing and identifying three bits of wood spot on. Luigi decided to outfox the old **Mullet** and had the old receptionist drop her daks and have **Mullet** sniff her snatch. After a few sniffs Mullet declared "I am certain that's a bit of wood from **C-man's** Cray boat dunny door".

### Run Report:

**Coops** says it was a challenging run and the Crays are tops, he gave it 11 out of 10.

### Ice:

**Boof** for being chatty, **C-man** telling the GM top fuck off, **Kazi** for not singing his song, **Bravefart** trumped **Wimpy**, **Concorde** trumped **Tampax**,

### Next Week's Run:

Blue Dress Run **Tuesday** 5 March. At Captain Munchies, Fremantle.

### Next week's Bus driver:

**Disgraceful**

**Hash Lunch:**

The Standard at 28 Roe St, Northbridge. 8 to 10 bucks for a pint of piss.

**Hares Act:**

The hares did a fine parody taking the piss out of the Perth Hash House Harrier's song.

**Song:**

**Baron** led us in Australia's Hash

**H4 Hashhouse:**

Cabbage and Crayfish.
