## Run Report 2104, Perth Harriettes @ Captain Munchies, Fremantle.

### Preamble:

Concorde would have had a chubby, 31 Men of Hamersley mingling with around 120 harriers from groups around Perth. A bell sounded, order was achieved and the run explained. The esteemed On Sec of Perth Harriettes got us going in a south westerly direction.

### The Run:

They ran down the road and did a left at Mouat Street crossing High Street and hanging a right on Marine Terrace then headed out to the docks and reached the old Blue Dress site at Sweet Lips before looping around the park. It was at this point some thirsty hashers decided an impromptu drink at the Esplanade was a good idea. The rest run up Market Street, turned right into South Terrace and after a false at Henderson Street continued around to the second best WA AFL team's training ground then enjoying the real drink stop near the jail before sprinting up Parry Street and getting lost around the Mantle, the smell of hamburgers and splash in the air had the mob following the train line to the On Home.

The GM and I had heard of a crime wave in the area so with a posse, we decided to set up surveillance across the road at the Australia Hotel. Where Jay our barkeep, the manager and informant, kept us hydrated during the stake out.

Jay thought he saw some ugly two bit whores but we explained that was our boys in their theme dress.

### Circle Up:

The Harriettes rang this bell which is pretty cool but the unruly hashers from West Coast wouldn't shut up, I threatened them in my usual manner notwithstanding I am no longer an RA who can ice with impunity, (oh how I miss these days) but **Show Off** assured me that she didn't need my help. Sometimes blokes, old style gallantry just doesn't pay off. There seemed to be an unusually high number of run virgins out for a down down, maybe some of them not so virginal and maybe after some of the splash instead.

### General Business:

**Hashtag** from Rocky City came out and told us of Rocky City's Pink Breast Run on Tuesday the 6<sup>th</sup> of April at Governor Road Reserve, Rockingham \$15 rego and a 7pm start.

**Commando** called out all GM's and representatives of the Hash clubs present for a down down our GM was out there with the usual rabble.

### Charges:

**Mel Adjusted** charged **15 Minutes** for new shoes, like the trooper she is, she accepted the charge and drank from her "new" shoe.

### Wrap up:

All in all, an enjoyable run with a quick circle. All Hash clubs got to sing their club songs even West Coast got lyrical at the very end. Well done **Commando** and her team.

### Next Week's Run:

**Voodoo**, Bold Park Aquatic Centre.

### Next week's Bus driver:

Donka
