Run Report 2105, Voodoo @ Bold Park Aquatic Centre City Beach.

Preamble:

On a warm evening beside the state of the art aquatic centre, 39 men of Hamersley and a member from long ago gathered around the van. The RA called us to order and **Voodoo** gave us some lengthy run details and set the runners of north and the rest of us of in a westerly direction.

The Run:

Well there was a lot of bush. The runners headed out north to loop back on the westward route the walkers had taken, the runners caught up with the walkers at the first song stop and continued west to the tower. The walkers by this stage had made their way through the scrub until they came across the open space at the International School of Western Australia. By this time the runners had thundered down Kalinda Drive and started in the opposing direction the walkers went. The runners went east past the Cambridge Town Council, circumnavigating Roscommon Park before heading west into the bush again zig-zaging their way on home. The last walkers made it to the tower found no piss left and headed directly on home via Kulbardi Walk.

Circle Up & Visitors/Retuniks:

Scrotus, **Arseholio**, **Sgt Bilko**, and **Morphine** are welcomed back, **Leave It** who was a Hamersley man years ago brought in as a visitor, by the end of the night he paid his dues and is a Hamersley man again. **Sgt Bilko** and **Morphine** got their personalised stubbie coolers.

General Business:

We had a raffle on some beer given to us, **Scraper** was the lucky winner, he then put it back to the club for the boys. Well those that wanted it, had to cough up a token first. **Bravefart** has an Inter Hash rego to sell. **Donka** reported that there is 51 days to Nash Hash and 410 days to Inter Hash. **Mac The Mouth** gave us some good news that **Mon Stir** will be coming out of hospital tomorrow. **Wimpy** wants us to get together for St Patrick's Day at the Mighty Quin from 2:00pm this Sunday.

Charges:

Scraper – lost property, **Screwdriver** on **Leave It** for his tight fitting shirt, the charge was reversed, GM on **Sgt Bilko** and **Captian Hook** for not listening to him when he was right, **Ampol** on **Morphine** on not stopping at the song stop, after much debate this charge was reversed.

ARSE Report:

After having the week off duties last week, the R.A was lost for words. So he asked Dingo who should be this week's word of the week clue, some hopeless, hapless, self obsessed throtter, so **Cookie** was brought forward, the word was "Throttlebottom" which means a "harmless incompetent in high office" no one got this as we all thought worse of **Cookie**.

On this day, a financial question, what happened in 1941? The lend lease agreement was signed off for the yanks to help the poms in WW2. Took the cunts over 65 years to pay 'em back. Even **RADS** has a better credit rating than them pricks. No one got this but **MauSei** got iced for being a dumb cunt and saying Pearl Harbour. Other event was a disaster in 2011 a clue was, could have been caused by the R.A jumping in the pool. Every smart cunt guessed Tsunami, only **Disgraceful** guessed the Fukushima Daiichi nuclear disaster strikes Japan. **Arseholio** was our first random spinner, spun **Ampol** on the ice. **Sheep Thrills** came out and spun himself a boong egg, the dumb cunt wandered away muttering about driving, **Cookie** seagulled his token off the floor. **Leave It** spun up **Mr P** on the ice. Welcome back cunt. The big cunt got his subs off him, well done.

WOW:

Nominations were: **Wimpy** as an ex-altar boy he probably taught our Cardinal Pell all there was to know about Wanking. **Ampol** bought out for bringing his own piss to a licensed venue **Sgt Bilko** for misleading the GM, RA and On Sec on the run also doubting the GMs godly advice. **Mac The Mouth** was bought out by RA for making a fuck up of the dates for ANZAC run, but saved by **C Man** because he fucked the Perth clowns up now they can't come. The RA gave **Mac** a trump card for his outstanding service.

Wimpy was crowd favourite but that cunt just wants another free shirt, **Sgt Bilko** ended up wearing it. At least he will give our last shirt back.

H4 Honours: Tonight we Congratulate:

Pole Polisher gets his real 300 Run badge and **Sheep Thrills** received his 20 Year Hat.

Jokes:

Mase reckoned **Mudguard** won a million bucks. **Mase** asked **Muddy** what he was going to do with all that money. "I am going to buy a chook farm," **Muddy** replied, "Then I am going to fuck the chooks all day!" "Jesus!" **Mase** was aghast, "How low can you go?" "Well **Mase**," **Muddy** replied giving it some thought, "Probably a bantam."

Run Report:

C Man reported that the bush was used but not enough falsies. He gave it 7.1 out of 10.

Ice:

Barrelina and **Scrotus** for being chatty, **Morphine** for his rude song about the GM, **Mausei** as the RA quoted "being a dumb cunt", **Mullet** for missing the bin, **Cookie** as the word of the week clue.

Next Week's Run:

Donka, St Patrick's Day, Wendling Road Car Park, Charles Riley Reserve, North Beach.

Next week's van driver:

Hash Lunch:

Tagg's Munch Master's report 1st March 2019:

Attendees 4 for the Standard Bar at 28 Roe Street. After consuming a beer each at the fore mentioned premises we then sought another location where the food would be cheaper and the dozen or so beers in possession of the group could be consumed in relative peace. For the benefit of the readers of this informative report, the Northbridge markets are similarly licensed premises. After being politely asked to move on, the bewildered group moseyed on back to dining place used by the more relaxed group of hash diners back in January. Sitting right between the Standard Bar and Dim Sum house is where lunch was finally consumed at the cost of \$22 as a relatively good time was had by all.

This brief tale of woe may be repeated on the 1st of April when hash munch veterans descend on the licensed premises of the Stirling Arms. But regardless, a good time will surely be had by all.

Hares Act:

A song about a whore, "Fucking Hell She Is Ugly".

Song:

Leave It led us in Raise Your Mugs

H4 Hashhouse:

Some sort of curry??
