## Run Report 2106, Donka @ Charles Riley Reserve, North Beach.

### Preamble:

A warm evening with 48 men of Hamersley and 2 visitors gathered in the car park when the RA called us in to listen to **Donka** bullshit about his run, then sent us off in an easterly direction.

### The Run:

Heading east on Wendling Road, a quick false north before picking up the trail east. A left turn sending us north over North Beach Road and into the bush at Star Swamp where there was some false trails in the winding bush track. We came out on Elvire St and up the hill to reach the water tank for a drink stop and a song. The runners headed for the coast and bolted down West Coast Drive. Meanwhile the walkers headed south down Hope Street and dog legged to Groat Street, and went past the old St Paddy's run site at the North Beach Primary School by this time the runners hung a left at Hamersley St and went past North Beach Football Club heading on home, as the walkers followed them in.

### Circle Up & Visitors/Retuniks:

**Tagg** distributed beer tokens to his mates celebrating his 43<sup>rd</sup> birthday **Springjock** and **Chuckwell** brought out as our visitors with **Swallow**, **D.A.G.S.**, **Mon Stir**, **Baron**, **Rooted**, **Mulloway**, **DV8** and **ELF** as our returniks.

### General Business:

**DV8** got his 40 year shirt, stubbie cooler and sticker. **Mon Stir** talked about his planned hospital visit that sent him to the brink and thanked all that let him know they were there for him. **Donka** had bad news, he had no new news of Nash Hash or Inter Hash so he told a joke instead. **Swallow** and **Tagg** have birthdays both put on some beer for the boys. **D.A.G.S.** (80) and **Voodoo** (70) had celebrated their birthdays on the weekend.

### Charges:

**C Man** on **Tagg** for being a stingy cunt, **Donka** on **Mullet** for sabotaging his run, **Cookie** on **Pole Polisher**, **Boof** and **Bravefart** for missing the drink stop. **D.A.G.S.** on **Arseholio** for trying to stitch him up with fake lost property, for new shoes, **D.A.G.S.** drank out of **Cookie's** shoe.

### ARSE Report:

The R.A steps on the crate, wearing a suit of green boong eggs tonight and immediately rebukes the noisy cunts in the crowd, next cunt he hears will be iced. **Mr Potatohead** opened his mouth the silly old cunt, came out for ice but trumped to **Barrelina**. While he's on the ice, the GM is called out as this weeks word of the week clue. Fortunately **Barrelina** is still on ice, so the GM is not asked to sit down.

The word is "*Nonpareil*", the RA says "don't think of this silly looking prick next to me, think of his position". A lot of guessing and the closest was **Scrotus**. Meaning is "A person or thing having no equal" which exactly describes a H4 GM.

No this day in history, as we have had some auspicious dates in the last week. **D.A.G.S.** is called out for chucking a mint party for his 80th, and received his cake. He pulls a trump card out, RA chuckles "you'll need more than that ya cunt". A boong egg token follows, the RA says he is thirsty and **D.A.G.S.** pulls another token out, "that'll do ya", the RA confirmed "ya wanna trump card too?" He picks on the cloggy **Voodoo** who turned 70 the same day. There is no escape for **Voodoo**. Cake is administered as normal, with some green dye added for Paddy's Day, and some orange sprinkles specially bought for the cloggy national colours.

A few random spinners in next. **D.A.G.S.** up first, spun up a boong egg. **Dikvan** spun **D.A.G.S.** on ice, he trumped **Arseholio**. The one known as **Wanker** spun a trump card. **Wimpy** ended up back on ice for shooting his gob off, forgot to flip it and he wallowed in **Arseholio's** butt juice.

### WOW:

The resident wanker **Sgt Bilko** comes in, straight away grabs **Mulloway** in for claiming he'd trolled through **Arseholeo's** cast away rags in South East Asia, now that's fucking disturbed. R.A calls in **Tagg** for throwing on sluts for SOP and giving us fuck all. **Voodoo** is also dragged back in for not inviting the committee, particularly the GM to his party. The big wog cunt **C Man** calls in **Dikvan**, all over the news these last few weeks about the kiddy fiddler Cardinal Pell. Who could support such a prick? Apparently **Dikvan**, is the biggest Cardinal supporter (West Perth for you ignorant pricks) out there. **Wimpy** called up by our most Honourable On Sec for not attending the St Patricks that he orgynized.

Crowd's choice amongst all these fine specimens was **Dikvan**. As he donned the shirt, he was heard saying we are getting hot piss till he gets rids of the shirt!

### H4 Honours: Tonight we Congratulate:

**Baron** for coming through with the hats. **Bravefart** for the video. **Pole Polisher** got his belated 10 Year Hat.

### Jokes:

Too many for this black duck to write down.

### Run Report:

**Pole Polisher** reckoned the run was a bit of a loop, ran past the tower but the scenery at the beach was good. He gave it 9 out of 10.

### Ice:

A bloke referred to as "**Wanker**" (**Chuckwell** was another name I heard) was trumped by **Bravefart**, **Rads** and **Mr Potatohead** done for gobbing in the circle, **Scrotus** for interrupting the GM, the "**Wanker**" tried to get our RA on the ice for some drunken shit, that was reversed. **Arseholio** trumped by **D.A.G.S.**, **Wimpy** for fucking up his song with **DV8** at not being able to sing a song, and then **Wimpy** on ice again.

**Next Week's Run:**

Sgt Bilko, Duncraig Melene Reserve, Duncraig.

**Next week's van driver:**

**Hares Act:**
