Run Report 2107, Sgt Bilko @ Melene Reserve Duncraig.

Preamble:

42 Men of Hamersley gathered in the overflowing car park. The GM mounts the crate and calls for silence and gives **Coops** his first of sixteen run down downs. At two minutes to six, **Sgt Bilko** is on the crate doing his best to confuse us about his run sending us west.

The Run:

Not long after heading out west across Melene Reserve, it became evident that we were going around and around for a bit. Crossing Glengarry Drive and heading east along Foston Drive going right and left through the streets emerging at Alfreton Reserve, bolting along Netherby Road to Macaulay Park. Now heading south down Pentland Avenue hanging a right at Cairn Avenue to clip the southern tip of Glengarry Park past the retirement home and hospital and into Portree Reserve. Changing north through some more housing and falsies to Noel Gannon Park then through to Castlefern Park for the drink stop. A quick port with lemonade and a song and then it is off on home with the biggest group of runners in a while leaving the walkers in their wake.

Before the circle, **Coops** receives his 2 of 16 and 3 of 16 run down downs.

Circle Up & Visitors/Retuniks:

The RA calls the mob to order **Coops** gets his 4 of 16 run down down. "**Hong Kong**" Wallbanger and **Squirt** are brought out as returniks.

General Business:

C Man celebrates the arrival of his number 2 grandson Thomas by shouting us all a beer. **Donka** tells us its 37 days to Nash Hash and still doesn't give a fuck. 396 days to Inter Hash and he will be working on accommodation soon. **Troppo** is after a video of the Hamersley Cardiff Inter Hash act. **Coops** gets his 5 of 16 run down down.

Charges:

Cookie on **Boof**, **Pole Polisher** and **Bravefart** for an running extra "off trail" bit, it got reversed. **Dikvan** gets done for new shoes, he drinks out of the right one and **C Man** out of the left one. GM on **Tagg** for lost property. **Coops** gets his 6 of 16 and 7 of 16 run down downs. The On Sec on **Kazi** for wearing a hat during the drink stop song last week. **Bravefart** on **Tampax** with phone out in circle, (evidence of **Kazi's** guilt of the charge before), charge reverted to **Cookie**. **Coops** takes his 8 of 16 run down down.

ARSE Report:

The RA mounts the crate and immediately ices old **Precious**, The RA reckoned the cunt been talking all night **Precious** pulls out a trump and gets **Barrelina** in to take his place on the ice. Our RA gets down to businez. On this day, a queen was born and a queen died, 1942 and 2018 are the years. He hears a lot of guesses off the dumb cunts, eventually **Mother** guesses Elton John born for a boong egg. Apparently **Mase** had it first, "u gotta speak up cunt!" our RA informs. The other one was the queen of soul, Aretha Franklin. "She kicked the shit bucket last year, none of you dickheadz got that," our RA schooled us. Now fucking **MauSei** is gobbing off so he gets a seat but also has a trump card. "Take my place Mr Ed" he reckons. The RA is delighted with **MauSei's** suggestion. Well, well, **Cookie** the dumb cunt comes out full of bullshit, no worries, he thought he could bribe the fat drunkard but he doesn't notice "God's" right hand man is driving the van tonight. "Stick your boong egg up your arse prick and have a seat" our RA retorts.

Random spinners: **Bilko** up first and spun **Tagg** on ice. Next up to spin is **ELF** and gets the big balled prick **Scrotus** a comfy seat, chill them agots down son. **Cookie** has a crack, spins up spinners choice on ice and leaves the poor cunt on there for a bit longer.

Word of the week: **Arseholio** or "Neville Butt Fucker" to his mates takes the seat as this weeks example. The word is "**Akrasia**" lots of guesses none were quite right but **Mase** was close enough and loud enough this time it means a total and utter lack of self control.

WOW:

Dikvan bought out as the incumbant and possible carryover. He nominates **Pole Polisher** for ripping our sign up book, whatta cunt! He also nominates **Bilko** forsetting a cunt of a run and having the fat cunts salivating seeing the van 3 times in the first km. The RA gets up and nominates and **Coops** and **Mullaway** for not being GM's bodyguards on Thursday night when them Cuntz at SOP hash iced the poor old cunt. He also nominated **Tagg** for hosting so called hash and setting our GM up. The boys were baying for blood this week at this mob of wankers but **Mullaway** got the shirt.

Coops has his 9 of 16, 10 of 16 and 11 of 16 run down downs.

H4 Honours: Tonight we Congratulate:

Mudguard, 30 year hat. **Coops** 1600 runs, he then smashes his 12 of 16, 13 of 16 and 14 of 16 run down downs.

Run Report:

Mother reckons it was a fantastic run. Loved the sly double back, well marked by two senior blokes, beautiful drink stop, he gave it 10 out of 10.

After a break, **Coops** comes back to neck his 15 of 16 down down. Then with great ceremony, chugged his final and 16th of 16 down downs.

Ice:

Mullaway being gobby in the circle, **Cookie** bragging about his wealth, **Barrelina** trumped by **Precious**, **Cookie** trumped by **MauSei**, **Boof** for chucking the bin, **Bravefart** for shits and giggles and **Arsholio** for word of the week.
