Run Report 2108, Scotus Maximus @ Yokine Reserve.

Preamble:

Back in familiar surroundings as 44 men of Hamersley surround the van waiting for the call. Before the run **Panels** is brought out for his first of 17 run down downs. **Scrotus** mounts the crate and brags how this is going to be the best run of the year, he sets the runners off south and the walkers off north.

The Run:

Varied reports of the run came in. Most got lost but the best account came from **Bravefart's** tracking. The walkers got lost around Shakespeare Avenue and got thoroughly confused by conflicting trail makings and three seemingly illogical false trails. Meanwhile, the best orienteers of the runners looped around Yokine Open Space after a false on Wordsworth Avenue headed north up Dryden Street and hung a left at Virgil Avenue they muddled through "false city" before continuing on Virgil Avenue finding their way north on Chaucer Street then going left at Warren Road found it too was a false trail, they headed back and eastwards on Spencer Avenue before coming back down to the "false trail hell" and continued on Shakespeare until a tip north took them on more falsies through the burbs, past the Maccabi Soccer Club, doing a loop around the Australian Islamic College. From there it was basically down Alexander Drive and across the park and on home.

Circle Up & Visitors/Retuniks:

So the RA called us to order and the GM made his ascension. We had **Pumpkin, Nice Tits, Popeye, Biggles** and **D.A.G.S.** as our returniks, they we given a song and a down down then were fucked off.

General Business:

The On Sec started it off with the tradition of being seated in the circle. It went a little like this:

Noncompliant Hamersley Hash House Harriers

Applicants must first obtain a certificate from the H4 Quack, (this will be made known to all cripples soon). Next the nominee forwards the certificate to the H4 On Sec who then forwards it to the H4 Grand Master for discussion.

If the noncompliance is permanent, the successful nominee will be given his own noncompliance chair (the design and format still forthcoming).

If the noncompliance is temporary, the successful nominee will bring his own noncompliance chair.

Modified Traditions for Noncompliant Harriers

Chairs will be placed in the Noncompliance Zone set aside by the H4 On Sec in full view of the H4 Grandmaster.

* Noncompliant harriers may not sit in the circle until the Grand Master has given permission to do so.

* Noncompliant harriers will stand when addressing the Grand Master and at the "hats off" singing of any of the H4 club songs.

The stealing or mistreatment of a noncompliant harrier's chair will result in the perpetrator sitting on ice for the duration of the Grand Master's choosing.

* Noncompliant harriers are excused from standing if their legs cannot function or if standing causes extreme pain (this would be an extremely fucked noncompliant harrier indeed).

This is not an entirely new tradition. During Tampax's reign, at the Ocktoberfest run of 2013, a motion was passed at that circle that H4 hashmen with debilitating parts preventing them to stand may be seated during the circle.

Popeye brought up in general business the Winks has won more than the Carlton Footy Club. **Biggles** wanted an ETA on the H4 Annual, the GM reported that it was 90% done. **D.A.G.S.** reported that Hamersley won a sand-ski tournament overseas, **Precious** advised us that the haberdash trailer will be at the next run. **Baron** is still in hospital following surgery but is doing well. **Panels** brings out 15 mates to help him with the remaining 16 run down downs. **Panels** also gave us all a drink token in celebration of his 1700 runs.

Charges:

Pumpkin on **Mullaway** for wanting a threesome with Perth Harriette **Kabab**, charged differed to **Mullet** for **Kabab** liking such a thing. **Mullet** on **MauSei** for being a show-off, suckhole wanker to **Baboon**, picture of **MauSei** with **Baboon's** Telsa as evidence. **Screwdriver** on **Precious** for as the Haberdash not advising **Bravefart** he was dressed incorrectly, **Bravefart** took the charge. GM on **Scotus** for not having a proper drink stop on trail.

ARSE Report:

R.A jumps back on the crate to try to restore some order from these noisy cunts. **Bravefart** is bought out for ice for being disrespectful, he shows his Platinum card off. "Sorry cunt, its April Fools, that don't work no more, take a seat cunt", the RA advised him, poor **Bravey**.

Word of the week: **MauSei** is bought out for the clue and he immediately trumps **D.A.G.S.** and escapes the ice. The word is "*Peperakou*" a maori word, the closest to get this right was **Kazi**, guessing decrepit and getting a boong egg. The RA tells us it means an old cunt. **Boof** immediately says there is no word for cunt in Maori, the RA suggests that's why the black cunts call him **Boof** instead.

On this day in history: the clues are a political thing happened in 1924 what would be up **XYZ's** alley and a big tekornologikal thing happened in 1976. **Boof** the fuckwit guessed the iPhone not in 1976? But he was closest and got a boong egg, in 1976, Apple was formed. The other one was **XYZ's** uncle Adolf was put away to be looked after by **Tampax's** grandfather and started writing Mein Kampf.

Mac The Mouth is called out "We wanna see if a crippled Collingwood cunt can spin a coin better than that limping Sydney rag, nope not a chance, the fuckwit bounces it off the bus, even **Rads** can't find the fucking thing, the RA should have given him a dollar fifty to toss.

3 random spinners, **Wallbanger** took a few spins to get it right and got a trump card and ice, not too hard to figure this one out right? Nope, even after being coached by the RA to trump out to **Wimpy** the dumb cunt sat down himself. He didn't want to pick on **Wimpy**, he will learn. **Coops** quickly replaced him on the ice, and **Mase** spun a down down.

WOW:

Our midget incumbent, **Mullaway** gets **Pumpkin** out for making up stories about our mate's little girl and threesomes. **Scraper** is pulled out by the fat cunt for asking when Hashcation is. A bit late dumb cunt. **C Man** nominates **Bravefart** for actually having a daughter and making dirty comments about someone else's princess. While he is gobbing off the RA grabs the big cunt up on national T.V. this week, and having almost fuck all to say for once, not even calling his deckies a cunt for the first time ever. **Mullaway** not included in the voting, he got the buttfucker's airline tickets out of here but the RA hinted that he would be wearing the shirt if the cunt comes back. The crowds favourite is **Bravefart** I quote the RA saying "wear it with pride amongst the V.C. next week baldy".

H4 Honours: Tonight we Congratulate:

Panels 1700 Runs, **Mac The Mouth** gets his long awaited 40 year hat and at the same time give **C Man** an accolade for being televised on his boat with a Hamersley hat on.

Run Report:

Popeye reported they went over, went back, got lost, found trail again, he gave it 8 out of 10.

Ice:

Kazi for being a smart arse, **Screwdriver**, apparently interrupting the RA, **Scrotus** for "going off" while being charged, **Bravefart** at the RA's pleasure, **Wallbanger**, **Coops** and **D.A.G.S.** done during the RA's segment.
