Run Report 2109, Pumpkin @ Lightning Park/Swamp Noranda.

Preamble:

On the windswept parking lot with a view of the highway that **Cookie** helped build, 32 men of Hamersley plus a visitor from Denmark, greeted one another shook hands and all that bullshit. The GM calls us to order and invites **Pumpkin** up to give particulars on his run. **Pumpkin** tells us it had the potential to be the best run of the year but he has **Popeye** as his co-hare. After a brief description of the usual, he sets us off in a southerly direction.

The Run:

Skirting around Lightning Swamp Bushland the trail went further south down Kelly Place, through a laneway to Corderoy Reserve. Then through the neighbourhood down to Deschamp Reserve, some kept going south down Belfast Street then turning left along Field St going past Waltham Reserve. Confusion around Emberson Reserve before pushing on east doglegging north through the streets until Benara Road where it was a long run to on home.

Circle Up & Visitors/Retuniks:

As the circle is called, the RA puts **Sheep Thrills** on ice for not shutting up when told. The GM kicks off the circle a run report first, somewhere in the circle, some dickhead is also calling for a lunch report, both reports detailed in the appropriate section of the rag. Returnicks and visitors called for with **Spud** and **Sheep Thrills** out as our returniks and our visitor from Denmark, **Escort Required** from Copenhagen Hash House Harriers and Viking Wankers is brought out for an entertaining down down.

General Business:

The GM on the crate models the new H4 raincoats, **Precious** advises us that there \$25.00 for his special customers. **Donka** steps in and tells us the Nash Hash is 23 days away and if you haven't organised anything, it is now too fucking late, he says work on accommodation for Inter Hash accommodation will start tomorrow. The On Sec advises that HBF Run (with out) for a Reason is coming up, **Cookie** decides to correct the On Sec on his "funny" and gets iced for his efforts. After **Cookie** is well seated the On Sec then has **Cookie** tell the circle yes it is in fact the HBF Run For A Reason that will be held on the 19th of May. The On Sec further made notice that it is the 10th anniversary of the event and registration can be done by going to:
<https://www.hbfrun.com.au>

Charges:

GM on **Cookie** for no H4 clothes, **Screwdriver** on **Pumpkin** for putting sausages on because of hot dogs in Copenhagen, **Coops** on **Escort Required** for not returning to H4 with the wankers shirt given to the Viking Wankers.

ARSE Report:

The RA is happy that **Sheep Thrills** was yapping and got to trial the new ice block that the big cunt **C Man** has made up. He reckoned it was fucking cold as well, might keep the cunts quiet but they are all fucking slow learners. Time to edukate the cunts, the word: **Boof** on ice as a clue. "*Boofing*" many guesses but none got it right. It is the practise of shoving booze and drugs up your arse in order to get off.

Spinners: While **Boof** is up he has a spin, gets his choice for ice, he chooses his bro **Cookie**, the cunt tries to figure out how to trump the system, he uses two expired cards then tries to swap a current one for a boong egg, still got iced for being a dumb cunt. **Screwdriver** got your choice on ice, he chose **Escort Required**, the cunt from Copenhagen the GM belayed that and **Screwdriver** put on ice instead, this is short lived as the GM spun **Voodoo** on ice.

On this day: On this day, **Tampax** is very quick to tell us Curt Kobain gave himself a haircut with a shotgun in 1994 for a boong egg, some other cunt guessed God's mate the Pope, John Paul 2 got a dirt nap in 2005 for a trump.

WOW:

Our incumbent Wanker, **Bravefart** has disappeared somewhere in Indochina, maybe being ransomed by the VC as we speak. So we need a new wanker. R.A nominates **Mase** for being a cunt and making **Dingo** leave his hat at home. **Mase** mounts such a good defence it is overturned and the **Dingo** reluctantly comes out. A couple other cunts are nominated along with **Wimpy** by **Cookie**. The voting was close with **Dingo** and **Wimpy**, **Wimpy** wears it 'cos we don't wanna waste 10 minutes watching the **Dingo** get changed. Just before R.A hands over to the GM he can still hear **Precious** yapping, so he leaves a present on the ice for our most 'onourable GM.

Run Report:

Nice Tits did the first bit saying there was 15 False trails, **Cookie** obviously in a "corrective" mood advised that there was 16 false trails, **Nice Tits** didn't mind **Cookie** taking over and said it was a well marked but got a bit lost on the oval, he gave it 9.5 out of 10.

Ice:

Sheep Thrills for not shutting up when told by the RA, **Cookie** for trying to school the On Sec, **Popeye**, **Kazi**, **Cookie** (again), for being interrupting cunts, **Dikvan** is called out for being a fuckwit in the van, going on about some drug snorting cunts that play footy. He is not iced for too long as the R.A wants his boong eggs cold and not scrambled. **Wimpy** got trumped by **Cookie** and **Precious** for even after watching all the other chatty cunts getting done, also got iced for continuous chatting.

Lunch Report:

This may as well have been the act is it was more entertaining than what **Pumpkin** had prepared. The On Sec was put on the spot to give an account of the lunch, possibly because **Popeye** thought that **Sir Kumsize** was so mongrel drunk to remember shit all about the lunch. The on Sec started with: *“on Thursday night I had a cunt of a week and decided to hit the red. Interrupted sleep had me continuing to drink throughout the night, at 7am on Friday morning I finished the last half empty bottle, got ready for the lunch, caught the bus to town, too early to catch the train, I went to the Shoe for a mid-morning drink. It is important for me to set the scene prior to the lunch.”* The On Sec was able to tell the circle that there were 10 of us at the lunch, beer prices were quite reasonable and the standard meals ranged from \$15.00 especially if you could produce a seniors card to \$38.50 for char grilled eye fillet. The on Sec went on to say that as it had been a big day, when it came to **Popeye** recounting his trip, it was a wee bit boring so he took in a nap. **Popeye** decided it was time for his account of the lunch, not much on the lunch but a fair bit on **Sir Kumsize**, although it was more entertaining than recounting his overseas shenanigans, it was factually inaccurate but we won't let the facts get in the way of a good story boys. Not very bright our **Popeye** the On Sec thinks, he is sure if **Popeye** continues to document **Sir Kumsize's** drunken antics with such gusto, he will get quite tired. Then the On Sec can help **Popeye** next year with plenty of rest in the H4 compliant seating area.
