Run Report 2116, Dikvan @ Altone Park Beechboro.

Preamble:

At the back car park, waiting on **Dikvan** to confirm the van spot, 32 men of Hamersley waited in anticipation before setting up and having that first beer. At 6pm our returned GM from Nash Hash mounts the crate and calls for order. He brings **Dikvan** to the fore to explain his run, without any bragging he says most marks will be near street lights on the footpath,.. mostly. He sets the runners off, (all 7 of them) north and the walkers he directs to a checkmark in a westerly direction.

The Run:

The runners head north along the tree line of the training oval and come out on Madeira Ave. They go east a little ways and hang a left at Parana Cr. A false trail takes them right up a laneway before they turn around and continue along the crescent, through a laneway and past a school, right at Tigris Wy another right at Amazon Dr. It is soon discovered that this is the wrong direction and double back past Platte Park then bolt up St Lawrence Dr. A false trail has them going off at Pentecost Ave but they come back past St Lawrence Park doing a bit of a loop through the streets to almost get to Beechboro Rd then heading back through the streets to Amazon Dr again. Going left through a laneway then left again at Rhone Pl to skirt around West Beechboro Primary School to the drink stop to meet the walkers already there. After a drink and a song it was off again at the check, it was discovered that a right at Columbia Wy, left at the laneway, right at King Rd right again at Rosmead Rd got them onto Darwin Cr. Turning left and sprinting until the on home was in their sights.

Circle Up & Visitors/Returniks:

The RA mounts the crate and announces to the mob that it's time to circle up, there is a new order and instructs the GM since the coo, he was running the show. The GM was having none of that and the RA came to his senses to welcome the GM back to the best hash ever. The GM gets things happening quick by calling **Rumbull** as our visitor and **Scraper, Squirt** and himself as returniks from the Nash Hash. They are all given a down down, a song and all except our great leader, the GM, are encouraged to piss off back into the circle.

General Business:

C Man announced that he is going to participate in the Big Freeze Plunge on June the 8th, to add to the donations, he is willing tonight to take anyone's spot on the ice for \$20.00 **Tagg** advised that the next Hash Lunch will be at Good Fortune Duck House, 354 William Street, Perth, he promises to be there on time. **Screwdriver** told us of Freo's 800th run celebrations this Wednesday 28th of May and next week's Palace Run at Frankilins Tavern. We concluded with a minute silence for **Nice Tits** and **Rumbull's** dad, our condolences lads.

Charges:

Arseholio on **Mother** for not looking after his bouquet from last week. **Ampol** on **Mac the Mouth** for not wearing his 40 year hat, **Mac** made the point that **Ampol** wasn't wearing his special hat either, the GM decreed both take a down down. GM on **Precious** for dereliction of duty as Haberdash at Nash Hash.

ARSE Report:

The RA gets back on the crate. The first thing he says is after 3 weeks of amatuer, fill in throttlers on the crate, it is good to see the Boss back. **Scrotus** swallows the bait and says does that mean the GM is a throttler? The RA ices the cunt, but **Scrotus** has a trump card, but he'll save it till **Wimpy** is back. **Elf** is called in as the clue to Word of the Week. Now the big wog cunt, **C Man** opens his yap about the RA's notebook, a piece of boong egg carton. "Open your eyes ya dumb cunt", our RA retorts, "I've been using it all year". The RA calls him in for a cold seat but **C Man** trumps the B.T. (Blonde Throttler) **Popeye** who also gobs off about the RA's guts. Back to the word, Elf is chuckling, these fuckwits have saved him from ice. Word is "*improcerous*". Every smart cunt says something about being small, the RA gives the boong egg to **Scrotus**.

Next up is on this day. The RA has 2 easy ones, first correct answer gets a bottle of H4's finest 10 year port donated by **Coops**. Not just 10 years old, it is our 10 year anniversary port plus 30 years, we hope some cunt with an iron guts wins it. So easy is the question that the wrong answer gets ice. So, in 1940 the biggest evacuation in history barring Neville Buttucker dropping his guts at Don Muang airport in 2003, and 1941 was some cunt sinking his boat. **Tagg** beats all the dumb cunts and says "Dunkirk!" Later was he fessed up and said he was answering the Bismark question. So the cunt wins the bottle, (on a side note: after seeing **Tagg** quaffing the lot, cork, sediment and fucking all, we hope that the Boss's car didn't get interior decorating on way home)

Now down to the random spinners. **Nice Tits** gets a trump. **Halfway** spins B.T.O.I. (blonde throttler on ice) there ya go **Popeye**. GM gets trump card. **Popeye** gets up for a spin and fuck me, Throttler on ice. Yawannavergocunt?

We had a Birthdee Boy, **Screwdriver** takes the seat. The fat cunt baked him a cake. It started off with a fair dinkum vanilla cake mix. Seeing his Birthday was on A Sundae we'll make him one. A can of whipped cream comes out. Whaddya put on a Sundae? Crushed nuts, wafers, a bit of boong egg and some nice sprinkles. Some cream left over **Sir Kumsize**? We'll slap that round the cunt's ears. Happy Birthday cunt. I heard the RA whisper "do I still get a lift home **Screwy**?"

WOW:

Our resident wanker, **Wimpy** is up in the Pilbara visiting Rosie, so we need nominations. The RA calls out for **Mother** for leaving our best mate, **Deegs** behind. His defence was the van wasn't fit for a dog, so he put a Collingwood supporter in there instead. So **Mac the Mouth** is called out for stealing his mates seat The RA claims the **Deegs** has hair is blonder than **Popeye**, he smells better than **Arseholio**, better table manners than **Tagg**, shorter pockers than **RADS** and is smarter than half you lot. **Kazi** can't wait to get **Shit Scraper** up on some carnal charge from Nash Hash. He was apparently having a crack at something **Deegs** knocked back. **Squirt** was quick to verify with a witness statement. Well, come out ya dobbing cunt, what happens on tour stays on tour cunt. The big cunt **C Man** nominated for something, we forgot what. The crowd liked **Mother** for forgetting his mate, what a cunt, but they all liked the dobbing cunt **Squirt** better. So the new "one size fits all" Shirt went to **Squirt**.

H4 Honours: Tonight we Congratulate:

Popeye getting his 40 year hat.

Special Announcement:

The Hamersley Annual is now available, see van staff for your copy.

Run Report:

Popeye said it was well laid out with a good variety of checks, good drink stop 9.9 out of 10.

Ice:

Boof offered \$20.00 for **C Man** to take his place on the ice, **C Man** trumped Popeye, **Screwdriver** got a cold arse for his birthday cake, **Scrotus** by the RA for "stupid" commentary.

Next Week's Run:

Tuesday, Palace Run at Franklins Tavern. **Screwdriver** and **Buttless** are our hares.

Next week's van driver:

Next week we do not need a van driver, the week after, 10th of June **Mudguard** will be driving the van.

Hares Act:

There wasn't one, suggestions that **Dikvan** loses half a point because of it.

Song:

Nice Tits and **Rumbull** led us in Raise Your Mugs.

H4 Hashhouse:

Chilli and rice
