Run Report 2117, Palace Run with Screwdriver @ Franklins Tavern

Preamble:
The private function room started filling up with hashers across Perth who came for the run. When the Perth Harriettes arrived it, got pretty noisy. Our GM called the rabble to order and directed them out to the back of the pub for run details by **Screwdriver** and **Butt-less.**

The Run:
Essentially it was a big loop with lots of false trails. Good reviews by all that did the full trail. **Screwdriver** set the pack off south from the pub. Then the trail went north east mainly following Albany Hwy. Turning south east at the shopping centre down Basinghall St, over Bewrwick St, looping around on Canterbury Tce and coming back on Basinghall St. Turning right at Erwell St then doubling back and turning left at the roundabout a Riverview Rd and left again at Jarrah Rd, nearly going round the block at Northampton Street but taking a right turn to go past Manners Reserve. Meandering through the neighbourhood passing such sights as Millen Primary School and the Vic Park RSL. Heading north east turn left at Berwick St then turning right at Carson St School, back to Albany Hwy and on home.

Circle Up & Reps and GM's:
Blow Job – Freo, **Fitzall** - Bullsbrook, **Basil Brush** - Westcoast, **Half Cut** - Bridges, **Disgraceful** - HOSH , **Blewhe** – Perth Harriettes, **Carefree** – Numbats, **Leach** – South Perth.

General Business:
Birthdays, Maid Muffin and XYZ.

Bright Spark from Perth Harriettes has done 69 runs.

Perth 50 years, a celebration is necessary to honour those brave men and all of the men and women who have followed in their footsteps. February 2020 will see not only the 50th anniversary of the Perth Hash House Harriers, but also 50 years of Hashing in Perth. More details will follow shortly, but please try and make yourself available for the weekend of Saturday the 15th of February.

Current plans are:

Saturday the 15th February 2020 - (open to all Hashers) an afternoon run from the Pickering Brook Sports Club, followed by a grand circle, followed by an almighty booze up and feed at the same venue.

We have arranged for the oval to be opened up for folks to throw a swag or small tent, and there is plenty of parking space for folks who want to set up a camper or the like;

We are hoping to arrange a bus to take folks from the venue back to the flat lands at the end of the event;

Failing all of that, Pickering Brook is not really that far so you can actually arrange an Uber or Taxi.

Further details will follow.

Hash Lunch:
The next lunch: 7 June 2019 will be at the Good Fortune Roast Duck House, 354 William Street, Perth.

Charges:
Bright Spark for the unsavoury comment on **Scrotus Maximus.**

It was about here that **C Man** announced the Big Freeze, H4 ice for a price challenge. Everybody forgot about charges and started pulling out the folding stuff.

Things started to take on a life of it's own. The donations of putting the H4 committee on ice for a price opened and things went of like a frog in a sock. The scene was like frenzied bidding at a Narrogin livestock market day. I apologise to you all as I got caught for the ice for a price a few times and could not accurately account the frenzied activity.

Run Report:
Scrotus rekoned it was pretty good. Good checks and marks. Just the right length. No harriettes got lost shopping.

Ice:
Many of the H4 men were on the ice more than once, here are a few of the notable ones I remembered to write down. **Dikvan** for gobbing off, **Sir Kumsize** by $10.00 ice challenge, tagged out by **Popeye** who $10.00 trumped **C Man**, he also took the ice for our GM. **Blowjob** for destroying **Yo's** drink, smashing her glass during circle, **Gasman** on ice for $20.00, a telegram from **Belly Dancer** had **Gasman** back on ice for $50.00. **Scotus got** iced when he asked **Quoka** to sit on the ice, which she did for $100.00, I think he got done for gobbing off too. **Mullet** paid $10.00 to put his mate **Popeye** on ice, and **Popeye** had a unique way of presenting his $10.00 bids. **Butt-less** by **Screwdriver** during the act. At this point I would like to give the girls a cheer for being good sports with it all.

Next Week's Run:
D.A.G.S. at Padbury**.**

Next week's van driver:
Mudguard

Hares Act and Down Down:
Screwdriver put his bride **Butt-less** on ice for the act. **Sir Kumsize** coughed up $20.00 to get her off the cold seat.

Songs:
All hash clubs got to sing their songs.

H4 Hashhouse:
For $10.00, the tavern put on a curry.

ON ON Sir Kumsize
Mel Adjusted / Sir Kumsize 29/52

Note:
Duties of the Hare, extracted from "Guide to Hares"

"The hares are to assit with setting up the equipment: barbeque, tables, crates, generator, lighting, flags etc, under the direction of the Hash Splash."

"The hares are responsible in the cleaning up of the site. The hares must also make sure that the barbeque, tables and any other equipment used on the night is cleaned up and packed back into the Van before they leave the site."
